SunnyWood's Kitchen Kiosk Features:

- * Dealers who use the kiosk report higher and more frequent sales.
- *The kiosk is a "silent salesperson" that is always available and on time for work.
- *A dealer has the option to display their own counter tops or use the included one.
- *It's easily transported via pallet jacks and/or forklift to local shows or events.
- *It displays our most popular styles and when new styles replace older ones, it's very easy to make the change.
