THE MAAC STORY: 35 YEARS OF EXCELLENCE IN ACADEMICS & ATHLETICS

With 11 institutions strongly bound by the sound principles of quality and integrity in academics and excellence in athletics, the Metro Atlantic Athletic Conference is in its 36th year of competition during the 2016-2017 academic year. The MAAC enters 2016-2017 as one of just two Division I conferences with three full-time female Athletic Directors (Marianne Reilly – Manhattan College, Dr. Marilyn McNeil – Monmouth University, and Boe Pearman – Saint Peter's University).

The MAAC was founded in 1980 by six charter members: the U.S. Military Academy, Fairfield University, Fordham University, Iona College, Manhattan College and Saint Peter's College. Competition followed one year later in the fall of 1981 with members competing in the sports of men's cross country and men's soccer. On January 2, 1982, Army traveled to Iona for the first MAAC men's basketball game and the MAAC story had begun.

Current Conference members include: Canisius College, Fairfield University, Iona College, Manhattan College, Marist College, Monmouth University, Niagara University, Quinnipiac University, Rider University, Saint Peter's University, and Siena College. In addition, associate members include the University of Detroit Mercy in men's lacrosse and Jacksonville University in men's rowing; La Salle University, St. Francis (N.Y.) College, Villanova University, Virginia Military Institute and Wagner College are all associate members in Women's Water Polo. Drake University, Jacksonville University, Robert Morris University, Sacred Heart University, and Stetson University compete in women's rowing, while the University at Albany, University of Dayton, and the University of Hartford, and La Salle University take part in women's golf competition. Bryant University, LIU Brooklyn and Sacred Heart University compete in field hockey, while Bryant University is a member in men's swimming & diving. The MAAC will support 25 sports and championships during the 2016-2017 academic year; in addition, the MAAC champion earns automatic qualification to the NCAA Championship in 16 sports.

The MAAC Basketball Championships returns to the Times Union Center in Albany, NY for its final year of a three-year agreement, and will continue to be held at the Times Union Center through 2019. The 2017 MAAC Basketball Championships will mark the 18th time that Albany has hosted the championships, more than any other site. By having an excellent working relationship with various facilities, the MAAC has been able to attract a number of NCAA Championship events. In 2016-2017, the MAAC will host the NCAA Division I Cross Country Northeast Regional at Van Cortlandt Park with Iona College and Manhattan College, the 2017 NCAA Men's Basketball First & Second Rounds at the First Niagara Center in Buffalo, NY with Canisius College and Niagara University marking the fifth time that all three parties will partner for this same event (2004, 2007, 2010, and 2014), and the 2017 NCAA Division I, II, & III Rowing Championships with the Ivy League at Lake Mercer in West Windsor, NJ. Most recently, the MAAC along with Siena College successfully hosted the 2015 NCAA Division I Women's Basketball East Regional

at the Times Union Center, which was the highest selling site amongst all four regionals. In 2014, the MAAC, Canisius College and Niagara University successfully hosted the 2014 NCAA Division I Men's Basketball Second and Third Rounds at the First Niagara Center in Buffalo, NY. The MAAC and Fairfield University hosted the 2013 NCAA Division I Women's Basketball Regional at Webster Bank Arena in Bridgeport, CT. The MAAC and Rider University hosted the 2012 NCAA Rowing Championships at Lake Mercer in West Windsor, NJ and also co-hosted the 2011 NCAA Division I Wrestling Championships at the Wells Fargo Center in Philadelphia. The MAAC and Rider University co-hosted the 2009 NCAA Division I Women's Basketball Championship Regional at the Sovereign Bank Arena in Trenton, NJ, after recording the third highest attendance figure for the women's championship with the First and Second Rounds in 2006.

In June of 1995, the MAAC developed new opportunities for student-athletes as the conference announced the formation of the MAAC Men's and Women's Lacrosse Leagues. The men's league began competition in the spring of 1996, while the women's league commenced in the spring of 1997. Since their inception as associate sports leagues, both men's and women's lacrosse have been upgraded to full MAAC sports. The men's league currently consists of six MAAC schools - Canisius, Manhattan, Marist, Monmouth, Quinnipiac and Siena - and one associate member - the University of Detroit Mercy. The women's league features competition among nine MAAC institutions - Canisius, Fairfield, Iona, Manhattan, Marist, Monmouth, Niagara, Quinnipiac, and Siena.

