MINUTES VOL. 8

25/1/1910 - 8/1/1918

INDEX

Mistakes in Minutes are not necessarily corrected, but several ascriptions, now altered, are cross referenced

While first headings are in alphabetical order (but with precedence to artists' works, as such), some later references are set out chronologically.

Ascriptions to items that have been declined are under "Offers declined" and names of people whose offers have been declined under "Offers declined from".

Persons merely acting for departments or principals are mostly omitted; local movements of pictures are not recorded. The lower staff comes under "Attendants", "Clerks", "Maids" etc.

What applies specially to the Tate Gallery is generally labelled as such.
