# Feeling under the weather?

See a doctor from the comfort of home

If you or a covered family member is not feeling well and doesn't require emergency care, telemedicine, delivered by Doctor On Demand, lets you video visit with a U.S. board-certified physician in minutes using a smartphone, tablet, or computer.

## With Doctor On Demand, you can:

-  Video visit with a physician from one of Doctor On Demand's U.S. board-certified doctors
-  Immediately video visit with a doctor 24 hours a day, 7 days a week from any location
-  Your primary care physician can access your telemedicine visit at your request
-  If medically necessary, a Doctor On Demand can send a prescription to a preferred pharmacy

*Based on your Humana medical plan, your copayment may actually be less than \$40.*

# Unlock Activities.

Watch your success lead to your wellbeing.

Go365 is for anyone, at any stage... no matter what shape you're in or how hard you work out. Go365 knows what it takes to motivate and reward you to make healthier choices for life.

<b>Activities</b>	These are simple things you can do every day to get healthier. Tracking your steps, getting a flu shot, going for a bike ride – these are easy ways to keep moving forward with Go365.
<b>Recommended Activities</b>	Once you complete your Health Assessment, you'll get personalized Activities based on your responses. Because Recommended Activities are created just for you, they can have a big impact on your overall health. Plus, you earn more Points for each one you complete.
<b>Go365 Kids*</b>	Kids can earn Points when they do “kid” things, like playing on a soccer or baseball team. When you do things that are good for their health, like keeping up with their immunizations and getting a dental check-up, your kids earn more Points.
<b>Challenges</b>	Earn Points by going head-to-head against your friends and co-workers and compete for the most steps taken or pounds lost.

## Have some healthy fun.

Getting healthier is a lot more fun with Go365. Earn Bucks you can use in the Go365 Mall for e-giftcards from Amazon.com, Target, Lowes and Spafinder, the latest activity trackers from Garmin and Fitbit, and more. Plus, you could win a prize in our monthly Jackpot drawings or get a surprise reward.

Children (up to 18 years old) in a Go365 program can earn Points for two qualifying sports league activities and four athletic events, like baseball or swimming, per program year. Each sport season qualifies as a single sports league. Minimum number of games or matches is eight.

#### Sports league

100 up to 200/program year

#### Athletic events

50 up to 200/program year

#### Fitness category maximum

400 Points per child

1,000 maximum total Points may be earned per program year per child. Up to 500 maximum preventive Activity Points may be earned per program year per child. Preventive Activities include: dental exam, vision exam, preventive care visit and immunizations.

We are committed to helping you achieve your best health. Rewards for participating in Go365 are available to all members. If you think you might be unable to meet a standard for a Go365 reward, you might qualify for an opportunity to earn the same reward by different means. Sign in to your Go365.com account and visit the Communication center to send us a secure message and we will work with you (and, if you wish, with your healthcare practitioner) to develop another way to qualify for the reward. Go365 Kids is not available to all Go365 programs. Check with your Employer or Benefits Administrator to check your eligibility.

## Athletic Events

If your children participate in events like running, walking, cycling or swimming, they can earn Points that contribute to your family’s overall Point total and Status.

<sup>4</sup> Lens option costs may vary by provider. Members may contact their participating provider to determine if listed costs are available.

<sup>5</sup> Plan covers contact lenses or frames, but not both.

## Additional plan discounts

- Member may receive a 20% discount on items not covered by the plan at network Providers. Members may contact their participating provider to determine what costs or discounts are available. Discount does not apply to EyeMed Provider's professional services, or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. Services or materials provided by any other group benefit plan providing vision care may not be covered. Certain brand name Vision Materials may not be eligible for a discount if the manufacturer imposes a no-discount practice. Frame, Lens, & Lens Option discounts apply only when purchasing a complete pair of eyeglasses. If purchased separately, members receive 20% off the retail price.
- Members may also receive 15% off retail price or 5% off promotional price for LASIK or PRK from the US Laser Network, owned and operated by LCA Vision. Since LASIK or PRK vision correction is an elective procedure, performed by specialty trained providers, this discount may not always be available from a provider in your immediate location.

# Health Plan Notices

## 2017 Annual Health Plan Notices

### **Women's Health and Cancer Rights Act of 1998**

Did you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy – related services, including reconstruction and surgery to achieve symmetry between the breasts, prosthesis, and complications resulting from a mastectomy (including lymphedema). Please call your plan administrator for more information.

### **The Genetic Information Nondiscrimination Act (GINA)**

The Genetic Information Nondiscrimination Act of 2008, also referred to as GINA, is a new federal law that protects Americans from being treated unfairly because of differences in their DNA that may affect their health. The new law prevents discrimination from health insurers and employers. The President signed the act into federal law on May 21, 2008. The parts of the law relating to health insurers will take effect by May 2009, and those relating to employers will take effect by November 2009.

### **Who needs protection from genetic discrimination?**

Everyone should care about the potential for genetic discrimination. Every person has dozens of DNA differences that could increase or decrease his or her chance of getting a disease such as diabetes, heart disease, cancer or Alzheimer's. It's important to remember that these DNA differences don't always mean someone will develop a disease, just that the risk to get the disease may be greater.

More and more tests are being developed to find DNA differences that affect our health. These tests (called genetic tests) will become a routine part of health care in the future. Health care providers will use information about each person's DNA to develop more individualized ways of detecting, treating and preventing disease. But unless this DNA information is protected, it could be used to discriminate against people.

### **Why was the law needed?**

The law was needed to help ease concerns about discrimination that might keep some people from getting genetic tests that could benefit their health. The law also enables people to take part in research studies without fear that their DNA information might be used against them in health insurance or the workplace.

