5 REASONS TO CHOOSE THE ROCS TRAVEL TOURS

There are so many benefits to letting someone else take on all the details that come with having The Perfect Trip. More and more travellers choose to Go Guided with ROCS Travel;. Here is why they never look back.

THE ROCS TRAVEL STRESS FREE SERVICE

Ever wanted to travel the world but were not sure how? Putting together a comprehensive journey can be an overwhelming task given all the details with airlines, accommodations, transportation, meals, sightseeing and more. Leave behind the stress of planning and let ROCS Travel's innovative tours make your travel dreams come true.

THE ROCS TRAVEL CULTURE

Visiting a destination gives you a taste of the local culture. But imagine actually becoming part of that culture. Staying overnight in an authentic hotel in the Swazi Kingdom...feeling the fresh waters of the Niagara Falls... or rolling a dough with an Italian chef to make the perfect pizza. It's not just about all the iconic spots that will make for the best photos, it's about diving into another world with ROCS who have tried and tested it all so as to make sure that you are guaranteed the very best of memories.

THE ROCS TRAVEL TOUR MANAGERS

On Day 1 of your trip, you'll meet a friendly person who sure does know a lot about your tour and the destinations you're visiting. This highly skilled professional is your tour manager...and from the moment you meet this key player on your tour, you'll know you're in good hands. With their rich travel backgrounds, as well as their useful information about language, currency, and all things local, you can relax and enjoy the ride.

THE ROCS TRAVEL PRODUCT TEAM

Our product experts are probably on the road right now — scoping out the best of our worldwide destinations. They go, take it all in, and find the moments they love best. You just need to choose which itinerary best suits you. Their job is to make sure that your Guided Tour is extra social. They look after putting together a cast of characters: including your most ideal tour manager, a great driver, knowledgeable local guides and much more that goes on behind the scenes.

THE ROCS TRAVEL DIFFERENCE

Look Beyond The List Price. On the surface, tours from various operators may appear the same. The price may appear to be better. Yet make a careful measure of the inclusions vs. options. A low "starting at" rate does not always make for up good tour. You may spend much more money in the long run when your account for all the extras that we at ROCS consider to be part of the experience.

A competitor's advertised price indicates land and air, but customarily excludes extras. A ROCS Travel Tour generally includes all tours and daily experience from morning to evening, we have noted that other tours generally do not.

Our advertised price includes all necessary inclusions, so that you will not be surprised with additional charges when it's time to check out.

Northern Sicily Splendors

DAY 1 - MALTA - PALERMO - MONDELLO

Meet the tour manager at Malta International for your flight to Palermo. Drive to Mondello which is more than just a beach resort, it's an education in Sicilian custom, rituals and adolescent bonding. The road which curves behind the beach makes a pleasant stroll. Up at the far end of the bay, the 'centre' of the town, a waterfront piazza rather blighted by advertising boards for eateries, is useful for eating and shopping. The most historic sight is the old stone watchtower which predates the beach resort. It's worth wandering up as far as the harbour, though, where small fishing boats bob up and down and old men fish from the jetty. The symbol of Mondello is the striking Art Nouveau building on a pier in the middle of the bay, the Charleston. Dating back to the more elegant heyday of the resort, this has been restored and sits in yellow glory over the blue waters of the bay. Transfer to your 4*hotel for check in.

DAY 2 - MONREALE - PALERMO

Breakfast and today we will start our tour by driving to Monreale where one can see the magnificent Norman Duomo with the imposing "Cristo Pantocratore". This church is covered with mosaics with scenes from the Old Testament. Drive to Palermo with a visit to the Palazzo dei Normanni (entrance fee not included). From here one can follow on foot Via Vittorio Emanuele towards Via Maqueda. Visit the Cathedral which dates back to 1184, I Quattro Canti, The church of St Joseph dei Teatini and Piazza Pretoria. Further down on Via Vittorio Emanuele one can stroll along 'Via Roma' which is famous for its shops, Teatro Massimo and the Politeama Garibaldi theatre.

DAY 3 - NATIONAL PARK MADONIE MOUNTAINS - GIBILMANNA - GRATTERI - CASTELBUONO

Breakfast and the tour today will lead you to the National Park of the Madonie Mountains. First stop will be at Gibilmanna, which means 'gibil' a mountain of manna.

