# GROUND GRADING - STEP 7

## Notices

Clubs are reminded it is their responsibility to ensure they meet the relevant FA Ground Grading criteria at all times. They may be accessed by checking The FA grass roots website and following the link to <http://www.thefa.com/my-football/club-leagues/ground-grading>

### 1. GROUND

#### 1.1 Security of Tenure

Where a club does not own the freehold of their ground then evidence of adequate security of tenure must be provided.

#### 1.2 Ground Share

Ground sharing would be at the discretion of each league within the National League System, taking into account local circumstances. Where ground sharing is permitted the club must have sole control over and use of facilities on match days.

Ground sharing must not be allowed in order for a club to gain promotion.

#### 1.3 Capacity

There is no stated ground capacity.

#### 1.4 Boundary of Ground

There is no requirement for a ground to be enclosed in any way.

#### 1.5 Clubhouse

A clubhouse facility, whilst being desirable, is not compulsory.

If a clubhouse facility exists either on or adjacent to the ground, this should be open on match days to provide refreshments to spectators.

#### 1.6 Car Parking

There should be adequate car parking facilities on or adjacent to the ground.

#### 1.7 Pitch Perimeter Barrier

As a minimum, there must be post and rope surrounding the pitch on all those sides that may be occupied by spectators.

The barrier, if other than solid wall type of construction may be infilled. Advertising boards may be acceptable as a means of infill.

Ideally, there should be a minimum of 1.83 metres, ideally 2 metres between the touchline, goal line and the pitch perimeter barrier.

#### 1.8 Pitch Standards

The playing surface will be grass, unless otherwise authorised by the respective League Rules and must be of an acceptable standard. It must be free from surface depressions and excessive undulations.

The maximum slope allowable shall not exceed an even gradient of vertical to horizontal 1 : 41 in any direction.

#### 1.9 Playing Area

The playing area is to be in accordance with the requirements of the Laws of the Game. Law 1 states that the length of the touchline must be greater than the length of the goal line.

Length	-	Minimum 90 m (100 yds)	Maximum 120 m (130 yds)
Width	-	Minimum 45 m (50 yds)	Maximum 90 m (100 yds)

It should be noted that at Grade H the playing area must be a minimum of 100 metres x 64 metres.

Goal posts and goal net supports should be of professional manufacture and conform to the current safety requirements and to the requirements of the Laws of the Game.

Reference should be made to the Goalpost Safety Information booklet published by The Football Association.

# GROUND GRADING - STEP 7 continued

## 1.10 Technical Area

Portable trainers' boxes are permitted and must be securely fixed when in use.

It is desirable for a Technical Area to be marked out in accordance with the guidance contained in the 'Laws of the Game' booklet.

## 1.11 Secure Walkway

A secure walkway is not a requirement.

## 1.12 Floodlighting

Floodlighting is not compulsory at this Grade.

However, where it is provided it must be to an average lux reading of 120. No single reading can be less than one quarter of the highest reading so as to ensure an even spread of light.

Reading shall be on a grid of 88 markings (8 across, 11 down) evenly spaced with the outside readings falling on the pitch boundary line. The average of all the readings is taken to be the average illumination level in lux of the floodlighting installation.

The lux values must be tested every two years in accordance with current guidelines by an approved independent contractor.

When new or improved installations are being planned, an average lux. reading of 180 should be provided.

## 1.13 Public Address System

A public address system is not compulsory.

## 1.14 Entrances

There is no requirement for fixed entry points.

However, where a turnstile is installed, it must be fully operational and of the controlled revolving type.

## 1.15 Exits

Where fixed exit points are provided, there must be sufficient to ensure the safe evacuation of the ground if necessary.

All exits must be clearly signposted.

## 1.16 Emergency Access

Access for emergency services should be provided.

## 2. SPECTATOR FACILITIES

### 2.1 Seated Accommodation

Seated accommodation is not a requirement.

### 2.2 Covered Standing Accommodation

Covered accommodation is not compulsory.

Hard standing is not compulsory.

However, where it is provided it must be a minimum width of 0.9 metre, measured from the spectator side of the pitch perimeter barrier where provided.

### 2.3 Toilets

Provision should be made for adequate toilet facilities.

### 2.4 Refreshment Facilities

Refreshment facilities for spectators are not compulsory.

# GROUND GRADING - STEP 7 continued

## 3. DRESSING ROOM FACILITIES

**All dressing rooms must be secure and suitable for purpose.**

### 3.1 Players

Separate dressing rooms must be provided for both teams. Existing dressing room dimensions will be in order, provided that they are of a minimum of 12 square metres, excluding shower and toilet areas. However, clubs wishing to progress should be aware of the need to increase to a minimum of 18 square metres. Where clubs are planning to build new changing rooms, these must be planned to be a minimum size of 18 square metres, excluding shower and toilet areas.

Each dressing room should have the following:

A shower area comprising of at least 3 working showerheads for each team – if not located in the dressing room then they must be located adjacent to it.

Adequate toilet facilities exclusively for the use of players - if not located in the dressing room then they must be located adjacent to it and must not be accessible to the general public.

Hot and cold running water

Shared shower facilities are not acceptable.

Ideally separate toilet facilities should be provided for each team. It is not acceptable for players and match officials to share toilet facilities.

In order to be considered for promotion to Step 6, clubs must have en suite shower and toilet facilities with a minimum of 4 showerheads.

### 3.2 Match Officials

Separate dressing rooms must be provided for match officials, the minimum size of which shall be 4 square metres excluding shower and toilet areas.

