

INTREPID SEA, AIR & SPACE MUSEUM

WHERE YOUR SPECIAL EVENT
REACHES NEW HEIGHTS.

intrepid sea, air & space museum

A VENUE AS UNIQUE AS THE CITY ITSELF.

Imagine the sun setting over the Hudson River, the world-famous New York City skyline at your back, and 45,000 tons of steel beneath your feet. The Intrepid Sea, Air & Space Museum is the only interactive museum where visitors can explore a legendary aircraft carrier, the first space shuttle, the world's fastest jets, and a secret submarine. Intrepid is also one of the most exceptional event spaces in Manhattan. Located on NYC's West Side, Intrepid offers endless event possibilities in a picturesque setting beside the Hudson River.

Opened in 1982, the Intrepid Sea, Air & Space Museum welcomes more than one million visitors per year and hosts numerous events. Intrepid hosts both corporate and social functions, from television and film shoots to fashion shows on the Flight Deck; corporate launches, festivals, galas, movie premieres, press events, trade shows, and bar mitzvahs on the Hangar Deck; and concerts, charity walks, and parties on the Pier. At Intrepid, you will find spaces both uniquely historic and modern to accommodate all of your event needs. Our experienced and knowledgeable staff will assist you in creating a memorable and seamless event.

World-renowned Restaurant Associates is the exclusive caterer for the Intrepid Museum.

our spaces

The Michael Tyler Fisher Center for Education

Our Education Center offers modern and sophisticated event spaces with fabulous views and amenities, including the Fantail, the Great Hall, and the VIP Room. The center is primarily used for educational programming during weekdays but is available for your evening or weekend event. With management approval, daytime events may be scheduled when educational programs are not in session.

THE FANTAIL

Begin your event on the Intrepid Fantail, located at the westernmost point of the ship. It is an ideal setting for outdoor cocktails before moving upstairs to the Great Hall for dinner.

THE GREAT HALL

The Great Hall is the perfect space for seated dinners with floor-to-ceiling views of the Hudson River. It is also ideal for meetings, offering clients full use of our state-of-the-art audiovisual capabilities, including drop-down screens, built-in LCD projectors, and blackout screens. Air walls create separate meeting spaces. The center also includes the VIP Room and three classrooms that can be used as breakout rooms, for coat check, or green rooms for staged events.

Allison and Howard Lutnick Theater

The Hangar Deck also features the Allison and Howard Lutnick Theater, a 247-seat, state-of-the-art multimedia venue. The theater features a Dolby digital cinema system, including a DSP 100 show player with 5.1 surround sound, Blu-Ray, DVD players, and PC/Mac inputs for PowerPoint presentations. The theater is perfect for screenings, press events, or guest speaker presentations.

Hangar Deck

Running the length of the ship, the Hangar Deck (the main interior deck of Intrepid) is divided into three halls – Hangars 1, 2, and 3 – all featuring the Intrepid Sea, Air & Space Museum's exhibits, including aircraft.

HANGAR 1 AND 2

Guests enter the museum in Hangar 1, and within Hangars 1 and 2, you'll find great spaces for smaller events, cocktails receptions, seated dinners for up to 60 people, registration, and coat check.

HANGAR 3

The most spacious and flexible of our halls, Hangar 3 offers the opportunity to host seated dinners for up to 1,000 with clear site lines throughout the space and is optimal for staging award shows, galas, meetings, presentations, or trade shows. With more than 12,000 square feet of event space, Hangar 3 is a unique combination of raw space and museum ambience. Built-in special event lighting, drop-down screens, and sound-system capabilities ensure a great experience for every event.

Flight Deck

Running the length of three football fields, the Flight Deck is the quintessential outdoor venue. Host your event among Intrepid's stellar aircraft collection with majestic views of Manhattan and the Hudson River, from the Statue of Liberty to the George Washington Bridge. The Flight Deck offers countless event possibilities, including cocktail receptions, concerts, photo or film shoots, all with direct access to the Great Hall for VIPs, guests, and performers.