The name Manna comes from a sweetish substance that is collected from local Mountain Ash trees in late summer. Here we visit the Sanctuary and the Baroque Chapel of the Virgin Mary. Later drive to Gratteri which is a typical laid back Sicilian village. It is surrounded by beautiful pine, oaks woods and sites such as Pizzo Dipilo. The city boasts areas of historical importance to Sicily. Although probably founded by the Romans, as a coin discovered at the area seems to confirm, the town design betrays clear Arab-Medieval features. Here we stop for a Sicilian typical lunch(not included). Proceed to Castelbuono, famous for the old Castel built by the Ventimiglia family, and the famous chapel of St Anna inside. St Anna is patron saint of Castelbuono (entrance fee to the Castel not included). Later walk in the picturesque streets and taste of some typical pastries and manna.

DAY 4 - CEFALU - FORUM SHOPPING MALL

After breakfast proceed for an orientational tour of Cefalu which is notable for beautiful sunsets, unpretentious charm, and a very appealing blend of ingredients for an Italian seaside holiday. Sandy beaches, a picturesque historic town on a rocky headland, some high culture in the shape of a fine Norman Cathedral, decent transport links, Sicilian food and sunshine all add up to make the town one of Italy's most attractive seaside destinations.

Unlike the modern beach resorts and developed fishing villages which dot Italy's coast, Cefalu has some grandeur in its past, it was important enough that one of Sicily's Norman rulers, Roger II, would build a glorious cathedral here. While its later history was less distinguished, there are some substantial and elegant buildings in the town, as well as reminders of Sicily's varied influences, not just Norman and Byzantine, but also Arab, Spanish and finally Italian. Drive to Forum Shopping Mall.

A stunning state-of-the art architecture, iconic design and over 120 shops Forum-Palermo offers a truly unique shopping experience.

Add 2400 parking spaces, kids play centre and there's even a cinema to complete your perfect day out. Clothes, accessories, shoes, sports wear, underwear, electronic products, but also treatments such as nails, make-up, facials and solarium can be all found under one roof.

Wherever you are in Forum Palermo, you are never too far from somewhere to sit, drink or eat. There is a good range of cafes (sip your espresso at Segafredo or Lavazza),bars, pizzerias, fast food places(try Old Wild West) and restaurants (Rossopomodoro and Rossosapone serve up authentic Neapolitan cuisine) giving you plenty of options when you are looking to drop your bags and take a load off.

Join Ira to Sweden for the Eurovision Song Contest 2016

Fabulous Eurovision Packages with accommodation at the unique 4* Winery Hotel in the centre Stockholm inclusive of Semi Final tickets now available from ROCS Travel

Join ROCS Travel this year and watch Ira participate with her winning song in Stockholm.

Stay at the fabulous Winery Hotel. Sweden's first combined urban winery and boutique hotel. Featuring our own in-house wine production, we offer a fresh take on accommodation, meeting and dining - with a love of fine wine at its heart. A truly fine opportunity and a wonderful package to take up. The hotel is an experience in itself, let alone during Eurovision time. Apart from the fabulous atmosphere that the hotel offers, the hotel is simply a 10 minute drive to the very heart of the city and the same approx. hence a minute drive to the venue.

A HOTEL. A WINERY. AN EXPERIENCE.

Creating wine is an art. In the hotel's winery, guests are invited to follow the freshly-picked grapes' journey from barrel to bottle. We want to give you a unique opportunity to learn about the art of winemaking, wine tasting and other ways of experiencing the world of wine.

Using some of Italy's most well-known grapes, some harvested in Terreno, Tuscany, The Winery Hotel will be producing 8,000 bottles of wine per year. Oenologist Luca Rettondini - also a winemaker at the famous vineyard Le Macchiole in Bolgheri, Tuscany - will be overseeing the production process.

Thanks to our wine expertise, we can ensure a first-class wine production. Our ambition is to produce high-quality, beautiful and pure wines while allowing our guests to follow the whole production process. The wine can then be enjoyed in the Vinoteque, Winery Kitchen, Terreno Deli and the hotel's rooftop bar.

We welcome you to experience the craftsmanship behind a bottle of wine!

CRUISES

What to look forward to...

