YOUR SERVICING COMPANIES

Now that you're a member of Villa Preferred Access Club, you'll be delighted to know you're in good hands with a whole team of individuals who are at your service and ready to help make your vacation planning a breeze. The organizations that collaborate on a daily basis to bring you the ultimate in hospitality services are **The Villa Group**, **UVC International** and **ResortCom International**. Let's take a moment to get you acquainted with the roles of each company.

The Villa Group is the developer that builds and owns the Villa Group family of resorts. Since 1983 they've been building luxury vacation destinations in Mexico and currently boast a portfolio of eight properties in five of Mexico's top rated beach destinations.

UVC International (UVCI) is the umbrella organization that oversees the various Resort Clubs (member associations) associated with the affiliated Villa Group Resorts. UVCI is responsible for management of the Clubs' rules, regulations & bylaws, member communications, and servicing our member base. UVCI also oversees the offsite servicing company that handles the bulk of member servicing, reservations and billing.

ResortCom is the servicing company that UVC International has contracted for "off site" functions such as reservations, maintenance fees, loan payments, member services, travel services, and the rental program.

THE VILLA GROUP

When you bought into Villa Preferred Access Club, you gained access to the Villa Group family of resorts. Following is a summary of each resort and its unique qualities. Whichever destination you decide is right for your next vacation, each Villa Group resort will offer you the opportunity to laze by a pool, walk miles of golden beach, or take part in an

Featuring an inviting courtyard with a swimming pool and tropical gardens, the resort offers all the amenities of deluxe accommodations combined with the irresistible allure of quaint shops and restaurants in a quiet and captivating setting.

VILLA DEL PALMAR PUERTO VALLARTA

Villa Del Palmar Puerto Vallarta, adjacent to Villa Del Mar, sits nestled on a beautiful tropical beach. A central atrium rises dramatically to a skylight above and Vallarta's glorious sunshine pours down upon eight stories of cascading bougainvillea. The soothing sounds of songbirds in the lush gardens and flowing fountain waters combined with the fragrance of tropical flowers sets the scene for a marvelous night of romance. The architecture, with gently curving arches, traditional tile in harmonious colors and textures, creates an inviting ambiance.

VILLA DEL PALMAR FLAMINGOS RIVIERA NAYARIT

A favorite among members since it opened in 2004, Flamingos provides the ultimate in guest comfort. An expansive swimming pool extends the entire length of the resort, from the Lobby building to the beachfront restaurant and pool-bar below. The pool features wheelchair access, large play area, shallow section for tanning, swimming and exercise areas, waterfalls, water spouts, and arching fountains. This is one pool that everyone will enjoy! With the quaint town of Bucerias to the north, and the lively city of Puerto Vallarta to the south, whatever you are looking for, there is no better place to be!

VILLA DEL PALMAR CABO SAN LUCAS

Soak up “South of the Border” comfort at our family-friendly property with an emphasis on entertainment. You can’t help but smile the minute you see our Willy the Whale water slide. On any given day, you might see a crowd partaking in aqua-aerobics, water volleyball, or simply relaxing in the pool. In addition, the resort hosts a large variety of on-site activities including scuba diving, cooking lessons and theme nights featuring mariachi music, talent shows and more. The property also boasts beachfront access to powdery sand and gorgeous views of the turquoise surf and famous rock formation, El Arco. Thanks to its prime location near downtown Cabo San Lucas, the range of amenities and activities mean your options are limitless.

VILLA DEL ARCO CABO SAN LUCAS

A perfect tropical paradise, flanked by meticulously groomed, white sand beaches with the warm blue Sea of Cortez lapping at your toes is waiting for you. Villa del Arco is a deluxe, five-star, beach front resort where you will receive the royal treatment that you deserve. Experienced professional staff will wait on you and cater to your every whim. Visualize yourself in an upscale setting with world class amenities, overlooking the beautiful Cabo San Lucas Arch “El Arco,” yet only a short walk away from downtown Los Cabos and great nightlife. Dramatic pools, luxurious accommodations, delectable creations served in our restaurants and a grand European Spa make this an exclusive getaway.

VILLA DEL PALMAR AT THE ISLANDS OF LORÉTO

Located in one of the country's most magical settings, it's like nothing you've ever seen. This unique locale is like taking a time machine back to Old Mexico. Loréto is known for its quiet beaches, scenic vistas, rich history and astounding natural habitats. It's in this setting that you'll find the beautiful Villa del Palmar at the Islands of Loréto resort; a perfect complement to that majestic landscape. On the perfectly manicured grounds, various pools come together to form a unique turtle-shaped pool of aqua-blue shimmering waters. The world-class Sabila Spa at this resort features products and services that have been specifically developed for restorative and nutritive powers and for the serenity and enjoyment they offer. Here, you'll experience the kind of vacation that completely recharges and calms you.