Each match official's dressing room should have the following:

At least 1 working showerhead.

Adequate toilet facilities, exclusively for the use of match officials, which must be separate from those provided for the players. These do not necessarily need to be situated in the dressing room but must not be accessible to the general public.

Hot and cold running water

Provision should be made for changing accommodation for both male and female match officials.

When new changing rooms are being planned or existing changing rooms refurbished an area of 6 square metres and facilities for mixed gender match officials should be provided.

In order to comply with the G Grade after promotion to Step 6, clubs must provide en suite shower and toilet facilities for the match officials.

**All dressing room areas to be maintained to a high level of cleanliness and secure on match days.**

## 4. MEDICAL

There must be a suitable qualified person (minimum F.A. Save a Life) in attendance.

All clubs must provide first aid equipment at their ground.

# GROUND GRADING - GRADE H

## NATIONAL GROUND GRADING - CATEGORY H

(appropriate to entry to NLS Step 6)

When considering any developments of the ground to comply with the requirements of this grade, clubs are recommended to bear in mind the criteria for higher gradings which might be achieved for minimal additional expense.

NB The suitability of all installations shall be at the sole discretion of the FA Ground Grading Technical Panel

### 1. GROUND

It must be possible for spectators to view the match, either standing or seated, for the full length of at least 2 sides of the playing area. Where a side is designated as spectator-free, measures must be in place to ensure there is no unauthorised access.

The location of the ground, in so far as its relation to the conurbation whose name the club bears, or is traditionally associated with, must meet with the approval of both The Football Association and the Board of Directors or Management Committee of the league of which it is in membership.

#### 1.1 Security of Tenure

The club must demonstrate security of tenure as required by The Football Association and the league of which it is a member. (Standardised rule 2.3.2)

#### 1.2 Ground Share

Ground sharing is permitted in accordance with the provisions of individual league rules and the Regulations for the Establishment and Operation of the National League System.

#### 1.3 Capacity

There is no minimum capacity at this level but a club should be mindful that the minimum requirement for Grade D is 1,300.

#### 1.4 Boundary of Ground

The ground must be enclosed by a boundary, not necessarily of a permanent nature. As a general rule, the minimum height, when measured from outside the ground, must be 1.83 metres. It should be noted that at higher grades (E and above) the boundary fence should be of a construction to prevent viewing from outside the ground.

#### 1.5 Clubhouse

There must be a clubhouse facility either on the ground or in the near vicinity and which must be open on match days to provide refreshments to spectators. NB for Grade G and above, the clubhouse, if not on the ground, must be immediately adjacent to it.

#### 1.6 Car Parking

There should be adequate car parking facilities on or adjacent to the ground. Car parking within the ground may not be acceptable.

#### 1.7 Pitch Perimeter Barrier

Subject to the provisions detailed below, there must be a permanent fixed barrier ideally 1.1 m high as measured from the spectator side, of sound construction (eg concrete and steel) and free from all sharp

Page 2

H – May 2017

edges, surrounding the pitch on all sides that may be occupied by spectators. Existing barriers/rails not at 1.1m high may be acceptable, provided they meet the requirements set out in 1.7 of the Appendix.

The barrier, if other than solid wall type of construction may be infilled. Plastic multi-purpose hi-vis fencing is not considered suitable for infill. There must be a minimum of 1.83 metres, ideally 2 metres, between the touchline, goal line and the pitch perimeter barrier. In the case of new stadium, the minimum must be 3 metres. .

Immediately in front of an area of seated accommodation the boundary of the playing area may be indicated by means other than a permanent fixed barrier, provided the Club is able to provide assurances that no spectator be allowed to stand in this area to watch the match.

## GROUND GRADING - GRADE H continued

Where there is a walkway in front of a standing terrace which is itself fronted by a crush barrier that has itself been subject to an annual risk assessment and, if necessary, tested, an alternative to a fixed barrier (e.g. A-frames) may be used, provided no spectators are allowed to stand in this area to watch the match. The Club must implement a safety management system to ensure this and also to protect the integrity of the playing area.

NB where A-frames are utilised instead of a fixed barrier, they must be continuous.

(See also Appendix)

### 1.8 Pitch Standards

The playing surface must be grass, unless otherwise authorised by the Competition's Board of Directors, and must be of the highest possible standard. It must be level and free from surface depressions and excessive undulations.

The maximum slope allowable shall not exceed an even gradient of vertical to horizontal 1: 41 in any direction. NB When a new pitch is being developed or significant improvements made to a pitch, the gradient of 1:41 would not be acceptable and the pitch must be constructed with reference to the FA Performance Quality Standard.

The playing surface must be maintained to a standard acceptable to the competition in which the club is playing or seeks to play.

#### 3G football turf

3G football turf may only be used provided conditions (i) to (v) below have been met (the "Performance Standard"): (i) The pitch must be surfaced with 3G football turf that has laboratory type approval according to the FIFA Quality Concept for Football Turf (2012 & 2015 editions) – FIFA Recommended One Star/Quality level.

(ii) The 3G football turf pitch must be listed on The Association's register of 3G football turf pitches by no later than 31 July and tested annually at the Club's expense.

(iii) Where a 3G football turf pitch is not yet listed on The Association's register (for example if it is a newly installed pitch), a Club must obtain a Performance Test Certificate or Laboratory report and submit it to The Association by no later than 31 July.

(iv) The Association reserves the right to instruct a Club to have its pitch tested at any time in order to ensure that it meets the Performance Standard. All such tests shall be at the Club's expense.