FRENCH CUISINE, EUROPEAN FLAIR

We carefully design and plan our cuisine and menus in the exacting tradition of fine French gastronomy. Each meal on your cruise will give you a delightful experience of French haute cuisine. Our chefs have worked alongside such Michelin-starred greats as Paul Bocuse and Marc Haerberlin; CroisiEurope's head chef, Alain Bohn, was recently nominated as a member of the *Maitres Cuisiniers de France*. This esteemed French association, created 50 years ago, includes only 250 chefs worldwide.

JUST SIT DOWN AND LET US TAKE CARE OF YOU

Lunch and dinner will be 3-course sit down meals prepared by our chefs. We serve a fixed menu of local specialties, prepared on a daily basis from fresh ingredients. Both lunch and dinner meals are paired with excellent complimentary wines. We do provide meals for people with food allergies or special dietary needs.

BUFFET BREAKFAST

Your day will start with an impressive self-serve buffet breakfast in the onboard restaurant, which may include pastries, coffee, tea, juice, breads, jams and jellies, a variety of sausages and cold cuts, eggs, fresh fruit, and yogurt.

A SELECTION OF DISTINCTIVE WINES

On all high season cruises, we provide free beverages with every meal, including mineral water, fruit juice, tea, coffee, beer and a large selection of house wine. Drinks served at the bar are included in the full price of some cruises as well (excluding specific wines or Champagne on the wine list).

Holland and Belgium River Cruise

Flourishing with Art and Diamonds

DAY 1 - MALTA - AMSTERDAM

Meet your tour manager at Malta International Airport for your flight to Amsterdam. Upon arrival transfer to the 4* hotel.

DAY 2 - AMSTERDAM

Breakfast and time at leisure. Transfer to River Cruise where you will board your 4 night cruise. After comfortably settling into your cabins, we'll introduce our crew at a welcome cocktail. We'll have dinner, and then set off on an optional boat tour of Amsterdam by night. We'll remain in port overnight.

Meals: Breakfast, Dinner.

DAY 3 - AMSTERDAM

Join an optional guided tour of Amsterdam and a visit to a diamond merchant. The city has been a major diamond center since the late 16th century, and since then it has been known as the City of Diamonds. In the afternoon, we'll enjoy an optional visit to the Van Gogh Museum which houses the largest collection of works by Vincent van Gogh, including more than 200 paintings, 500 drawings and 700 of his letters. It also has a few works by other renowned artists such as Paul Gauguin and Claude Monet. Enjoy a free evening or discover the famous Red Light District through an optional tour to be booked and paid on board. Although the famous neighborhood leaves nothing to the imagination, it's also one of the oldest and most beautiful parts of the city.

Meals: Breakfast, Lunch, Dinner.

DAY 4 - AMSTERDAM - ROTTERDAM

We'll spend the morning cruising towards Utrecht and arrive by midday. In the afternoon, join us for an optional visit of Delft and Rotterdam. Delft is a charming city dating back to the 13th century and is world-renowned for its blue and white Delft pottery. We'll be able to admire the centuries-old techniques of this imitation porcelain. We'll then visit Rotterdam, a city dominated by modern architecture. While enjoying our tour, the ship will cruise to Rotterdam, where we will board at the end of the afternoon. This evening the entertainment will be presented by the crew.

Meals: Breakfast, Lunch, Dinner.

DAY 5 - ROTTERDAM - ANTWERP

We'll start our day with an early morning start cruising towards Antwerp. We'll sail past Dordrecht and enter the Holland Diep — crossing through the Volkerak and Kreekak locks. After crossing the Dutch-Belgian border, we'll continue up the Scheldt River to Antwerp, the second largest harbour in the world after Rotterdam. In the afternoon, we'll set out on an optional guided visit of Antwerp and its impressive Gothic cathedral. We'll also visit a diamond merchant in this diamond shopper's paradise. Over five centuries, Antwerp was the commercial heart of Europe and approximately 40% of world trade passed through its ports. The diamond industry naturally grew out of this favored position. This will be our festive gala evening. We'll remain in port overnight.

Meals: Breakfast, Lunch, Dinner.

DAY 6 - ANTWERP

ROCS TRAVEL GUARANTEE

Look Beyond The List Price. On the surface, tours from various operators may appear the same. Make a careful measure of the inclusions vs. options. A low "starting at" rate does not always make for a good tour. A competitor's advertised price indicates land and air, but customarily excludes additional fees such as taxes, facilities charges, customs fees, fuel surcharges and credit card fees. ROCS Travel's long-promises that our advertised price includes all necessary fees.
