The organizations that collaborate on a daily basis to bring you the ultimate in hospitality services are **The Villa Group, Tafer Resorts, UVC International and ResortCom International**. Let's take a moment to get you acquainted with the roles of each company.

The Villa Group is the developer that builds and owns the Villa Group family of resorts. Since 1983 they've been building luxury vacation destinations in Mexico and currently boast a portfolio of eight properties in five of Mexico's top rated beach destinations.

Tafer Resorts is a forward thinking leisure and hospitality company with an ever-growing and evolving collection of award-winning hotels, resorts and boutique villas. While it currently continues to develop, manage and operate a variety of leisure and hospitality products and services within Mexico, Tafer maintains a global vision for expansion.

But did you know you reap the rewards of a referral as well? The Club offers different referral programs that pay off big-time. They vary from year to year, but range from receiving a scratch-off lotto ticket for the chance to win exciting prizes, to being entered in a referral drawing for the chance to win a dream vacation. Past lucky winners were treated to vacations as lavish as a Mediterranean cruise. For additional information on the referral program call **800-676-9394** or visit www.myuvci.com

PRE-ARRIVAL CONCIERGE SERVICE

In the months leading up to your travel dates you will be contacted by a Personal Concierge who will become your go-to resource for arranging your transportation to the resort, booking your all-inclusive meal plans and spa services in advance and providing recommendations for restaurants and activities. Your Personal Concierge will confirm that your reservations are in order so you can relax and look forward to your worry-free vacation.

MEMBER RENTAL PROGRAM

You purchased your timeshare for vacationing and for the opportunity to enjoy special moments with family and friends. However, we know that vacations are not always possible and if you need to place your vacation week for rental, Villa del Palmar Cancun has contracted with the Member Rental Program to assist you. The Member Rental Program should be your last choice. This member rental program has been designed as your last “non-vacation” option. It has been designed to assist you with partially offsetting your maintenance fee expense. This is not a “get rich quick” program, but rather a service provided to avoid any vacation week from going unused.

The application process is simple:

The first of October of every year, a link is posted on the Member Rental page of vdpcancunmembers.com

- Once you click on this link, you will be presented with a blank rental contract which you must complete, sign and submit electronically.
- You will receive a copy of the completed application via return email. This will serve as your confirmation that your application has been received.
- Member Rental Program closes as soon as all rental slots are filled.
- After all applications have been received, notifications will go out via email regarding the status of your application (whether your week was accepted into the following year’s program or not).

THE MAINTENANCE ASSESSMENT IS USED FOR THE FOLLOWING ACTIVITIES:

Operating Fund – In addition to property management, your operating funds provide for on-site Club activities and services, off-site operations that include reservations, reservation systems, hardware and software technologies, maintenance billing, customer service, member communications, general and administrative expenses, legal and accounting fees.

OPTIONAL PROGRAMS

There are two optional programs included on your maintenance fee assessment to which members may contribute: On Call Travel Protection Program and Eagle's Wings Foundation.

ON CALL TRAVEL PROTECTION