In the spring of 2014, the MAAC expanded the championship field to six teams in men's and women's soccer, volleyball, women's lacrosse, softball, and baseball. Additionally, the MAAC membership agreed that the highest seeded team should generally host the MAAC championship.

MAAC Associate Sports

In 2002, the MAAC added the MAAC Women's Water Polo League. The league is currently made up of three MAAC schools - Iona, Marist and Siena - as well as five associate members, La Salle University, St. Francis (Brooklyn), Villanova, Virginia Military Institute, and Wagner.

Sacred Heart began participation in MAAC Women's Rowing in the spring of 2008. Drake University joined the league for the 2010 MAAC Championship, while Robert Morris began competition in the spring of 2011. In 2012 Jacksonville University brought its men's and women's teams into MAAC Rowing, and Stetson University joined the league in 2014.

MAAC women's golf competition is comprised of five member schools - Fairfield, Monmouth, Niagara, Quinnipiac, and Siena - and three associate members - the University at Albany, the University of Dayton, and the University of Hartford.

For the first time in league history, an associate member was added in men's swimming & diving when Bryant University joined the league in the summer of 2012.

In April of 2013 the MAAC added field hockey as a sponsored sport with competition beginning in the fall of the 2013-14 academic year between four member institutions – Monmouth University, Quinnipiac University, Rider University, and Siena College. In June of 2013 the MAAC added associate members to the Field Hockey League - Bryant University and Sacred Heart University, bringing the MAAC to six teams for 2014. Most recently, MAAC member Fairfield University joined the league for the 2015-16 academic year. In the winter of 2015, LIU Brooklyn joined the league and began competition in the fall of 2016-17. In March of 2015, former MAAC member La Salle University joined the league in women's golf and water polo, and begins competition in 2016-17.

Academics and Athletics

The MAAC prides itself on the accomplishments of its student-athletes in the classroom, as well as on the field. Mary Beth Riley, a 1991 graduate of Canisius, was the first recipient of the NCAA Woman of the Year Award. In the fall of 1998, Erin Whalen, a member of the Iona women's rowing team, was awarded one of the nation's 32 Rhodes Scholarships for academic achievement and civic leadership.

In 2015, all eleven Metro Atlantic Athletic Conference schools had at least one team that posted multi-year APR's in the top 10% of all squads in each sport, with Fairfield, Siena, Canisius and Niagara having 6, 6, 5, and 4 teams respectively in the top 10% in each sport. Monmouth's women's tennis team is one of 129 teams that have earned Public Recognition Awards each of the 10 years they have been awarded.

First-class facilities are the rule with MAAC schools, as teams regularly play in top-notch arenas, such as Madison Square Garden, the Barclays Center, the MassMutual Center, the IZOD Center, First Niagara Center, Times Union Center, the Webster Bank Arena, Mohegan Sun Arena, and the Sun National Bank Center. This year, the MAAC will take the men's and women's cross country championship to Orlando, Florida at the ESPN Wide World of Sports Complex. The 2017 MAAC Men's and Women's Golf Championships will be held at Disney's Magnolia Golf Course.

In the past several years, a number of the MAAC schools have also enjoyed success in NCAA Basketball Championships. MAAC schools have played in a total of 85 NIT games and 83 NCAA games. In 2015, Siena College's women's basketball team became the first MAAC women's basketball program to make it to a postseason championship game. The Saints advanced all the way to the title contest of the Women's Basketball Invitational (WBI) where Siena fell to Louisiana-Lafayette. In 2014, Siena men's basketball team claimed the league's first basketball postseason title in its history by winning the College Basketball Invitational (CBI) title. In 2013, the MAAC had a record six men's basketball programs participate in postseason play- Iona (NCAA

Championship), Niagara (NIT), Canisius, Fairfield, Loyola, and Rider (CIT). Canisius and Loyola both advanced to the Quarterfinal round, while Rider reached the second round. In 2012, the MAAC had two teams advance to the NCAA Division I Men's Basketball Championship for the first time in 16 years, with Loyola earning the league's automatic bid and Iona garnering an at-large bid. In 2007, the Marist women's basketball team advanced to the Sweet 16 before falling to the eventual National Champion, the University of Tennessee. The Red Foxes have recorded an additional five NCAA wins since their run in 2007.

