PERCEPTION OF *self love*."

-Ashley Nell Tipton, *Project Runway* Winner, Season 14

"...Love yourself for who you are and have fun looking good and feeling confident in your choices!"

With her confidence in her designs and herself, Ashley tried out for Project Runway #14 and through many highly competitive episodes she **WON!**

Ashley's design process starts with knowing what she would want to wear, sketching different designs and always thinking about how one garment can be changed slightly or worn differently. Ashley creates a unique look that is easy to make but holds the essence of chic edginess!
