Callaway GBB Epic Driver

GBB EPIC DRIVER | \$499.99

The GBB Epic Driver represents an epic shift in how the head and face behave to enhance power, spearheaded by Callaway's innovative Jailbreak Technology and Exo-Cage/triaxial carbon construction. Any golfer, from scratch players to high handicappers, should find more speed, distance and control with GBB Epic.

Callaway GBB Epic Fairway

GBB EPIC FAIRWAY | \$279.99

GBB Epic fairway woods incorporate Callaway's revolutionary and proprietary triaxial carbon composite material to enhance forgiveness, power and accuracy in a huge way. The triaxial carbon crown weighs just 5.8g, making it an incredible 78% lighter than a steel crown. The saved weight is redistributed into strategic locations within the head to maximize MOI and lower the CG, making Epic fairway woods extraordinarily easy to launch.

**PRE-ORDER NOW
AVAILABLE 6/16**

Callaway GBB Epic Hybrid

GBB EPIC HYBRID | \$279.99

Epic is the first hybrid to incorporate a crown consisting of Callaway's revolutionary and proprietary triaxial carbon composite material. Used in the GBB Epic driver and fairway woods, triaxial carbon is the thinnest and lightest composite material they've ever used. The substantial weight it saves is redistributed into strategic locations within the head to dramatically increase MOI and lower the CG, making the Epic hybrid exceptionally powerful, forgiving, accurate and easy to launch.

**PRE-ORDER NOW
AVAILABLE 6/16**

Callaway Epic / Epic Pro Irons

**EPIC/EPIC PRO IRONS | \$249.99 STEEL
\$279.99 GRAPHITE (PRICE PER IRON)**

To develop Epic irons, Callaway pushed themselves in a way that they could elevate performance to the highest level they've ever achieved. It had to provide the absolute best combination of ball speed, distance, forgiveness, accuracy, control and feel. And to go beyond that standard, we had to be extremely meticulous, creative and committed to carefully crafting each material.

FEATURES

- Next-Generation 360 Face Cup Technology for Longer Average Distance
- Exo-Cage for Energy Lensing and Maximum COR
- Multi-Material Standing Wave To Optimize CG Location

Callaway MD Forged Wedges

MACK DADDY FORGED WEDGES | \$149.99

Callaway Mack Daddy Forged Chrome Wedges feature signature shaping and Tour performance in an ultra-premium forged design. These wedges were crafted by Roger Cleveland in collaboration with the best players in the world to help golfers of every skill level hit crisp, controlled shots that lead to lower scores.

Callaway Big Bertha OS Irons

**BIG BERTHA OS IRONS | \$1099.99 STEEL
\$1299.99 GRAPHITE**

Big Bertha OS Irons promote more distance in an entirely new way, led by extraordinary light and strong Exo-Cage that allows Callaway to strategically position weight to increase forgiveness, and helps our industry-leading, next-generation 360 Face Cup produce even faster ball speeds and more distance.

Callaway XR OS Irons

**XR OS IRONS | \$599.99 STEEL
\$699.99 GRAPHITE**

Easier To Hit, More Forgiving, and Long with Callaway's Industry-Leading Face Cup. The XR OS Irons are easier to hit, more forgiving, and long with their industry-leading 360 Face Cup technology and wider soles. They're easy to launch for a ball flight that leads to more distance.

Callaway XR OS Hybrid

XR OS HYBRID | \$149.99

Extreme Forgiveness, High Launch, and Callaway's Industry-Leading Face Cup For Distance. The XR OS Hybrids give you extreme forgiveness, high launch, and their industry-leading Hyper Speed Face Cup for distance. And they're designed to perfectly complement the XR OS Irons.

**XR OS COMBO SET | \$699.99 STEEL
\$799.99 GRAPHITE**

The XR OS Combo Set gives you industry-leading 360 Face Cup technology and wider sole irons and hybrids with extreme forgiveness, high launch, and Callaway's industry-leading Hyper Speed Face Cup for distance — and they're designed to perfectly complement the XR OS Irons.

Set comes with 2 hybrids and 6 irons.

