# WATER REPELLENT CUSHIONS

SUNS UNDERSTANDS IT IS IMPOSSIBLE TO STORE YOUR CUSHIONS DRY AND SAFE EVERY TIME A BIT OF RAIN FALLS OUT OF THE SKY. THEREFORE **ALL PRODUCTS FROM THE SUNS COLLECTIONS** ARE EQUIPPED WITH **WATER REPELLENT CUSHIONS**.

A close-up photograph of a dark, textured fabric surface, likely a cushion cover, covered with numerous water droplets of various sizes. The droplets are scattered across the fabric, with some larger, more prominent ones in the center and right side. The lighting is soft, highlighting the texture of the fabric and the glistening surfaces of the water droplets.
