THE DOUG GAMBLE CHARITY SHIELD

WERRINGTON ATHLETIC U16's

VS

PARKSIDE ATHLETIC U16's

FRIDAY 9TH SEPTEMBER 2016

KICK OFF 7:30PM

**YAXLEY FC, IN2ITIVE PARK, LEADING DROVE,
YAXLEY, PE7 3NA**

DEDICATION

The Charity Shield match is in memory of Doug Gamble who was the mainstay in the 1960's of starting up the league after a year's break with the help of the Peterborough Youth Service.

The league has gone forward from that day and has seen many players progress into senior football with some into the professional ranks.

Doug passed away in 2006 after being involved for 44 years until 2003 when he retired due to ill health as President of the league, which he had held for 22 years. His family are very proud that we have agreed to use his name for this event which we hope will be a great success and a great way to start each season off.

Your support of this match will be most appreciated by the Management Committee. We hope that this match is played in the spirit of the game and everybody applauds the teams for competing, with the game the winner, as Doug always liked to see the game played for enjoyment and not 'win at all cost'.

A message from the Chairman.

On behalf of all committee members and myself, I would like to extend a very warm welcome to the players, officials and spectators for the Doug Gamble Charity Shield invitation game.

As you may know, Doug Gamble devoted many hours of his life promoting youth football and was a founder member of the Youth League. Hopefully this will be an appropriate way of remembering Doug and what he achieved.

I hope you enjoy what should be an entertaining game played in a sporting manner.

I would like to thank all those who have made this game possible, including today's hosts who have kindly allowed us to use their facilities.

Yours in Sport.

A MESSAGE FROM THE PRESIDENT

Firstly, I would like to welcome you all here today for the Doug Gamble Charity match, to kick off the new season.

My first meeting with Dougie was in 1960 when I went to the local Boys Club at Walton. Playing football for the club of which he was a Manager was the first step to my future involvement into the administration side of football.

Dougie was a member of the then Peterborough & District Junior League and invited myself to join the Management Committee in 1967 when the name was changed to accommodate the Youth Service Clubs, hence the name change to the Peterborough & District Youth Football League, which still remains today. This was all thanks to the hard work behind the scenes of Dougie.

Dougie held many posts within the league during his 44 years' association with youth football. During the period from 1965 to 1978 he was Registration Secretary for 3 years, followed by 10 years as Secretary. During this time, he had served with 4 Chairmen, the one main Office he never held. He also received during this time his Life Membership for 15 years' service to the league. He stepped down from his Officer's role to be an active committee member, only to return once again, to take up the Secretary's role midway through season 1991 after the job became vacant. This showed his

dedication to the league in times of a crisis. He was elected to take over in 1981 the Presidency from Ted Poole who too was a long-standing member of the Committee. Dougie held this title until ill health made him retire from the position in 2003.

I have fond memories of Dougie and it was a privilege to have known him for so long, helping him to see young people playing and enjoying football.

We hope that we are richer for all of his efforts back in the 1960's when football at youth level was only played from 15 years of age and upwards. How times have changed in football since then.

Enjoy the evening and I hope the match is played in a good spirit.