The MAAC has also been a leader in the forefront of technology, expanding the notoriety of the league into cyberspace. In 2007, the league reached an agreement with JumpTV, Inc., now NeuLion, Inc., to design and host the MAAC web page. MAACSports.com has been a great success, providing fans with up-to-date contest results, live and on-demand video and an online merchandise store. The MAAC, in conjunction with NeuLion, launched an iPhone app in February 2011, followed by Android and iPad apps that were released during the 2011-12 academic year.

In September 2011, the conference announced the launch of MAAC.TV, the league's first broadband network. Eight schools - Canisius, Fairfield, Iona, Manhattan, Marist, Monmouth, Rider, and Saint Peter's - are currently part of the network, which broadcast over 400 live events in 2014-15.

In May 2014, the MAAC continued to grow its partnership with ESPN3 announcing the launch of the MAAC Branded ESPN3 Channel. All MAAC and school produced ESPN3 broadcasts are viewable as live or archived contents for all MAAC sports. During the 2014-15 season, the MAAC schools of Fairfield, Monmouth, Rider, and Siena broadcasted a total 49 combined school produced broadcasts. Canisius and Iona began school producing broadcasts along with the other four schools in 2015-16. The initiative increases the MAAC's long-term partnership with ESPN and is concurrent with the development of school based production facilities on many of the conference's member campuses.

The MAAC President for the 2016-2017 academic year is Dr. Brennan O'Donnell, the President of Manhattan College. The Vice-President is Gregory G. Dell'Omo, the President of Rider University. Commissioner Rich Ensor serves as the league's Secretary/Treasurer. Eugene Doris Director of Athletics at Fairfield University, will chair the Committee on Athletic Administration, and Traci Murphy, Senior Woman Administrator at Canisius College will serve as Vice Chair.

COMMISSIONER RICHARD J. ENSOR, ESQ.

Richard J. Ensor was named the third Commissioner of the Metro Atlantic Athletic Conference in August 1988. In the 28 years since his appointment, Ensor has provided leadership to the conference in a period of transition and growth in intercollegiate athletics and the MAAC. During his tenure the MAAC has secured a strong brand identity built on its mission of promoting excellence in academics and athletics and its core sport of basketball. The MAAC under Ensor has expanded the number of championships conducted and developed an extensive marketing program cemented with broadcast agreements with ESPN, a web paged hosted by NeuLion and partner championship venues such as the Times Union Center (Albany, NY), Naismith Memorial Basketball Hall of Fame and Disney Sports Attractions. During a time of tumultuous realignment within NCAA Division I conferences the MAAC remains a homogenous association of private institutions of similar size and funding, which are committed to

student-athlete success both on the playing fields and in the classroom. Ensor is a past member of the NCAA Division I Women's Basketball Committee and past president of the Collegiate Commissioners Association (CCA). He serves on the boards of the Sports Lawyers Association, WBCA, Philadelphia Sports Congress, NCAA MBOLLC and NACDA's IAAA ADs. In 2015 he began a four-year term on the NCAA DI Nominating Committee.

Under Ensor's direction, the MAAC has focused efforts to showcase its member institutions in its annual men's and women's basketball tournament. Since 1990 with the support of the MAAC Council of Presidents and the league's athletic administrators and coaches the MAAC has held its premier event in state of the art playing facilities such as the Times Union Center in Albany, NY, the Frist Niagara Center in Buffalo, NY, the Sun National Bank Center (Trenton, NJ) and the Webster Bank Arena in Bridgeport, CT. The 2017 championships will be hosted at the Times Union Center in Albany, NY where the MAAC has a hosting agreement with the TUC that runs through 2019.