Cobra KING OS Hybrid

KING OVERSIZE HYBRID | \$249.99

Leave no yard behind with Cobra's largest, oversized hybrid. PWRSHELL™ technology pairs forgiveness with precision to give you more distance and accuracy on every shot.

NON OFFSET

A non-offset design and a deep center of gravity delivers our straightest and highest launching hybrid for maximum distance and accuracy on approach shots.

OVERSIZED SETUP

An oversized club head shape at address increases MOI for straighter, extremely forgiving ball flights without sacrificing control.

Cobra KING LTD Driver

FEATURING

MATTE BLACK DRIVER | \$449.99

KING LTD is back, sporting a brand new matte black finish and equipped with COBRA CONNECT, a seamlessly integrated grip sensor that automatically records your driver stats.

COBRA CONNECT

An integrated GPS device allowing you to Track Your Distance™, and analyze your driver stats from all your rounds.

Cobra KING F7 Metalwoods

DRIVER | COBRA F7 CONNECT | \$349.99

The KING F7 Driver debuts as Cobra's first connected golf club, powered by Arccos technology. Equipped with 3 Center of Gravity settings for maximum distance.

COBRA CONNECT

An integrated GPS device allowing you to Track Your Distance™, and analyze your driver stats from all your rounds.

KING F7 FAIRWAY | \$239.99

The KING F7 Fairway is Cobra's longest & most forgiving adjustable fairway with both rails and adjustable front to back CG to maximize distance through optimized launch and spin.

KING F7 HYBRID | \$199.99

The F7 Hybrid is Cobra's first hybrid with rails technology for ultimate forgiveness. Features adjustable lofts to optimize distance.

**BUY ANY KING F7
OR F7+ DRIVER**

**GET A FREE

(\$239 FWY/\$199 HYB)**

Powered by Arccos, golfers can automatically track the distance and accuracy of every drive. COBRA CONNECT users simply pair their club and phone with the free Arccos Driver smartphone app to receive their performance data, access rangefinder GPS distances for over 40,000 international courses.

CLUBS WITH COBRA CONNECT

KING F7+, KING F7 and KING LTD Black all come equipped with COBRA CONNECT™ club tracking technology.

Cobra KING F7 Variable Length

VARIABLE LENGTH MAKEUP
FROM \$699.99 STEEL

The KING F7 Irons utilize COBRA's TECFLO construction to deliver a set that utilizes advanced construction technologies to optimize the performance characteristics of each iron.

Cobra KING F7 One Length

ONE LENGTH MAKEUP
FROM \$699.99 STEEL \$799.99 GRAPHITE

Constant length irons have been re-engineered for 7-iron weighting and are designed with optimized geometries for consistent trajectory and distance gapping on the course.

Cobra KING Oversize Irons

KING OVERSIZED | \$999.99 STEEL
\$1099.99 GRAPHITE

Cobra's largest iron face delivers the largest Sweet Zone™ ever for explosive distance across the entire face. The full hollow design delivers preferred sound and feel and lowers CG for improved consistency and distance.

TECFLO CONSTRUCTION
Multiple construction designs allow each club in the set to perform differently.

ZONE WEIGHTING
Weight is strategically positioned low and back in the head for greater forgiveness.

PWR SHELL FACE
A thinner, stronger face and sole structure delivers our largest Sweet Zone™ ever.

100% CNC MILLED FACE GROOVES
CNC milling improves groove structures to deliver maximum spin and trajectory.

HOLLOW BODY CONSTRUCTION
Full hollow design delivers preferred sound and feel and lowers CG for improved consistency and distance.

LARGER SWEET ZONE
Larger club head profile at address provides increased ball speeds on off-center hits for more distance and forgiveness.

Cleveland 588 Tour Action

588 TOUR ACTION | \$79.99

With its timeless, versatile design, the Cleveland Golf 588 Tour Action wedge can help any player looking to improve short game performance.

The tour-validated 588 shape is made to enhance shots from sand bunkers and deep rough, and also provide confidence and consistency on full swings.

INCREASED GREENSIDE CONTROL

The 588 Tour Action wedge features USGA-conforming grooves with enhanced dimensions to maximize spin and increase control around the greens.

NO-GLARE TOUR SATIN

Minimize bright spots when you address the golf ball with the no-glare Tour Satin finish, which maintains a rich chrome look with less visual distraction.