VILLA DEL PALMAR CANCÚN

You will not believe your eyes when you see the Villa del Palmar Cancun resort for the first time! The developers have spared no expense to create a sumptuous environment of luxury and comfort that will envelope you the moment you step through the door. There are five pools, which include the main pool, shaped like the Villa Group logo flower, and four Jacuzzis located around the pool and deck areas. On the beach, you can relax on luxurious beach beds or visit the Tiki Bar and sway on a real swing while you sip your drink and feel the breeze. The Village Spa offers the ultimate in relaxing spa treatments in a beautiful and unique tropical indoor/outdoor environment.

MEMBER BENEFITS

EXCHANGE COMPANY – INTERVAL INTERNATIONAL

To exchange your time for a vacation at another resort around the world, see the exchange company's directory of resorts at www.intervalworld.com for locations and exchange information. Make your initial reservation by calling Member Services at 855-207-2028, and please let the Member Services Agent know you desire to make an exchange.

REFERRAL PROGRAM

Be a hero! When you refer your friends and family to Villa Preferred Access Club, you're inviting them to join you in a lifetime of vacation adventures and wonderful memories. But did you know you reap the rewards of a referral as well? The Club offers different referral programs that pay off big-time. They vary from year to year, but range from receiving a scratch-off lotto ticket for the chance to win exciting prizes, to being entered in a referral drawing for the chance to win a dream vacation. Past lucky winners were treated to vacations as lavish as a Mediterranean cruise. For additional information on the referral program call 800-676-9394 or visit www.myuvci.com.

PRE-ARRIVAL CONCIERGE SERVICES

Our Personal Concierge team will help you create the vacation of your dreams, every time you visit one of the Villa Group resorts. In the months leading up to your travel dates you will be contacted by a Personal concierge who will become your go-to resource for arranging your transportation to the resort, booking your all-inclusive meal plans and spa services in advance and providing recommendations for restaurants and activities. Your Personal Concierge will confirm that your reservations are in order so you can relax and look forward to your worry-free vacation.

MEMBER RENTAL PROGRAM

You purchased your timeshare for vacationing and for the opportunity to enjoy special moments with family and friends. However, we know that vacations are not always possible and if you need to place your vacation week for rental, Villa Preferred Access Club has contracted with the Member Rental Program to assist you. The Member Rental Program should be your last choice. This member rental program has been designed as your last “non-vacation” option. It has been designed to assist you with partially offsetting your maintenance fee expense. This is not a “get rich quick” program, but rather a service provided to avoid any vacation week from going unused.

The application process is simple:

The first of October of every year, a link is posted on the Member Rental page of www.myuvci.com

- Once you click on this link, you will be presented with a blank rental contract which you must complete, sign and submit electronically.
- You will receive a copy of the completed application via return email. This will serve as your confirmation that your application has been received.
- Member Rental Program closes as soon as all rental slots are filled.
- After all applications have been received, notifications will go out via email regarding the status of your application (whether your week was accepted into the following year’s program or not).

MAINTENANCE FEES

Your Club relies on the timely payment of maintenance assessments by all Members. As stated in the Club's Rules and Regulations, the obligation to pay maintenance assessments shall be the personal obligation of each Member at the time the maintenance assessments become due and payable, and is not dependent on your use of the property.

THE MAINTENANCE ASSESSMENT IS USED FOR THE FOLLOWING ACTIVITIES:

Operating Fund – In addition to property management, your operating funds provide for on-site Club activities and services, off-site operations that include reservations, reservation systems, hardware and software technologies, maintenance billing, customer service, member communications, general and administrative expenses, legal and accounting fees.

Reserve Expenditures – This money will be going to maintain and improve all of the individual Villa Group properties according to what you own. You will see improvements in different areas every time you come to visit us.

OPTIONAL PROGRAMS

There are two optional programs included on your maintenance fee assessment to which members may contribute: **On Call Travel Protection Program** and **Eagle's Wings Foundation**.

On Call Travel Protection

Accidents happen! Traveling can be fun and exciting, but when you are far away from home, handling an emergency can be overwhelming. ResortCom has partnered with On Call International to provide medical and travel assistance when you need it most.

The On Call Travel Protection Program provides emergency air evacuation services from Mexico or any other foreign destination to the United States in case of catastrophic injury to either you or your family while on your vacation or exchange and other very valuable medical travel services.

You have the ability to earn a 10% discount by purchasing the insurance program at the time of your maintenance fee payment. For Villa Preferred Access members: the standard version of this program is already included as part of your membership. Villa Preferred Access members may upgrade to the full insurance program for only \$15 at the time you pay your maintenance fee. Call your Maintenance Fees and Loans Department at 1-855-207-2028 for more information.

Eagle's Wings Foundation

Eagle's Wings is a private Foundation created over ten years ago by the Villa Group and former Club Board member Jim McCarthy. This organization seeks to improve the quality of life in Puerto Vallarta, Cabo San Lucas and Cancun for the less fortunate by providing monetary and organizational support to institutions such as orphanages, free medical clinics and school-building projects. The foundation appreciates your donations and continued support. To make a donation visit www.eagles-wings-foundation.org.