Page 3

H – May 2017

(v) The 3G football turf, including run-offs, shall be one continuous playing surface and shall be green in colour at least one metre from the outer edge of the touchline and goal line. All line markings shall be in accordance with the Laws of Association Football.

### 1.9 Playing Area

The playing area must be a minimum of 100 metres x 64 metres and must conform to the requirements of the Laws of the Game.

Goalposts and goal net supports should be of professional manufacture and conform to the relevant safety requirements and to the requirements of the Laws of the Game.

(See also Appendix)

### 1.10 Technical Area

Two covered trainers' boxes clearly marked "Home" and "Away or Visitors" must be provided unless adequate provision is made in a seated stand. They must be on the same side of the pitch ideally either side of the halfway line, ideally both equidistant from it and ideally a minimum of 3 metres apart and provide an unobstructed view of the playing area.

NB When new boxes are being constructed or installed, they must be on each side of the half way line, equidistant from it and a minimum of 3 metres apart.

Each box should accommodate at least 8 persons on fixed seats or benches. Where bench seating is provided, a minimum of 0.5 m must be allowed for each person (i.e. 8 persons require a minimum of 4 metres.).

Portable trainers' boxes are permitted but must be securely fixed when in use.

# GROUND GRADING - GRADE H continued

A technical area must be marked out, in accordance with the guidance contained in the 'Laws of the Game' booklet.

## 1.11 Safe Walkway

There must be a safe, unimpeded passage for players and match officials between their dressing rooms and the pitch.

The design of the safe walkway will inevitably differ from ground to ground and it will rarely guarantee the safe passage of players and match officials unless supplemented by stewards. A club should implement procedures appropriate to the particular structure and be ready to respond to on the field situations which might affect spectator behaviour.

## 1.12 Floodlighting

Floodlights must be provided to an average lux reading of at least 120. No single reading can be less than one quarter of the highest reading so as to ensure an even spread of light. NB When installing a new system, clubs are advised to check any planning restrictions for its use.

Reading shall be on a grid of 88 markings (8 across, 11 down) evenly spaced with the outside readings falling on the pitch boundary line. The average of all the readings is taken to be the average illumination level in lux of the floodlighting installation.

The lux values must be tested every two years in accordance with current guidelines by an approved independent contractor. Floodlights must be retested after any significant alterations. Existing certification will be accepted provided that the test was carried out within the last two years unless work has been carried out at the ground which may have affected previous readings.

Page 4

H – May 2017

It is also recommended that at the same time as testing the lights clubs also test the electrical supply within the ground to ensure that the system complies with current electrical standards and request a visual inspection of the columns for signs of corrosion, fatigue and overloading.

An example of an "approved" contractor is one which is in possession of the NICEIC (National Inspection Council for Electrical Installation Contracting) Approved Contractors Award or ISO 9000/BS 5750 (International Standards/British Standards) or is a member of the Electrical Contractors' Association. Alternatively, it can be a contractor deemed acceptable by the league.

The contractor must, when detailing the lux values, give confirmation in writing of the date when the illumination test equipment used was last calibrated.

When new or improved installations are being planned, the lighting procured must meet BS 12193 Class 2 and have an average lux reading of at least 200.

## 1.13 Public Address System

A public address system is not compulsory for this grade but clubs must be mindful that it may be necessary to convey information to spectators in the event of an emergency.

## 1.14 Entrances

There must be at least 1 fully operational turnstile (which must be of the revolving type) or a pay box where a charge for entry to the ground can be taken. In both cases a grille or similar for the payment window and a lock that can be operated from inside must be incorporated.

Electronic turnstiles with bar code readers are also acceptable but an emergency procedure must be in place in the event of a power failure. Adequate protection and security must be incorporated for the turnstile operator or, where tickets are sold from a box office, the cashier.

It must be possible to gain access to the spectator viewing areas from the turnstiles via a bound surface to a minimum width of 0.9 metre.

## 1.15 Exits

All exits must be clearly signed, ideally with "running man" signs, and are to be kept clear and free from obstructions. (For further information, reference should be made to the Guide to Safety at Sports Grounds.)

# GROUND GRADING - GRADE H continued

There must be access via a bound surface to all exits from the nearest spectator viewing areas.

## 1.16 Lighting

(See Appendix)

## 1.17 Adjoining Pitches

Where deemed that they are likely to interfere with the playing of a match, ball games will not be played on adjoining pitches whilst a match is in progress.

## 1.18 Emergency Access

Access must be provided for the emergency services and maintained free from obstruction.

## 2. SPECTATOR FACILITIES

### 2.1 Spectator Accommodation

Page 5

H – May 2017

The minimum covered accommodation must be 50.

Covered accommodation must be of sound construction of timber/steel/brick/concrete or any combination of these materials. Existing timber stands are only acceptable subject to a fire risk assessment conducted by a competent person.

Any seating must afford a good view of the pitch and be clean, functional and in good condition. Bench seating will be permitted provided that it is in good repair and that individual spaces (min 500mm) are clearly marked.

Standing spectators are not allowed in or near a seated spectator stand where they can obstruct views.

Areas where spectators are not permitted to stand must be clearly marked with yellow hatched markings. Alternatively, appropriate signage may be acceptable.