### **Newborn's Act Disclosure**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay with connection to childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother and her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### **HIPAA Notice of Privacy Practices**

This rule required health plans to send participants an initial notice of privacy practices and then reminders must be given once every three years. This memo is a reminder that if you would like to see or obtain another copy of the health plan's HIPAA Privacy Notice, please contact your HR Department.

## Michelle's Law

### NOTICE OF EXTENDED COVERAGE TO PARTICIPANTS COVERED UNDER A GROUP HEALTH PLAN

Federal legislation known as "Michelle's Law" generally extends eligibility for group health benefit plan coverage to a dependent child who is enrolled in an institution of higher education at the beginning of a medically necessary leave of absence if the leave normally would cause the dependent child to lose eligibility for coverage under the plan due to loss of student status. The extension of eligibility protects eligibility of a sick or injured dependent child for up to one year.

The Plan currently permits an employee to continue a child's coverage if that child is enrolled at an accredited institution of learning on a full-time basis, with full-time defined by the accredited institution's registration and/or attendance policies. Michelle's Law requires the Plan to allow extended eligibility in some cases for a dependent child who would lose eligibility for Plan coverage due to loss of full-time student status.

There are two definitions that are important for purposes of determining whether the Michelle's Law extension of eligibility applies to a particular child:

- *Dependent child* means a child of a plan participant who is eligible under the terms of a group health benefit plan based on his or her student status and who was enrolled at a post-secondary educational institution immediately before the first day of a medically necessary leave of absence.
- *Medically necessary leave of absence* means a leave of absence or any other change in enrollment:
  - of a dependent child from a post-secondary educational institution that begins while the child is suffering from a serious illness or injury
  - which is medically necessary
  - and which causes the dependent child to lose student status under the terms of the Plan

For the Michelle's Law extension of eligibility to apply, a dependent child's treating physician must provide written certification of medical necessity (i.e., certification that the dependent child suffers from a serious illness or injury that necessitates the leave of absence or other enrollment change that would otherwise cause loss of eligibility).

If a dependent child qualifies for the Michelle's Law extension of eligibility, the Plan will treat the dependent child as eligible for coverage until the earlier of:

- One year after the first day of the leave of absence
- The date that Plan coverage would otherwise terminate (for reasons other than failure to be a full-time student)

A dependent child on a medically necessary leave of absence is entitled to receive the same Plan benefits as other dependent children covered under the Plan. Further, any change to Plan coverage that occurs during the Michelle's Law extension of eligibility will apply to the dependent child to the same extent as it applies to other dependent children covered under the Plan.

### Patient Protection Model Disclosure

Medical plans generally allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept new members. For children, a pediatrician can be selected as the primary care provider.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2014. Contact your State for more information on eligibility –**

## **Important Notice from Melissa J. Davey Standing Chapter 13 About Your Prescription Drug Coverage and Medicare**

**Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Melissa J. Davey Standing Chapter 13 and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.**

**There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:**

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Melissa J. Davey Standing Chapter 13 has determined that the prescription drug coverage offered by the Group Health Plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

---

### **When Can You Join A Medicare Drug Plan?**

**You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> through December 7<sup>th</sup>.**

**However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.**

## **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Melissa J. Davey Standing Chapter 13 coverage may be affected.

If you do decide to join a Medicare drug plan and drop your current Melissa J. Davey Standing Chapter 13 coverage, be aware that you and your dependents may not be able to get this coverage back.

## **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with Melissa J. Davey Standing Chapter 13 and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## **For More Information about This Notice or Your Current Prescription Drug Coverage...**

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Melissa J. Davey Standing Chapter 13 changes. You also may request a copy of this notice at any time.

## **For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 1-31-2017)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact [Julie Cowan](#).

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Melissa J. Davey, Standing Chapter 13 Bankruptcy Trustee		4. Employer Identification Number (EIN) 043720880	
5. Employer address 260 Peachtree Street, NW, Suite 200		6. Employer phone number 678-510-1444	
7. City Atlanta	8. State GA	9. ZIP code 30303	
10. Who can we contact about employee health coverage at this job? Julie Cowan			
11. Phone number (if different from above)		12. Email address jcowan@13trusteeatlanta.com	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

All employees. Eligible employees are:  
Full-time employees who work a minimum of 30 hours per week

Some employees. Eligible employees are:

- With respect to dependents:

We do offer coverage. Eligible dependents are:  
\*Legal spouses

\*Children up to age 26 to include: natural born children, step children, legally adopted children; grandchildren if employee has court ordered power of attorney. Handicapped dependent children are also eligible beyond age 26

We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.

13. **Is the employee currently eligible for coverage offered by this employer, or will the employee be eligible in the next 3 months?**

**Yes** (Continue)

\* An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)

## Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends and you fulfill other special enrollment requirements. (These requirements are set out in your Certificate of Coverage)

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

There is an additional enrollment period if an employee or dependent loses eligibility for Children's Health Insurance Program (CHIP), Medicaid or becomes eligible for CHIP for Medicaid premium assistance. The special enrollment allows children or their parents to have 60 days, rather than 30, to request enrollment.

Also, your health plan may not establish rules for eligibility (including continued eligibility) of an individual to enroll under the terms of the plan based on a health status-related factor.

### **Complete If You Are Declining Coverage For Yourself Or Any Dependent:**

If you are declining coverage for yourself or for any of your eligible dependents, you must complete the following information if you want to preserve your rights of Special Enrollment as explained above. If you decline coverage for yourself, the reason is:

- I have other coverage**                       **Another reason**

If you decline coverage for one or more eligible dependents, please give the dependent's name below and indicate the reason coverage is declined.