Cleveland RTX-3 Blade

RTX-3 BLADE | \$129.99

The RTX-3 Blade gets you closer to the hole than any wedge Cleveland Golf has ever made. The blade shape design is ideal for maximizing all-around wedge performance.

Available Finishes: Tour Satin, Black Satin and Tour Raw

Standard Shaft: True Temper Dynamic Gold Wedge Flex

Cleveland — Womens RTX-3 Cavity Back

WOMEN'S CAVITY BACK | FROM \$129.99

The Women's RTX-3 Cavity Back gets you closer to the hole than any wedge Cleveland Golf has ever made. The larger cavity back shape and lightweight graphite shaft promote a high, easy launch.

Available Finish: Tour Satin

Standard Shaft Option: Women's Action Ultralite 50 Wedge Flex

Cleveland Smart Sole 2.0

SMART SOLE 2.0 C | FROM \$109.99

Eliminate the chunked wedge. The refined wide and forgiving sole promotes crisp and clean contact for more consistent chip shots from any lie around the green. This club also performs great on full shots from 125 yards and in.

SMART SOLE 2.0 S | FROM \$109.99

Never again will you have to endure the embarrassment of being stuck in the bunker for 2, 3, or 4 shots. The Cleveland Golf Smart Sole 2.0 Sand Wedge offers a forgiving sole with the right amount of bounce and loft to get the ball out of the bunker on your first swing.

***Offer applies to custom order of JPX 900 Tour and JPX 900 Forged irons ONLY. Purchase of 7 piece minimum custom order required. Promotion valid 5/15/17-6/18/17, or while supplies last. See Stores for details.**

FOR BALANCE

Mizuno JPX 900 Forged Irons

JPX 900 FORGED IRON | \$1199.99

Built on the foundation of the highly regarded JPX 850 Forged which was Mizuno's first integration of Boron, the JPX 900 Forged makes 'across the board' enhancements that improve the look, feel and distance, with new levels of ball speeds from a forged iron.

- Grain Flow Forged 1025 Boron
- Harmonic Impact Technology for soft, solid, consistent feel
- Reengineered CNC Milled Pocket — For our thinnest forged face
- New CORTECH Design
- Power Frame

FOR PRECISION ▼

Mizuno JPX 900 Tour Irons

JPX 900 TOUR IRON | \$1199.99

The JPX 900 Tour combines the best attributes of Mizuno's Grain Flow Forged Player's irons, with the advanced weighting strategies, and aggressive styling of our JPX series, providing a compact, workable iron with a surprising level of playability.

- Grain Flow Forged 1025E
- Tour Proven Sole Design
- Power Frame
- Compact Head Size
- Mizuno Tour Level Feel

Srixon Z565 Driver

Z565 DRIVER | \$449.99

The Srixon Z 565 Driver is creating a Ripple Effect, delivering the most advanced innovation and best performance Srixon has ever made. The Srixon Z 565 driver promotes a higher launch with more forgiveness and slight draw bias.

NEW POWER WAVE SOLE

Advanced multi-step design allows the entire sole to flex, which enhances COR especially on low impacts.

NEW STRETCH FLEX CUP FACE

Face has been extended farther around crown and sole to create a larger sweet spot.

NEW LIGHTWEIGHT CROWN

About 4 grams have been removed from the crown and repositioned to enhance clubhead MOI and lower the center of gravity.

Tour Edge EX10 Hybrid

EX10 HYBRID | \$179.99

The EX10 hybrid features the forgiveness of our previous hybrids combined with superior technology — larger SlipStream sole, new cup face, deeper CG — in a classic hybrid shape.

The EX10 features a new Japanese high density, steel cup face — HT 980 high-tensile strength steel. This new steel can be engineered extremely thin producing higher CT levels all over the face. The steel cup face is combo brazed with a 450 SS hyper-steel body to produce Exotics legendary distance and forgiveness.

Engineers made substantial changes to the SlipStream sole, the channels between the rails are shallower and more compact overall to ensure minimal turf interaction.

A heavy rear sole pad, 19-grams, produces a deeper CG, and helps to easily get the ball in the air from any lie.

