

EURO ACADEMY

EARLY ENROLMENT INCENTIVE

EURO ACADEMY: AUTOMOTIVE INTELLIGENCE

The new Euro Academy has been formed by Euro Car Parts to provide an industry-leading technical information resource

Three Membership levels available with easy monthly payments, offering:

- Unlimited telephone technical helpline access
- Unlimited access to online Euro Vehicle TroubleShooting
- Unlimited online Technician Assessments
- Tailored Technician Training Plans
- IMI Quality Assured Training

It's a helpline when you need it

It's a diagnostics database and reference library when you need it

It's a training course when you need it

**IT'S LIKE HAVING ANOTHER
FACTORY-TRAINED
MASTER TECHNICIAN
IN YOUR WORKSHOP**

'AUTOINFORM LIVE' OFFER

If you move quickly and are one of the first 200 Members to enrol in the Euro Academy, you can look forward to an invitation to *AutoInform Live*, a special industry event which will take place over the weekend 19/20 November 2016:

'A weekend of live hands-on diagnostics, showcasing the latest products, technology and equipment available in the aftermarket. This eventful weekend offers live training sessions, seminars and on-vehicle demonstrations.'

Improve your business, learn new techniques and network with the best garages across the UK and Ireland.'

We've put together a special weekend package (18-20 November 2016) for our guests, comprising:

- Hotel accommodation on Friday, if required
- Informal dinner with the Euro Car Parts team
- Transfers to and from the event
- *AutoInform Live* on Saturday
- Gala Dinner on Saturday night
- Hotel accommodation on Saturday
- *AutoInform Live* on Sunday

The total package is worth over £500, so don't delay, apply today.

Visit www.autoinform.co.uk/autoinform-live-2016/ for further details of the event.

INTERESTED?