Ensor has also been instrumental in the expansion of MAAC sports offerings. In 1992 the MAAC added women's soccer, in 1996 men's lacrosse, and in 1997 women's lacrosse, men's and women's indoor track and rowing. In 1998, the MAAC added outdoor track and field and women's golf, and in 2002-03 it added women's water polo. The league currently sponsors 25 sports and is awarded automatic or play-in bids to 14 NCAA championships [baseball, softball, tennis (m&w), men's golf, basketball (m&w), outdoor track (m&w), lacrosse (m&w), rowing (w), soccer (m&w) water polo (w), field hockey (w) and volleyball (w)]. Additionally, MAAC men's and women's cross country have access to the NCAA championship through a regional qualifier race. Over half the MAAC sponsored sports now have direct access to NCAA Championships for the first time in the history of the conference. (Up from 13 sports and two automatic bids in 1988.)

To award its fans, arena partners and membership, the MAAC during Ensor's tenure has been very aggressive in seeking out opportunities to host NCAA Championships in various sports. With member schools it has served as a co-host of the 1995, 2000, 2004, 2007, 2010 and 2014 NCAA Men's Basketball Tournament First and Second Rounds at the Times Union Center and the First Niagara Center (again the host for the 2017 1st and 2nd rounds), respectively, and the 2003 NCAA Men's Basketball East Regional at the Albany, NY arena and the 2003 NCAA Men's Frozen Four at the Buffalo venue. Additionally, the MAAC co-hosted the 1998, 2000, 2003, 2004, 2006, and 2014 NCAA Northeast Cross Country Regional at Van Cortlandt Park - Bronx, NY, where it will again co-host in 2016. In 2002, the MAAC was a co-host of the NCAA Division I Wrestling Championship at the Times Union Center, and it repeated as host in 2011 at the Wells Fargo Center in Philadelphia, PA. All the NCAA men's championships the MAAC has hosted with its arena partners have been sellouts. The MAAC co-hosted the NCAA Women's Basketball Tournament First and Second Rounds at the Sovereign Bank Arena in Trenton, NJ in 2006 and then hosted the Trenton Regional at the same site in 2009. The MAAC has since co-hosted the NCAA Women's Basketball Regional twice. In 2013 at the Webster Bank Arena in Bridgeport, CT with Fairfield University, and in 2015 for the first time at the Times Union Center in Albany, NY with Siena College where it will again host in 2018.

Ensor, who spearheads the league's branding and marketing efforts, has sought to tie the conference's strong academic image into its marketing campaign. The MAAC has carved a well-earned niche as an athletic conference that balances quality academics and athletics. In 2016 the MAAC was ranked in the top quartile of the 31 NCAA Division I conferences in the NCAA's Graduation Rate Success Report with 25 MAAC women's sports teams and 13 men's sports teams achieving a perfect APR score of 1,000. The marketing efforts have been timely, as it has highlighted the conference's continued rise in the basketball standings. Ensor has aggressively pushed the MAAC into internet-based marketing through its award winning web page, www.maacsports.com, and other technology driven initiatives such as the league's MAAC.TV.

In 2014 the MAAC announced a new sponsorship representation agreement

with ANC Sports Enterprises, LLC which is an industry leader in team and venue services, providing integrated signage, design, and marketing solutions for sports and commercial facilities. ANC maintains league-wide digital scoretable systems for the MAAC's member schools. In 2010, the MAAC announced a multi-year agreement with ESPN which includes 60 plus broadcasts annually on ESPN2, ESPN3 and ESPN3 including men's and women's basketball and championships from ESPN's Wide World of Sports Complex in Orlando. Most recently, the league has guided member schools launches of ESPN3 school production facilities that provide academic training for future broadcasters while expanding the broadcasting base for MAAC sports.

In 1998 the MAAC under Ensor's direction began a new marketing and championship initiative when it entered into a multi-year agreement with Disney Sports Attractions to host on a rotating basis at the Orlando, FL facility the conference's volleyball, men's soccer, men's & women's cross country and women's soccer championships. In 2000 the partnership was extended to the conference's annual men's and women's golf championship at Disney on its Magnolia and Palm courses. In 2006 the MAAC the partnership with Disney when it entered into a multi-year hosting agreement with ESPN to sponsor the Advocare Men's Basketball Classic in Orlando.