Hard standing to a minimum width of 0.9 metre, measured from the spectator side of the pitch perimeter barrier, must be provided on a minimum of 2 adjacent end/sides of the ground with direct access from the entrance. The surface must be tarmac, concrete, concrete paving or other approved materials which create a bound material

Where a club shares its ground with a cricket club which limits the amount of permanent hard standing which can be installed, a maximum of one side or end of temporary flooring made of a polypropylene material or such like may be acceptable. Precise details of the specification must be supplied to the league and The Football Association before its installation.

Spectators must not be permitted to access any end/side without hard standing.

### 2.2 Press Seating

There is no requirement for dedicated press seating.

### 2.3 Terracing

Where terracing is provided, it must comply with the requirements of the Guide to Safety at Sports Grounds. All terracing must be in a sound condition. Terracing that is crumbling, has grass/weeds growing through it or has broken or loose concrete will not be accepted.

Any level surface within the ground should ideally be hard standing, such as tarmac, concrete, concrete paving or other approved materials which create a bound surface. However, flat and well maintained grassed areas may be accepted.

The use of tree bark instead of grass may be acceptable, subject to prior permission being obtained from the league and The Football Association.

### 2.4 Toilets

Toilets must be located within the ground and must be accessible both to male and to female spectators. NB Where it is necessary to exit the ground to gain access to toilets located in an adjacent clubhouse, these may be deemed acceptable, provided no great distance is involved.

# GROUND GRADING - GRADE H continued

A minimum of 2 WCs must be provided.

In addition, wash hand basins, with running water, warm air hand driers and/or paper towels, together with a supply of toilet paper, must be provided in each toilet area.

All toilet areas must be in working order, with a roof and operational lighting, and maintained to a high level of cleanliness.

These facilities may be of a temporary or mobile kind but must be connected to the mains supply (ie water and power) and main drainage or an acceptable alternative drainage system.

Page 6

H – May 2017

They must be fully accessible with permanent access

Individual toilet units often known as 'portaloos' are permissible on a temporary basis but may not be included in the minimum toilet requirements.

The location of all toilet facilities must be indicated with appropriate signage.

## 2.5 Refreshment Facilities

### 2.5.1 Directors/Committee/Guests

Refreshments must be made available for visiting officials and guests.

### 2.5.2 Ground Refreshment Facilities

Refreshment facilities must be provided at the ground or the clubhouse. These facilities may be of a temporary or mobile type.

## 2.6 Disabled Facilities

(See Appendix)

## 2.7 Segregation

When segregation is in operation, there must be adequate toilet facilities and refreshment facilities in each segregated area in addition to the appropriate means of egress and exit.

## 3. DRESSING ROOM FACILITIES

### 3.1 Players

Separate dressing rooms must be provided for both teams within the enclosed area of the ground. The dressing rooms must be of sound construction and be of a permanent nature. Existing dressing room dimensions will be acceptable provided they are a minimum of 12 square metres, excluding shower and toilet areas. Where clubs are planning to build new dressing rooms these must be a minimum size of 18 square metres, excluding shower and toilet areas.

NB Clubs need to be aware of the increase at grade D to a minimum size of 18 square metres, excluding shower and toilet areas, as from 31st March 2019.

Each dressing room must have the following:

A shower area comprising of at least 4 showerheads

At least 1 wash hand basin located outside the shower area.

(All the above must have hot and cold running water)

At least 1 WC in a cubicle

There must be a treatment table which is clean and in good condition in each dressing room.

# GROUND GRADING - GRADE H continued

## 3.2 Match Officials

The size of the match official's dressing room must be a minimum of 4 square metres, excluding shower and toilet areas. When new dressing rooms are being constructed the match officials' room should be a minimum of 6 square metres in size, excluding shower and toilet areas.

Page 7

H – May 2017

NB Clubs need to be aware of the increase at grade D to a minimum size of 6 square metres, excluding shower and toilet areas, as from 31st March 2019.

Each match officials' dressing room must have the following:

at least 1 showerhead

1 wash hand basin

at least 1 WC in a cubicle. This must be for the exclusive use of the match officials but need not necessarily be en suite

Provision must be made for separate dressing rooms for male and female match officials.

Where new dressing rooms are being constructed or existing are being re-designed, separate purpose built facilities for male and female match officials must be provided.

There must be an audible electronic warning device (bell or buzzer) in working order located in the match officials' dressing room, and which is linked to the players' dressing rooms. All dressing room areas must be maintained to a high standard of cleanliness and be heated, well ventilated, free from damp and secure on match days.

## 4. MEDICAL

A stretcher must be provided for the removal of injured players from the pitch.

(See also Appendix)

### APPENDIX 1. GROUND

#### 1.7 Pitch Perimeter Barrier

It is important to distinguish between a pitch perimeter barrier/rail which exists to separate spectators from the playing area and a crush barrier which has been constructed and tested according to the requirements of the Green Guide. Where the structure cannot be designated as a crush barrier, e.g. its height exceeds 1.1m, the maximum depth of standing behind it is limited to 1.5m and this must be borne in mind in any capacity calculations.

It is recognised that the above may not be an issue for normal attendances but, when a larger crowd is anticipated, the Club should be mindful of the associated management issues and, if necessary, take professional advice.

Whatever system is employed, a club should be mindful of its responsibility to ensure spectator safety and minimise the possibility of unauthorised incursions on to the playing area.

#### 1.9 Playing Area

Reference should be made to the Goalpost Safety information published by The Football Association and, in particular, it should be noted that the use of metal cup hooks is prohibited.