Pier

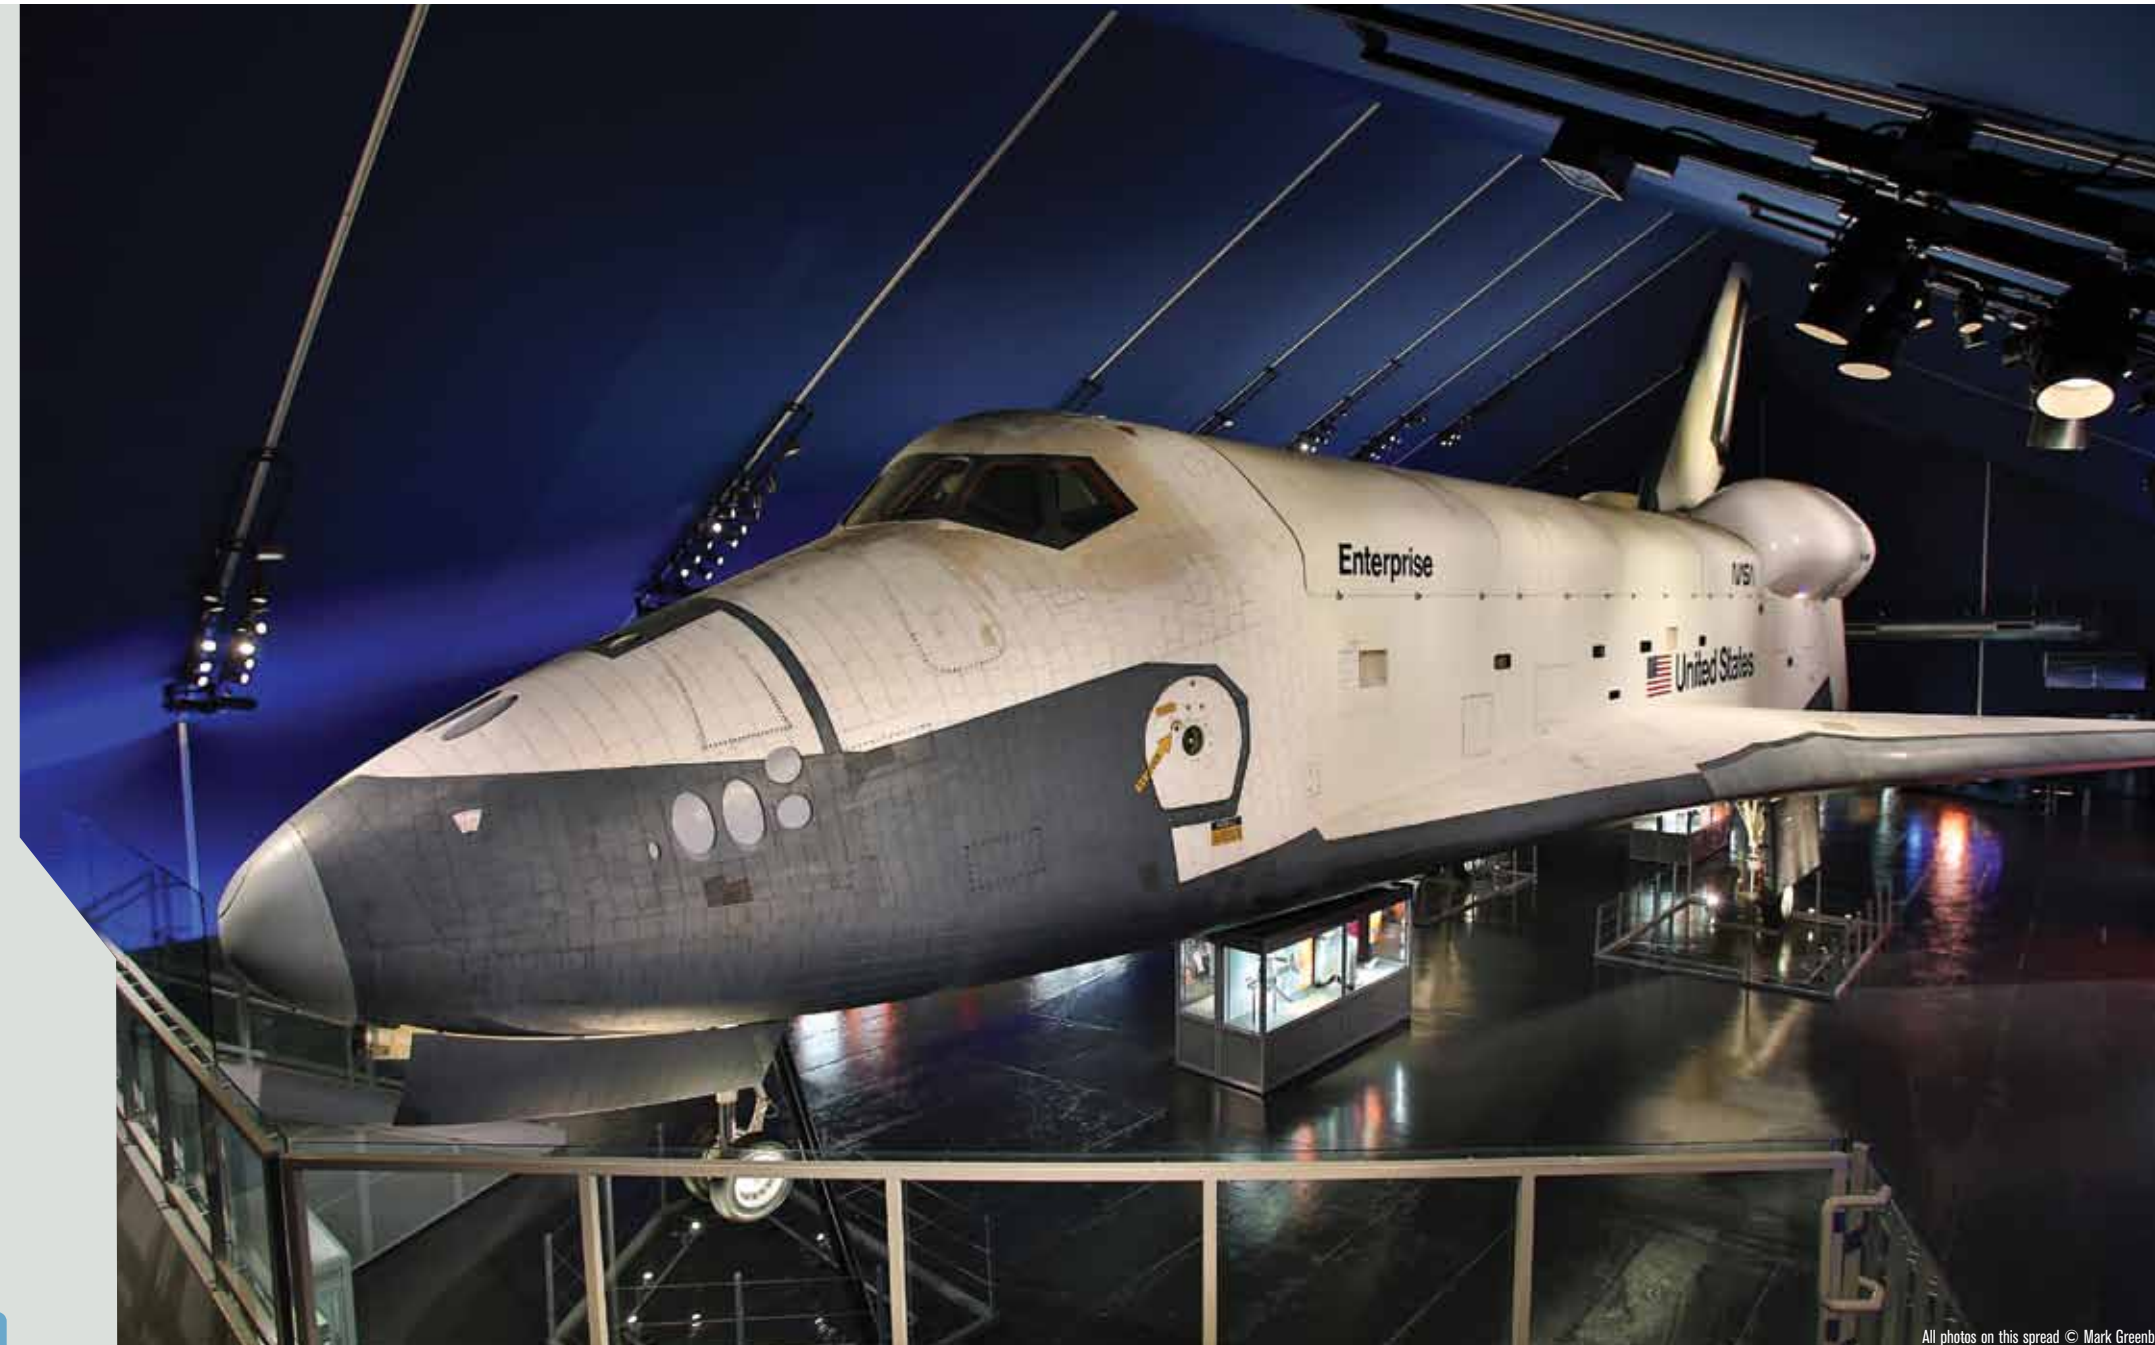

Our Pier offers endless event possibilities, with direct access to the Hangar Deck and Flight Deck. Let your event soar beneath the British Airways Concorde located at the west end of the Pier. With Wi-Fi and power, our Pier offers clients and vendors a versatile and park-like space for corporate picnics, concerts, festivals, seated dinners, and many other types of outdoor events.

our spaces

Located on the Flight Deck, the Space Shuttle Pavilion showcases the space shuttle *Enterprise*, the prototype NASA orbiter that paved the way for the space shuttle program. This unique space is the only place in the Northeast in which you can host your cocktail reception underneath a real space shuttle. The pavilion also features 17 dynamic exhibit zones that display artifacts, photographs, audio, and film about *Enterprise* and space exploration.

Tours of the Space Shuttle Pavilion can be added as an additional feature to your event.

For more photos and suggested capacity of each of our spaces, please visit the "Host an Event" section at www.intrepidmuseum.org.

What are the costs of renting the venue?

Rental prices are quoted upon request and based on spaces used for the event. Additionally, in-house production costs, such as security, setup, and breakdown crews, are itemized for each event and include all labor necessary to make your event a success.

How do I hold a date?

The desired date of your event can be placed on hold. Once the client confirms the event, Intrepid will provide a contract. A 50-percent deposit of the total fee is required. Deposits are non-refundable.

Is insurance required for events?