A 1975 graduate of Saint Peter's University, Ensor has served in many administrative capacities in college sports including positions at his alma mater, Saint Louis University and Seton Hall University. In 1982, Ensor holds a Master's degree in sports management with honors from the University of Massachusetts, Amherst. An attorney, Ensor graduated from Seton Hall University's School of Law in 1987 and was admitted to the New Jersey Bar in June of that year. He has taught as an Assistant Professor in Sport Management at UMass, where his concentration was on sports marketing and sports law.

Ensor is a member of many professional associations, including the American Bar Association. In addition, Ensor is a member of sport-related associations such as the Sports Lawyers Association, the New Jersey Bar Association Sports Law Committee, the American Bar Association, Forum on the Entertainment and Sports Industries, NACDA and the CAANJ. His community work includes current stints as a board member of the Mercer County Sports & Entertainment Commission and the Monsignor Donovan High School Leadership Advisory Committee. He has published in the areas of Sport Law, and Sport Marketing. In 1994 Ensor served as chair of the New Jersey Bar Association Sport Law Committee.

A member of the Collegiate Commissioner's Association (CCA), Ensor is a Past President (2007-09) of the association. Ensor has been very involved in NCAA governance since 1999 when he began a four-year term on the NCAA Division I Management Council, a segment of the new national governing system for the intercollegiate sports association. He currently is a member of the Council's Administration Committee. Ensor had previously served on the old NCAA Council and in January 1996, he served as Chair of the Division I-AA NCAA Convention/ Business Session. He previously served on the Division I Administration Cabinet and on the Championships Cabinet where he chaired the exempted events subcommittee. Ensor has also served on the NCAA Division IAA Governance Committee and on NCAA committees dealing with playing season exemptions, athletic certification, and the regulatory culture of the NCAA, governance restructuring and antitrust issues. Ensor was appointed in 1996 and 2003 to a one-year terms as the chair of the IAA commissioners.

In 2007 Ensor extended his involvement with national issues when he was appointed to a 5-year term on the NCAA Division I Women's Basketball Committee. The committee is charged with annually selecting teams, seeding, bracketing and operating the NCAA Women's Basketball Championship including the Final Four.

In 2015 Ensor the WBCA awarded Ensor its President's Award which is presented to an individual who the President of the WBCA believes has contributed a great deal to the game of women's basketball. In 2016 the WBCA again honored Ensor with its Administrator of the Year Award. Previously in 1999 he was presented a Distinguished Service Award from the Metropolitan Basketball Writers and in 1998 was inducted into the Saint Peter's University Hall of Fame. He also is a member of the Monsignor Donovan HS Hall of Fame. In 1996, the University of Massachusetts, Amherst Sport Management Program named Ensor as the recipient of the VanderZwaag Distinguished Alumnus Award. In 1989, the Association of Jesuit Colleges and Universities named Ensor as one of the "Leaders of Service" in its Bicentennial Series publication. In 1993, Ensor was honored by NACWA as a "Good Guy" for his efforts in regards to gender equity. In 2004 Ensor received a Mouscar from Walt Disney World for his efforts to make dreams happen for the MAAC's student-athletes participating in championships at ESPN Wide World of Sports.

Ensor and his wife Deirdre, who is a Registered Nurse, are the parents of Kaitlin, Brendan, Kiernan, and Colleen. They reside in Lanoka Harbor, NJ.

Proud Partner of the MAAC!

At Bob McCloskey Insurance, our most important role is that of an advocate for our customer. Providing you with the most appropriate coverage for the best price ensures that we "Got You Covered".

Since 1975 Bob McCloskey Insurance has specialized in providing a wide range of accident and general liability insurance solutions for:

- **Intercollegiate Sports**
- **Club and/or Intramural Sports**
- **Sports Camps**
- **Uninsured Student Athletic Insurance**

In addition to serving colleges & universities nationwide, we also offer fully insured and partially self-insured programs for private & public schools, camps & clinics, youth/amateur sports leagues and teams, and town recreation programs, CYO & PAL. Because we represent several "A" rated insurance carriers, our recommendation isn't limited to one company's procedures. Instead, we have great flexibility in designing coverage that best suits the needs of your program. Contact us today to discuss how we can help!