The EX10 hybrid also features Variable Face Thickness technology. The thin and thick compartments on the face are strategically positioned for optimal forgiveness in preparation for off-center hits.

“My future rests firmly in my hands – that’s why I choose TaylorMade. I’ve been around the game long enough and have tested most clubs on the market, but I have never been as excited about equipment as I am right now.”

RORY MCILROY
TOUR PROFESSIONAL

WHAT’S IN THE BAG

'17 M2 Driver
'17 M2 Tour Fairways (3 & 5-wood)
P750 Irons (3 & 4)
Rors Proto Irons (5-9)
Milled Grind Wedges (48, 54, 60)
TP5x #22 Golf Ball
TaylorMade 2017 Staff Bag

TaylorMade 2017 M1 Metalwoods

2017 M1 DRIVER | \$499.99

The all-new M1 driver takes multi-material construction to the next level to deliver distance, forgiveness and complete personalization. Featuring a new 6-layer carbon crown and additional carbon toe panel, the 2017 M1 driver has 43% more carbon than last year’s model. The additional focus on multi-material construction saves weight to enable lower CG for better launch conditions and allows for an expanded T-Track for improved adjustability.

2017 M1 FAIRWAY | \$299.99

The all-new M1 fairway delivers power and personalization through multi-material construction and improved adjustability. Constructed with a 450 stainless steel body and strong Ni-Co C300 face, the 2017 M1 fairway features the same 6-layer Carbon composite crown as the M1 driver. Completely redesigned and reshaped from last year’s fairway, the new M1 fairway includes a more intuitive sliding weight system and a new open-channel Speed Pocket designed to deliver more ball speed & more forgiveness.

2017 M1 RESCUE | \$249.99

The 2017 M1 Rescue™ Hybrid features improved distance and versatility with the first-ever sliding weight track in a Rescue club. With a moderate size, Tour-proven shape, and a newly designed sole, the new M1 Rescue™ Hybrid offers more playability from an increased variety of lies.

TaylorMade 2017 M2 Metalwoods

2017 M2 DRIVER | \$399.99

The 2017 M2 driver brings golfers a new level of distance and forgiveness through all-new Geocoustic™ technology. Following in the footsteps of its predecessor, the M2 driver successfully raises the bar in design and engineering through reinvented multi-material construction and advanced geometric shaping. Along with the new Geocoustic design, the M2 driver houses a new Speed Pocket that is three times more flexible than it was in the original M2. Combined, the new M2 takes the #1 selling driver to the next level of performance for all players.

2017 M2 FAIRWAY | \$249.99

In the 2017 M2 fairway, the ultimate distance fairway has been made even more forgiving with the incorporation of a recessed 6-layer carbon composite crown, Inverted Cone Technology (for the first time in a TaylorMade fairway) and a new Geocoustic sole design. Additionally, a longer, more flexible Speed Pocket and lighter fluted hosel create a low CG that produces fast ball speeds for an incredibly long, high-launching, and low-spinning fairway.

2017 M2 RESCUE | \$199.99

The 2017 M2 Rescue™ Hybrid features the iconic two-tone crown of the M Metalwoods Family and new innovative performance technologies, creating a versatile Rescue club with exceptional sound and feel. The sole of the club houses a longer, more flexible Speed Pocket, which offers speed and forgiveness on low-face strikes.

“MG wedges are all about perfection, which is what you want for your short game. The shaping is clean, the edges are sharp, and the look gives me the confidence to stay aggressive.”

JASON DAY
TOUR PROFESSIONAL

TaylorMade 2017 M1 Irons

2017 M1 | **STEEL \$999.99**
GRAPHITE \$1,199.99

M1 irons have been crafted to bring as much of the speed, forgiveness, and playability of the M2 irons, but deliver it to the player who prefers a slightly more refined look along with additional control and workability.

TaylorMade 2017 M2 Irons

2017 M2 | **STEEL \$799.99**
GRAPHITE \$899.99

New to M2 irons, engineers incorporated Face Slots that help preserve ball speed on shots struck toward the heel or toe, giving golfers more distance and more control—making your mis-hits better and your best shots extraordinary.