Insurance is required for each event. Specific insurance requirements are listed in the special event contract.

What time can my event start and end?

Rental fees are based on a four-hour event. Overtime charges will be incurred for each additional hour or portion thereof. Event setup may not begin until the museum closes to the public. Exceptions may be made depending on the production and with management approval.

Is there parking available for guests at the venue?

You may contract with an outside vendor for valet parking. There are commercial parking lots within walking distance of Intrepid.

Do you have any exclusive vendors?

Restaurant Associates is the exclusive caterer at the Intrepid Museum. From time to time, there may be other exclusive vendors, which Intrepid will communicate upon initial inquiry. Intrepid also offers a preferred vendor list for any of your other event needs.

Can more than one event occur at the same time?

The Special Events department will determine the number of events that may occur simultaneously and will ensure that any one event will not be disrupted by another.

Is tenting permitted?

Tenting is permitted on the Flight Deck and the Pier. Please see our preferred vendor list in this brochure for tenting companies.

Is security available for events?

Intrepid security is required for each special event. Events requiring additional outside security must be approved by management.

Is smoking permitted at the Intrepid?

New York City regulations prohibit smoking anywhere on the premises, including Pier 86. Individuals found smoking will be asked to leave the event and the premises. Smoking is permitted only outside the museum complex.