#### 1.16 Lighting

# GROUND GRADING - GRADE H continued

Whilst their installation is strongly recommended, neither working nor emergency lighting is any longer a grading requirement. Clubs are reminded that they have a responsibility to ensure the safety of spectators entering, leaving and moving about the ground and, if a ground is used in non-daylight hours, adequate

Page 8

H – May 2017

artificial lighting should be provided. Further, consideration must be given by a club to its procedures in the event of a power failure.

## 2. SPECTATOR FACILITIES

### 2.5 Disabled Facilities

A club must take full account of the needs of disabled spectators and be mindful of its obligations under the provisions of the Disability Discrimination Act 1995. Reference made should be made to the publications / data sheets issued by both The Football Association and the Football Foundation.

No specific requirement is currently included in the ground grading criteria but The Football Association strongly recommends that access is provided to both a covered viewing area and toilet and refreshment facilities.

## 4. MEDICAL

All clubs must provide first aid equipment, including a stretcher, for the use of players and spectators. Its location in the ground, if other than in a dedicated treatment room, should be clearly marked by notices placed in the dressing rooms for teams and match officials.

There must be a nominated and suitably qualified person in attendance to assist with spectator problems unless the St John Ambulance Brigade, Red Cross Society or other capable agency are in attendance. The requirements of the Guide to Safety at Sports Grounds are for one first aider per 1000 anticipated spectators, with a minimum of two.

If a crowd of less than 2000 is anticipated, known and practiced arrangements should be in place to summon either a doctor or NHS ambulance alternative. For crowds of over 2000, an experienced crowd doctor should be in attendance.

NB The above in no way purports to be a comprehensive list of Health and Safety issues which it is the responsibility of a club to address. Clubs are recommended to arrange regular safety audits conducted by persons with the appropriate expertise.

# GUIDELINE FOR MARKING OF REFEREES BY CLUB OFFICIALS

The referee's performance will be measured in every Peterborough & District Football League match. Each club will be required to mark the Referee out of 100 marks. These marks will be submitted to the County Football Associations and will form the basis of measurement at the annual review of performance.

In an attempt to assist clubs in compiling their marks a competency based scheme will be introduced. Seven areas are to be marked with a weighting of marks to assist clubs in arriving at their final mark.

A mark should be awarded for each of the 7 sections and then added together for the final mark. A mark of 70 represents the standard expected of a Peterborough & District Referee.

A mark of sixty or below should be accompanied by a written report on the deficiencies witnessed. [To be of any use this report should not only contain criticism but also some positive points which must have been witnessed].

It would be beneficial to the marking scheme if the same club member awarded the mark when possible for the entire season to ensure uniformity of marking is achieved.

Areas to assist when arriving at the mark.

# REGULATIONS FOR THE OPERATION OF THE NATIONAL LEAGUE SYSTEM

3.1 The current structure of the NLS is set out below:

The Leagues currently at Steps 5, 6 and 7 are set out at the end of the Regulations.

3.2 With effect from the commencement of the 2018/19 season the structure of the NLS will be as set out below:

# REGULATIONS FOR THE OPERATION OF THE NATIONAL LEAGUE SYSTEM

Divisions at Steps 3 to 5 shall have the following number of Clubs: Step 3 – 22, Step 4 – 20, Step 5 – 20. At Steps 6 and 7 the number of Clubs in each division will be decided by the LC taking into account all relevant factors. Notwithstanding this, at Step 6 each division shall have no more than 20 Clubs and at Step 7 each division shall have no more than 16 Clubs.

3.2 Any league wishing to become part of the NLS must apply to The Association by 31st December in the relevant year in such form and/or providing such information as shall be required by the LC from time to time. 3.3 Any League wishing to propose an adjustment to its position within the NLS must apply in writing to the LC by 31st December in any year for such proposal to be determined by the LC in order, if approved, to have effect in the following Playing Season.

## 4. Rules and Regulations for Promotion and Relegation

The LC shall provide for the seasonal promotion, relegation or lateral movement of Clubs. A League must be committed to promoting and relegating Clubs at the conclusion of each Playing Season.

## 5. Detailed Promotion and Relegation Issues

5.1 The criteria for entry to the NLS and the criteria for ground/stadium facilities and the criteria for participation in Play Off Matches shall be determined by the LC. All criteria so determined shall be published by The Association from time to time.

5.2 At the conclusion of each Playing Season, the following procedures will apply to promotion/relegation subject to the application of the Rules:

### Step 1 and Step 2

These regulations do not deal with promotion from Step 1.

The Clubs finishing in the bottom four places at Step 1 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 2 together with a further two Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted. The Clubs finishing in 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> positions shall be eligible to take part in the Play Off Matches. The Play Off Matches shall be played so that in each Step 2 division there is a qualifying round, semi-finals and a promotion final with all ties being played over a single leg at the ground of the higher placed Club. The winner of the promotion final in each Step 2 division will be promoted. If a Club is not eligible to enter Step 1 then it shall not take part in any Play Off Matches. In that event, such Club shall not be replaced and the Play Off Matches structure and draw shall be adjusted as necessary by the Competition on the basis of the remaining Clubs' final league positions.

### Step 2 and Step 3

The Clubs in the bottom three places in each of the two divisions at Step 2 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 3 together with a further three Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at Step 2, the Club finishing in 2nd position shall be promoted. The Clubs finishing in 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> positions in each Step 3 division shall be eligible to take part in the Play Off Matches. Where one or more of the Clubs finishing in 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> or 5<sup>th</sup> positions does not meet the criteria for participation at Step 2, the next eligible Club shall take part in the Play Off Matches, save that no Club finishing below 7<sup>th</sup> position shall be eligible to take part in the Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other in semi-final matches over a single leg at the grounds of the higher placed Clubs. The winners of each semi-final match will play each other in a promotion final over a single leg at the ground of the higher placed Club and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a promotion final where it will play the winner of the other semi-final match and the winner of that promotion final match will be promoted.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 2.