TaylorMade P770 Irons

P770 IRONS | **\$1,049.99 - \$1,199.99**

P770 irons utilize an advanced forging process to create a pure and simple head shape that appeals to the better player's eye. Combined with precision-milled faces and grooves, P770 provides golfers with soft-solid feel at impact and performance that is both workable and forgiving.

In P770, engineers worked to deliver a true Tour iron for highly skilled players while simultaneously providing playability improvements that create a great playing experience.

TaylorMade Milled Grind Wedges

MILLED GRIND (MG) WEDGES | **\$149.99**

Milled Grind (MG) wedges use advanced surface milling techniques to ensure precise sole geometry, leading edges, and score lines. The result is a precisely crafted grind on each and every wedge that produces optimal turf interaction and consistent performance.

Wilson Staff C200 Irons

C200 | \$599.99 STEEL \$699.99 GRAPHITE

The Wilson Staff C200 irons push innovation to unforeseen limits. Designed for the Crossover player seeking a midsize head shape and moderate offset, the C200 yields distances not available from traditional irons, while still offering best-in-class feel. At the core of its design is the proprietary FLX Face Technology, which minimizes the contact points between the body and the thin face. These minimized contact points — combined with a series of Power Holes around the entire perimeter of the face — maximize face flex upon impact, resulting in increased ball speed and distance. These Power Holes, or literal holes that surround the head completely and provide the space for the face to flex, are filled with TE031 Urethane to provide improved sound and outstanding feel.

Wilson Staff D300 Driver

D300 DRIVER | \$349.99

The D in D300 not only stands for distance, it defines it. The newly designed D300 driver combines Right Light Technology with Micro Vortex Generators to reduce the drag force leading to increased club head speeds and greater distance. Try your driver, and then try ours. You'll understand why your foursome calls you the Distance Machine.

Wilson Staff D300 Fairway

D300 FAIRWAY | \$219.99

The D in D300 not only stands for distance, it defines it. The newly designed D300 driver combines Right Light Technology with Micro Vortex Generators to reduce the drag force leading to increased club head speeds and greater distance. Designed for the Distance player needing power, accuracy and a confidence-inspiring look at address — features a premium Carpenter Custom 455 maraging steel face insert which maximizes distance from the tee, fairway or rough.

WTX SMART GOLF GPS WATCH | **\$179.99**

GolfBuddy's WTX golf GPS watch brings fashion and function to your everyday lifestyle. The slim watch design offers both golf GPS and smart watch features that you can wear on and off the course with Bluetooth capabilities to update software and sync courses through GolfBuddy's smartphone app. The WTX is also equipped with GolfBuddy's advanced features to improve your game: full target and hazard information, Dynamic Green View, and Pin Placement.

“GolfBuddy is very excited to launch the WTX – the industry’s first golf GPS smart watch. We wanted to create something innovative that can be integrated in any golfer’s everyday lifestyle and with the WTX, that integration will be seamless. Another golf GPS watch we are launching is the WT6 – the simplest golf GPS watch out there. With a push of one button, you can start your round!”

- Long life rechargeable battery
- E-Paper style screen for easy outdoor viewing

SkyCaddie LINX GT Gametracker Edition

LINX GT GAMETRACKING EDITION | \$299.99

Golf's first gps rangefinder watch, shot tracking system, mobile gps app, all in one! Preloaded with 35,000 TrueGround golf course and accurate distance to bunkers, carries, water, creeks and many more. IntelliGreen displays the true shape of the green, rotated by your angle of approach. For those looking to get the most from their game, SmartTags are used to identify how far you hit every club, where you hit each shot, resulting in better game management and lower scores. 15 SmartTags, Smart Divot Tool included.

SkyCaddie LINX GT Tour Edition

LINX GT TOUR EDITION | \$249.99

The LINX GT Tour combines our latest GPS watch with the SkyCaddie Mobile GPS app on your smart phone. Preloaded with 35,000 TrueGround course maps and accurate distance to bunkers, carries, water, and IntelliGreen. Both Linx GT watches use Bluetooth to pair your smartphone to the watch so you can use the SkyCaddie Mobile GPS app. HD images of the golf hole for when you need to see the layout. Go Tagless, the LINX GT tracks the location and distance, of each shot automatically.

