Chess Club

Have you wondered what is the fastest possible mate in chess ? The professionals call it "Two-move checkmate". If you aren't careful you can easily get in trouble during opening stage. In this situation you are white and you are on the move. What is the one bad move you could make to have your king vulnerable enough so black can execute the "Two-move checkmate"?

Answer of last month’s puzzle:
In that world class game Bobby Fischer sacrificed his most powerful piece in order to win. He moves his queen to E8! At this point black quits. The well planned sacrifice forces black to capture using the rook on D8, which allows for the white bishop to checkmate moving to D5.

Improve your Game

Why Shoulder Flexibility Matters

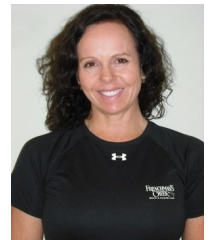

Whether it's Saturday tee time with the guys, a tournament, or a corporate outing to entertain clients, there remains a desire to perform, and perform well. Golfers come to me with one ultimate goal: **PLAY CONSISTENTLY WELL.**

Every golfer has a unique swing, fitness level and limitations based on overuse or injury. I address each golfer individually.

I want to briefly touch on something that is super important today at whatever golf level you are. We all want power but it's not just strength that lets you hit the ball a mile. It's technique but of course it's also shoulder mobility. You won't get much backswing height if your latissimus are tight.

Improve your shoulder flexibility and improve your backswing height and this will help the potential to maximize swing speed.

Summer Movie Festival

Wednesday, June 3rd

7:30 p.m.

Men's Card Room

Comedy drama romance. 116 minutes

This film won 3 oscars , 62 other foreign wins and 39 nominations.

Directed by and main star Roberto Benigni won best actor in the academy awards and you may recall seeing him jump over the seats when accepting both awards including best foreign film.

Although the holocaust is part of this story, please view it as a film about optimistic love , courage, and inner strength.

I will try to pick summer selections however not dip into the winter collection I have started working on, so enjoy these films and any feedback is always appreciated, thank you DEBBIE HORNSTEIN

Wednesday, June 17th

7:30 p.m.

Men's Card Room

Fantasy drama

This film is a twist on snow white and the seven dwarfs .Set in 1920 in Spain ,and centered on a female bullfighter who grew up never having known her mother. She learned bullfighting from her father from his wheelchair. Her evil stepmother hated her and off she went!

A Black and white film, 104 minutes, This film won a larger amount of awards, (46 wins and 50 nominations) mostly outside the USA. Bubbles Levie recommended this film, it took a while to get thru it, but this tribute to silent films was actually appreciated. Very well done.

The 19th Hole is available for your dining pleasure.

Upcoming Summer Movie Dates:

Wednesdays:

July 1st, July 15th and July 29th

Ludwig van Beethoven Lectures

Presented by Dr. Stuart Bailin

About the speaker

Dr. Stuart Bailin is a Professor Emeritus from York College, The City University of New York and a Beethoven enthusiastic and historian. Professor Bailin received a Bachelor of Science degree from the State University of New York at Cortland, a Master of Science degree from the University of Massachusetts at Amherst, and a Doctor of Education degree from Teachers College, Columbia University in New York City.

Dr. Bailin’s passion for Classical and Romantic period music and his expertise with respect to Ludwig van Beethoven’s life and music in particular, has given him an opportunity to share the joy of Beethoven's music with his audiences. His lectures are enlightening and inspiring and incorporate both musical excerpts and interesting commentary regarding Beethoven's life and works.

First lecture of the summer

Beethoven and The Magnificent Mr. Handel

Tuesday, June 16th at 5:00 p.m.

Although Handel died 11 years before Beethoven was born, his music had a huge effect on Beethoven’s compositions. Beethoven considered Handel the greatest composer that ever lived. In this program we will hear some of Beethoven’s music that was composed with a Handelian touch.

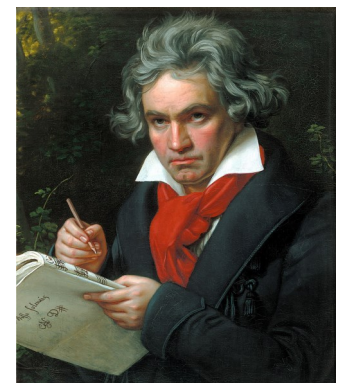

The 19th Hole will be available for your dining pleasure. Please contact the Food & Beverage Office (561) 273-2647 to register.

Upcoming lectures:

Tuesday, July 7th at 5:00 p.m.

Tuesday, August 11th at 5:00 p.m.

Excursions

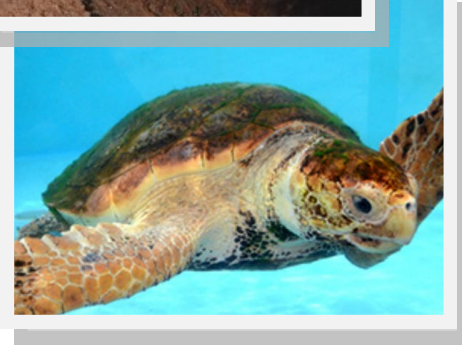

Tuesday, June 9th

Turtle Walk in Juno Beach

A Turtle Walk is a unique program that allows our visitors to learn about, and observe, the nesting and egg-laying process of sea turtles. Experienced Loggerhead Marineline Center scouts will patrol our designated section of Juno Beach searching for sea turtles while visitors enjoy an informative presentation on the plight of sea turtles, and take an exclusive, behind-the-gate tour to meet our current sea turtle patients. Once a loggerhead sea turtle is found and begins her egg-laying process, the group is then led down to the beach to witness this unforgettable experience.

Meet Bilian in the Frenchman's Creek main lobby at 7:45 p.m.

- Please wear black or very dark clothes.
- No flash lights, cameras or cell phone are allowed. The trip will include walking on the beach.
- Due to weather conditions there is also a small chance that we won't see any turtles laying eggs.
- Refreshments will be offered.
- Return to Frenchman's Creek will be approximately at 10:00 p.m.

Upcoming Excursion in August to the BB&T Center

Picasso's World

Wednesday, June 10th

2:00 p.m. - 5:00 p.m.

We kick off the summer with a look at Picasso. Always interesting, innovative and controversial, Pablo Picasso stands as one of the most creative and innovative artists who ever lived. We will create our own take on one of his paintings in this workshop as we talk about Picasso, his life and the art world that he impacted so much. While we paint, we'll enjoy some wine, cheese and fruit.

Henri Matisse

Wednesday, July 8th

2:00 p.m. - 5:00 p.m.

As one of the French Fauves (and a contemporary of Picasso), Matisse became a trailblazer in contemporary art. Once Matisse saw a subject a certain way, everyone around him couldn't help but see it the same way. We will try our hand at a Matisse, using the same innovative use of color and perspective. French pastries and champagne will

Tropical Landscape

Wednesday, August 19th

2:00 p.m. - 5:00 p.m.

In this program, we take some inspiration from the tropical landscape, creating a soothing, balmy vista that is perfect for the middle of summer. Use of palette knife work will be encouraged to create more dimension and interest in the work. We'll stay cool with some seasonal

Georgia O'Keefe

Wednesday, September 9th

2:00 p.m. - 5:00 p.m.

Get ready for some O'Keefe in this Santa Fe-inspired session that will focus on this great artist. O'Keefe explored a variety of subjects that were rendered in her own unique style. We'll learn about her life and the art world in which she lived as we undertake one of her paintings.

Have a great summer!