### Step 3 and Step 4

The Clubs finishing in last place in each of the three divisions at Step 3 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season. Nineteen Clubs

# REGULATIONS FOR THE OPERATION OF THE NATIONAL LEAGUE SYSTEM

Where a Club finishes in 1<sup>st</sup> or 2<sup>nd</sup> position but does not meet the criteria for participation at Step 3, the Club finishing in 3<sup>rd</sup> position shall be promoted. If neither the 1<sup>st</sup> or 2<sup>nd</sup> place Club meets the criteria for participation at Step 3 then the 3<sup>rd</sup> and 4<sup>th</sup> placed Clubs shall be promoted. The Clubs finishing in 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> position in each Step 4 division shall be eligible to take part in the Play Off Matches. Where a Club finishing in 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> or 6<sup>th</sup> position does not meet the criteria for participation at Step 3, the next eligible Club shall take part in the Play Off Matches, save that no Club finishing below 8<sup>th</sup> position will be eligible to take part in Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other in semi-final matches over a single leg at the grounds of the higher placed Clubs. The winners of each semi-final match will play each other in a promotion final over a single leg at the ground of the higher placed Club and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to the promotion final match where it will play the winner of the other semi-final match and the winner of that promotion final match will be promoted.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 3.

In the event of vacancies arising at Step 3 on completion of the season, the losing Step 4 Play Off finalists shall be ranked on a points per game basis during the regular Playing Season, with vacancies being filled by the highest ranked Club(s).

The Clubs to be promoted from Step 5 will be allocated to the most geographically appropriate division at Step 4.

If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

# REGULATIONS FOR THE OPERATION OF THE NATIONAL LEAGUE SYSTEM

5.7 For 2017/18, the following applies only to Steps 1 to 4: If a Club is relegated for not achieving the required Grade for the Step at which it is playing it will not be eligible for promotion again until it has attained the required Grade for the Step to which it wishes to be promoted. The Club must have that Grade at 31st March in the year in which it seeks promotion.

6. The movement of Clubs within the NLS other than by Promotion or Relegation

6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in League Rules save with the approval of the LC.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the LC will consider whether any lateral movements may be necessary at each Step; if so the Clubs likely to be affected shall be notified and given the opportunity to present a case if that Club does not wish to be moved laterally. The final decision shall rest with a sub-committee of the LC. This sub-committee may include members of Step 5 or Step 6 Leagues if appropriate. A Club may appeal the decision of the LC to an Appeal Board and such appeal shall be conducted in accordance with the Appeal Regulations.

In coming to its decision the LC will have regard to any representations made by any party, the distance to be travelled by any Club to be moved compared to the distance travelled in the Playing Season prior to movement; the financial impact on the Club to be moved, the frequency with which the Club has been moved in the past; the number of Clubs both in the division to which the Club is to be moved and in the division from which the Club is moved, and any other matter that it considers to be relevant.

6.2 Any Club wishing to move from one League to another must make application in writing to The Association on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful the League from which the Club is moving shall not levy a financial penalty on that Club.

6.3 (i) If a Club (whether a Members' Club or a Company) is wound up, liquidated, or is removed from its League or withdraws from football competition ('the Former Club'), and a new Club ('the New Club') is established which wishes to be placed within the NLS, it will be allowed to make an application only to join a League/division at Step 5 of the NLS unless the Former Club was in either Step 4 or Step 5 when the event which caused it to cease its membership occurred in which case it must re-join the NLS at a minimum of two Steps below the level at which it was at the time the event occurred, or withdrew from football competition, whichever is lower. Where the Former Club was a member of Premier League or English Football League then the LC shall at its absolute discretion determine in which League the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS of the New Club in the following Playing Season, an initial application must be received by the LC by 1st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March.

The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club and affiliation to a County Football Association must be received by 31st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC.

In considering any application, the LC will set out at its sole discretion the requirements to be met by the New Club.

In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, the LC will consider at its discretion which application will be considered in accordance with this Regulation.

(ii) If a Club is removed from its League and wishes to remain in the NLS it shall apply to the LC within five working days of it receiving written notification of its removal from its League. The LC will consider such application and will place the Club in what it considers at its sole discretion to be the most appropriate League/division for the following Playing Season.

6.4 If a Club (whether a Members' Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the LC, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

# REGULATIONS FOR THE OPERATION OF THE NATIONAL LEAGUE SYSTEM

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the LC in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC at its absolute discretion.

In considering any application, the LC will set out at its sole discretion the requirements to be met by the Club in determining whether to approve the application.

- 6.5 If two or more Clubs (“the Merging Clubs”) are proposing a transaction or series of transactions that result in the merging or consolidation (“the Proposed Merger”) of those Clubs into one Club (“the Merged Club”) then a formal application to do so must be received by the LC and the league(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The LC shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the LC may apply the following minimum criteria:

- 6.5.1 The requirements of Standardised Rule 2.9 for the current Playing Season must be met by each of the Merging Clubs. If one or more of the Merging Clubs is subject to an insolvency event then Standardised Rule 2.9.2 shall be applied to such club(s), otherwise Standardised Rule 2.9.1 shall be applied;
- 6.5.2 The proposed playing name of the Merged Club must be acceptable to the LC; and
- 6.5.3 The Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;
- 6.5.4 Any other criteria that the LC may from time to time deem to be appropriate;
- 6.5.5 The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Step to which they would have been relegated without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the LC at its absolute discretion.