SkyCaddie Touch

TOUCH | \$249.99

The SkyCaddie TOUCH, features a 3 inch hi-resolution touchscreen with Bluetooth connectivity. Preloaded with 35,000 TrueGround high-definition golf courses, clear superiority over its competition. Bluetooth wireless capabilities allows you to download the most accurate and up-to-date course maps in the game. Dynamic RangeVue displays multiple yard-age arc distances overlaid on fairway and greens with NEW Club Recommendations. Allowing you to select the best club for every shot much more quickly.

Available in White, Yellow, Orange

Wilson Staff DUO Spin

DUO SPIN | 2 for \$35

The 35 compression DUO Spin golf ball from Wilson Staff is the World's Softest Multilayer ball. Featuring similar distance and soft feel characteristics inherent in the DUO, the DUO Spin presents the added benefit of more greenside spin for the Control player demanding action in the scoring zone. Take the challenge and prove it to yourself why the DUO and DUO Spin are longer and softer than any balls within their construction categories.

TOP-LOK™ TECHNOLOGY

Bag Boy Launches New Generation of Bag-to-Cart Attachment System, TOP-LOK™ Technology, at 2017 PGA Merchandise Show Richmond, VA - The Bag Boy Company, has been engineering a new bag-to-cart attachment system, TOP-LOK™ Technology, on new 2017 models of certain Bag Boy carts and bags. These products, along with the new TOP-LOK™ Technology attachment system was revealed at the PGA Show in Orlando, Florida January 25-27, 2017.

TOP-LOK™ Technology is an innovative bag-to-cart attachment system designed to securely lock a Bag Boy bag onto a Bag Boy push cart. "This patented design prevents the bag from twisting or turning, eliminating the need for cart straps," said Pat Gallagher, Product Manager for Bag Boy. "We wanted to create a secure attachment that was lacking in the traditional brackets and straps method. The benefit with TOP-LOK™ is your bag will no longer twist and turn, requiring readjustment in the middle of your round."

TOP-LOK™ works by opening the upper bag bracket paddles on the Bag Boy push cart. Then lift up the Bag Boy bag and slide it from the top down into the upper cart bracket. That's it! The patented design of the TOP-LOK™ bag bracket fits like a puzzle piece into the cart's upper bag bracket.

The newest models of the Bag Boy push carts (2016+), the Tri Swivel II, Compact 3 and Quad XL, and bags (2017+) Chiller Cart Bag and Chiller Hybrid Stand Bag, include the patented TOP-LOK™ Technology. Any cart or stand bag can fit on a newer Bag Boy push cart with TOP-LOK™, however the traditional bracket and straps would need to be used.

[LEARN MORE >>](#)

BagBoy Chiller Hybrid Stand Bag

CHILLER HYBRID STAND BAG | \$179.99

The Chiller hybrid stand bag is a cooler way to carry your drinks. Combining the functionality of a cart bag with the portability of a stand bag, the Chiller Hybrid Stand Bag features a removable insulated cooler. Equipped with eight specialized zippered pockets including two oversized apparel pockets and a fleece lined valuables pocket.

TOP: 14-way; full-length individual dividers

TOP-LOK TECHNOLOGY

BagBoy T-750 Travel Cover

T-750 TRAVEL COVER | \$99.99

The T-750 is the #1 golf travel cover for the features and value; is weather and tear resistant with an extra thick padded top on all four sides for maximum club protection, room for an 48-inch driver and fits most stand and cart bags.

KEY FEATURES:

- Extra thick 4-sided padded top with high density foam and impact resistant PVC for maximum club protection
- Ergonomic Neoprene handle for easy maneuvering
- Deluxe in-line skate wheels provide smooth rolling action
- Reinforced corners for extra protection
- Oversized shoe pocket
- Fits up to a 48-inch driver and most stand and cart bags
- Internal compression strap
- Deluxe Skid bars on back with durable skid resistant PVC base

Datrek Lite Rider II Cart Bag

LITE RIDER II CART BAG | \$159.99

The Lite Rider II is the second generation of our top selling cart bag, with a sleek design and complete organization for your clubs and accessories. This “cart bag with everything” is the ideal choice for the player who most often uses a cart but still wants a lightweight bag, working equally well on a motorized cart or with a push cart. Comes in eight popular color combinations.