Does the Intrepid provide access for persons with disabilities?

The Intrepid Museum complex is ADA compliant, except for the Growler Submarine and the Concorde.

Can banners, signs, or other décor be hung in the event area?

Banners and signs are permitted for your event. Clients will speak to the event manager regarding specific rules and regulations. Existing museum signage cannot be moved. All event signage must be removed following the event.

Does the Intrepid have air-conditioning?

The interior of the museum and the Space Shuttle Pavilion are air-conditioned and heated.

How can we support the Intrepid Museum?

By hosting an event at the Intrepid Museum, you are providing valuable support for the programs and services we offer. In addition to the space rental, we have a variety of membership programs that may appeal to you. Please visit our website at www.intrepidmuseum.org for more information. Additionally, donations to the museum are always welcome and will help support our mission and educational programming.

The Intrepid Sea, Air & Space Museum is proudly supported by Time Warner Cable and The Coca-Cola Company.

frequently asked questions

social events

When it comes to your social events, whether it may be a wedding, bar/bat mitzvah, birthday, or retirement celebration, you want a departure from the ordinary. The Intrepid Museum offers a one-of-a-kind New York experience with historical ambience to wow your guests. Whether you dream of a grand gala or an intimate gathering, we invite you to explore all the possibilities we have to offer. Allow this historic landmark to be your dream venue.