## 7. Placement of a Club into a League

- 7.1 Usually a club can only enter the NLS at Step 7. However a League may seek approval from the LC to receive a club not currently in membership of a League within the NLS provided that there is: (a) exceptional circumstances, (b) a vacancy within its constitution, (c) the club meets the entry criteria and (d) promotion and relegation issues have been satisfied. Such request must be received from the league by no later than 1st February. Any decision shall only be capable of Appeal to The Association by the affected League.
- 7.2 Reserve teams, including a team from a club or Club which is not considered by the LC to be sufficiently separate from another club or Club, will not be permitted to compete above Step 6 in the NLS. There must be a minimum of two Steps between a first and reserve team. This does not apply at Steps 6 & 7. No two teams from the same Club can play at the same Step. Reserve teams currently at Step 5 can remain unless relegated, once relegated they will not be permitted to be promoted back to Step 5.
- 7.3 Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.
- 7.4 Where a Club moves from one League to another, for whatever reason, the League from which it is being moved must provide the League to which the Club is being moved with a certificate confirming that the Club being moved does not owe any money or other property of any nature to the League from which it is being moved. The Club being moved cannot compete in its new League until such certification has been provided and the onus will be on the Club being moved to ensure that it has cleared all indebtedness to its previous League.

## 8. Procedures for the Determination of any Matter, Dispute or Difference by the Leagues Committee

# REGULATIONS FOR THE OPERATION OF THE NATIONAL LEAGUE SYSTEM

8.1 The LC may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 2. The LC may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.

- 8.2 (a) Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the LC; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.
- (b) Any decision of the LC shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Regulations for Football Association Appeals save for appeals in relation to Ground Grading decisions where the procedures are outlined in 8.2(c) below.

(c) Procedures for Ground Grading Appeals

- (i) The ratification of the Ground Grading decision must be sent in writing within 14 days of the final decision date, currently 31st March.
- (ii) Appeals in relation to Ground Grading Appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's Leagues & Clubs Department.
- (iii) The Ground Grading Technical Panel will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.
- (iv) In all cases the Ground Grading Technical Panel will submit any documentation including the Ground Grading report that was considered by the Ground Grading Technical Panel in relation to the Ground Grading decision, (which the appellant would already have received).
- (v) Dates would be set annually in advance by the Judicial Services Department for the hearing of Ground Grading appeals and details of the dates would be notified to all Clubs in the correspondence from the Ground Grading Technical Panel notifying the decision of the Ground Grading assessment.

8.3 The LC may, at its discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to anybody it considers to be appropriate (including a sub-committee or commission which may include members of council not on the LC or a body constituted by a County Football Association).

## 9. Arbitration

The fact of participation in the NLS and signifying agreement to be bound by the Regulations shall constitute an agreement between each League and Club to refer to Arbitration any challenge in law arising out of, or in relation to, the Regulations in accordance with the provisions of FA Rule K.

## 10. Precedence

In the case of conflict between the Regulations for the Operation of the NLS and the Rules, the Regulations take precedence.

# Guidelines for Temporary dismissals (sin bins)

The 131st AGM of The IFAB held in London on 3rd March 2017 approved the use of temporary dismissals (sin bins) for all or some cautions/yellow cards (YCs) in youth, veterans, disability and grassroots football, subject to the approval of the competition's National FA, Confederation or FIFA, whichever is appropriate.

Reference to temporary dismissals is found in the Laws of the Game 2017/18:

Law 5 – The Referee (Powers and duties): Disciplinary action The referee: • has the power to show yellow or red cards and, where competition rules permit, temporarily dismiss a player, from entering the field at the start of the match until after the match has ended, including during the half-time interval, extra time and kicks from the penalty mark

A temporary dismissal is when a player commits a cautionable (YC) offence and is punished by an immediate 'suspension' from participating in the next part of that match. The philosophy is that an 'instant punishment' can have a significant and immediate positive influence on the behaviour of the offending player and, potentially, the player's team. The National FA, Confederation or FIFA, should approve (for publication in the competition rules) a temporary dismissal protocol within the following guidelines<sup>1</sup>:

Players only ☒ Temporary dismissals apply to all players (including goalkeepers) but not for cautionable offences (YCs) committed by a substitute or substituted player

Referee's signal ☒ The referee will indicate a temporary dismissal by showing a yellow card (YC) and then clearly pointing with both arms to the temporary dismissal area (usually the player's technical area)

The temporary dismissal period ☒ The length of the temporary dismissal is the same for all offences ☒ The length of the temporary dismissal for The FA Pilot, it will be 10minutes for Adult - Open aged Football and 8minutes for Youth Football ☒ The temporary dismissal period begins when play restarts after the player has left the field of play ☒ The referee should include in the temporary dismissal period any time 'lost' for a stoppage for which 'additional time' will be allowed at the end of the half (e.g. substitution, injury, time-wasting etc...)

1 For the purpose of the 2017/18 Pilot for Temporary Dismissals, this briefing note will act as the guidance in lieu of it appearing on the Standard Code of Rules.