KEY FEATURES:

- 15-way organizer top with full-length individual dividers
- Soft-grip oversized putter well
- Over-molded soft-grip lift assist handles integrated into bag top
- Seven pockets provide ample storage including two oversized apparel pockets, a large ball pocket and fleece lined valuables pocket
- Oversized insulated cooler pocket
- Cart strap loop
- Rubberized tee holder
- IDS patch and Velcro® glove holder
- Umbrella holder
- Rainhood included
- Weight: 5.5 lbs.

Datrek DG Lite II Cart Bag

DG LITE II CART BAG | \$139.99

DG Lite II is the second generation of lightweight and affordable cart bags without sacrificing features. Weighing in at only 4.25 pounds, and designed with cart use in mind; all pockets are forward-facing and accessible while the golf bag is on the cart. Available in five modern color combinations.

Top: 15-way with full length individual dividers. Pockets: 7. Strap: 1

FEATURES:

- Soft-grip lift assist handles integrated into bag top
- Soft-grip oversized putter well fits a jumbo grip
- Seven total pockets provide ample storage including two oversized apparel pockets, a large ball pocket and fleece lined valuables pocket
- Oversized insulated cooler pocket

Datrek Go Lite Hybrid Stand Bag

GO LITE HYBRID STAND BAG | \$139.99

The lightweight Go Lite Hybrid Stand Bag is Datrek's bestselling stand bag, and is built with multiple features and dividers to keep your clubs and gear organized without weighing you down. The Go Lite Hybrid is the second generation combining the functionality of a cart bag with the portability of a stand bag. Available in nine modern color combinations.

Top: 14-way with full length individual dividers, Pockets: 5, Strap: 2

FEATURES:

- NEW soft-grip oversized putter and driver wells integrated into bag top
- Large ergonomic handle integrated into bag top
- Five total pockets for specialized storage including a large apparel pocket, oversized ball pocket and large fleece lined valuables pocket
- Insulated beverage sleeve and NEW cart strap sleeve
- Ergonomic padded double shoulder strap and hip pad for walking comfort
- Riding and push cart compatible base

Hot Z Flag Cart Bag

FLAG CART BAG | \$139.99

The Hot Z Golf Flag Cart Bag is much more than just an incredible priced bag, it has all the features you need in a lightweight cart bag.

FEATURES

- 14-way graphite friendly separator top
- Top handles for easy lifting
- 6 zippered pockets
- Cooler bottle compartment
- Padded carry strap
- Rain hood cover
- Lightweight nylon material

RJ Sports Venice Cart Bag

VENICE CART BAG | \$108.99

- 9" Cart Bag
- 14 Way Divided Top
- 1 Oversize Putter Tube
- 7 Easy Access Pockets
- Velcro Glove Attachment / Towel Ring
- Shoulder Strap
- Rain Hood
- WT: 7lbs

Sun Mountain Speed Cart GT

SPEED CART GT | \$209.99

Speed Cart® is one of the most revolutionary products in golf. Prior to Speed Cart's introduction in 1999, three-wheeled, ergonomically efficient folding push carts did not exist in the marketplace. New for 2017 the Speed Cart GT has numerous improvements including an updated upper bag bracket and console tray.

Sun Mountain Cooler Tube

COOLER TUBE | \$24.99

This insulated nylon pack is designed to attach to the Speed Cart GT and Micro-Cart GT and also comes with an accessory knob you can attach to any cart with 1" tubing. The Cooler Tube holds a large water bottle or several 12oz cans. Zipper closure.

Sun Mountain 4.5 LS Stand Bag

4.5 LS STAND BAG | \$209.99

New for 2017, the 4.5 LS is a lightweight, mid-sized stand bag. Weighing just 4.5 pounds and incorporating the E-Z Fit Dual Strap System, the 4.5 LS is built for carrying yet has numerous cart-friendly features. A cart-strap pass-through runs behind the clothing pocket so the bag can be secured to a cart without hindering pocket access. A leg lock system and cart-friendly bottom make the 4.5 LS the complete package in a golf bag.

TOP: 9.0", 4-WAY

POCKETS: 8

STRAP: E-Z FIT® DUAL STRAP SYSTEM

Sun Mountain 3.5 LS Carry Bag

3.5 LS CARRY BAG | \$299.99

Weighing 3.5 pounds, the 3.5LS is designed for the golfer who loves our hugely popular 2Five but wants a few more features. Like the 2Five, the 3.5 LS is constructed with lightweight nylon fabric, high-strength-to-weight plastic and carbon fiber legs. Adding a pound allowed us to use a thicker strap, a more cushioned hip pad and to add three more pockets.

TOP: 9.0", 4-WAY

POCKETS: 7

STRAP: X-STRAP® DUAL STRAP SYSTEM

**WINNER OF THE GOLF DIGEST
EDITORS' CHOICE AWARD
CARRY BAG 2018**

Sun Mountain Phantom Cart Bag

PHANTOM CART BAG | \$199.99

The Phantom is a mid-sized, full-featured, riding cart bag. For convenience, all pockets are front-facing so they are accessible when the bag is on a cart and the top has two integrated lift-assist handles for lifting the golf bag on and off the cart.

TOP: 10.0", 15-WAY

POCKETS: 7

STRAP: SINGLE STRAP

TaylorMade Flextech Single Strap

**FLEXTECH SINGLE STRAP CARRY
STAND BAG | \$189.99**

TaylorMade's new FlexTech bag line features a patented smooth release system and collapsible base system to improve ease of use and prevent club crowding. The FlexTech Golf Bag also includes our Dual-Density Comfort Strap for a more convenient and stable carry.

FEATURES:

- 4-Way Organizational Top
- Two easily accessible insulated water bottle pockets
- No club crowding with full-length dividers
- Zip-off pockets for embroidery
- Water-resistant valuables pocket with micro-suede lining
- Keeps valuables protected from weather and scratching

- New low profile thintech® EXP cleat offers improved stability, traction, durability, and green friendliness

“

With Powerband, I finish my round and my feet are not as tired and I feel like I could walk another 18 holes and be fine. When you're walking 4-5 miles a day, that difference in weight makes a difference in the way your legs and feet feel when you finish the round. Comfort has never been an issue with my adidas shoes. One thing that surprises a lot of people is I'll wear some brand new shoes on Wednesday or Thursday of a tournament and people will ask me how I can be wearing a brand new shoe right before a tournament. I tell them that I don't even think about it. I wear brand new shoes pretty much every month or every 2-3 weeks. I've never had a blister in 18 years.

”

Frogger (ProActive Sports) Bag Latch-It

BAG LATCH-IT (DLI001) | \$12.99

Attach and detach your favorite golf tools to your golf bag and belt. The magnet technology is well-designed, easy-to-use and practically out of sight. Ball towels, brushes or phones. Bag Latch-It makes it all accessible.

Frogger (ProActive Sports) Trax Towel w/Catch Latch

TOWEL LATCH-IT (MGT915) | \$26.99

Enjoy Trax Towel, the first-ever golf towel with Catch Latch technology, a magnetic fastening system to help manage your golf accessories. This premium microfiber golf towel made from non-abrasive, highly absorbent poly fiber is strong enough to clean clubs, and safe enough to use on glasses. Equipped with the convenient and secure magnetic fastening system, golfers can quickly and easily attach and detach the TRAX golf towel to their bag.

Available in Gray, Blue, Red

Frogger (ProActive Sports) Phone Latch-It

PHONE LATCH-IT (DLI002) | \$22.99

Where's your phone? No more digging through the compartments on your golf cart or having to search your bag pockets to check your messages, sports scores, or to get a yardage from your gps app. Phone Latch-It securely attaches your smart phone to golf carts for easy access. Powered by Catch Latch Magnetic Fastening Technology to provide the ultimate in secure convenience with powerful self-aligning magnets, a dynamic lock for motion, and a roto lock for security.

Frogger (ProActive Sports) Rangefinder Latch-It

RANGEFINDER LATCH-IT (DLI003) | \$17.99

Where do you keep your rangefinder when you golf? No more fumbling through golf cart compartments, digging through bag pockets, or struggling with clips or cases. Range Finder Latch-It securely attaches your rangefinder to golf carts for quick, easy access.