☒ Where neutral assistant referees or 4th officials are appointed, they will help the referee time the dismissal period – alternatively each Club should nominate where possible a team official to assist. The referee remains the sole judge of the time. ☒ Once the temporary dismissal period has been completed, the player can return from the touchline with the referee's permission, which can be given while the ball is in play ☒ The referee has the final decision as to when the player can return ☒ A temporarily dismissed player cannot be substituted until the end of the temporary dismissal period (but not if the team has used all its permitted substitutes) ☒ If a temporary dismissal period has not been completed at the end of the first half (or the end of the second half when extra time is to be played) the remaining part of the temporary dismissal period is served from the start of the second half (start of extra time) ☒ A player who is still serving a temporary dismissal at the end of the match is permitted to take part in Kicks from the Penalty Mark (penalties)

Temporary dismissal area ☒ A temporarily dismissed player should remain within the technical area (where one exists) or with the team's coach/technical staff, unless 'warming up' (under the same conditions as a substitute)

Offences before/during/after a temporary dismissal ☒ A temporarily dismissed player who commits a cautionable (YC) or sending-off (RC) offence during their temporary dismissal period will take no further part in the match and may not be replaced or substituted

## Guidelines for Temporary dismissals (sin bins)- continued

Further disciplinary action ☐ All temporary dismissals will be reported in the same manner as other cautionable offences. ☐ Further disciplinary action will be taken in relation to suspension for accumulating a number of cautions and RESPECT sanctioning for Clubs ☐ Sin Bin Offences do not attract the £10 Administration fee

Temporary dismissal systems IFAB have authorised the use of one of the following temporary dismissal systems: o System A - for all cautions (YCs) or System B - for some but not all cautions (YC)

The FA will be using System B – temporary dismissal for some but not all cautions (YCs) and will apply for C2 Offences - Dissent ☐ All other cautionable offences are punished with a caution as normal (YC) ☐ A player who has been temporarily dismissed and then receives a caution (YC) continues playing ☐ A player who has received a caution (YC) and then receives a temporary dismissal can continue playing after the end of the temporary dismissal period ☐ A player who receives a second temporary dismissal in the same match will serve the temporary dismissal and then takes no further part in the match. The player may be replaced by a substitute at the end of the second temporary dismissal period if the player’s team has not used its maximum number of substitutes (subject to the next bullet point) ☐ A player who receives a second temporary dismissal in the same match and has also received a caution for another YC offence takes no further part in the match and the player cannot be replaced/substituted ☐ A player who receives a second caution (YC) in the same match will be sent off and takes no further part in the match and may not be replaced/substituted

Frequently asked questions about temporary dismissals in respect to The FA Pilot

What offences do temporary dismissals apply to? ☐ Temporary dismissals are only for cautions for (C2) - Dissent

Who do temporary dismissals apply to? ☐ Temporary dismissals only apply to players (including goalkeepers) – they are not used for substitutes, substituted players or team officials

Are temporarily dismissals reported to the appropriate authority? ☐ Yes all temporary dismissals must be reported after the match ☐ They will also form part of the continual misconduct charge for cautions and for Club charges in relation to RESPECT Sanctioning

How does the referee signal a temporary dismissal? ☐ The referee signals a temporary dismissal by showing the yellow card (YC) and then clearly pointing with both arms to the temporary dismissal area (usually the player’s technical area if one exists)

How long does the temporary dismissal last? ☐ The temporary dismissal period: o 10 minutes in Adult Open Aged football or in Youth Football that consists of 90 minutes o 8 minutes in Youth Football where less than 90 minutes is played o begins when play restarts after the player has left the field of play o will include any time ‘lost’ for a stoppage for which ‘additional time’ will be allowed at the end of the half ☐ Where neutral assistant referees or 4th officials are appointed, they will help the referee time the dismissal period – alternatively each Club should nominate a team official to assist where possible. The referee remains the sole judge of the time.

What happens if the half ends and the temporary dismissal period has not been completed? ☐ If a player’s temporary dismissal period is not over at the end of the first half, the remaining time is served from the start of the second half (this is the same at the end of the match if extra time is to be played) ☐ If a player’s temporary dismissal period is not over at the end of the match, the player is permitted to take part in Kicks from the Penalty Mark (penalties) ☐ Any period unserved at the end of the game is lost and does not transfer to the next fixture

## Guidelines for Temporary dismissals (sin bins)- continued

Where does the temporarily dismissed player go? ☑ A temporarily dismissed player should stay in the team's technical area; if there is no technical area the player should stay with the team's coach/technical staff (unless warming up)

Can a temporarily dismissed player warm up? ☑ For reasons of injury prevention, a temporarily dismissed player is allow to warm up as if he/she were a substitute

When can the temporarily dismissed player return? ☑ Once the temporary dismissal period has been completed, the player can return from the touchline with the referee's permission, which can be while the ball is in play

Can a temporarily dismissed player be substituted? ☑ A temporarily dismissed player can only be substituted at the end of their temporarily dismissal period. However, he/she cannot be substituted if: o it is the player's second temporary dismissal o the team has already used all its permitted substitutes ☑ Substitutions must take place during a stoppage in play as per the Laws of the Game

What happens if a temporarily dismissed player commits another offence during a temporary dismissal? ☑ A temporarily dismissed player who commits any cautionable offence (including Dissent) (YC) or sending off/red card (RC) offence during their temporary dismissal period is not allowed to play again in the match and may not be replaced or substituted

What happens if a temporarily dismissed player results in the team having less than 7 players?

☑ Unless it is not the player's 2nd temporary dismissal in the match, the match continues as the player is still under the jurisdiction of the referee. If it is the player's 2nd temporary dismissal, the match will be abandoned at the point of going down to less than 7 players
