Location

Aspinalls Yard in Willingham is located on the former builders merchant yard, off Over Road.

bpha affordable rent

Developer outright sales

How does the scheme work

If outright purchase is not an option for you, Shared Ownership offers an alternative to renting. You can buy an initial share in a new home that you can afford, helping you into home ownership in manageable stages.

bpha will offer an initial share of between 25% - 75% of the property. You pay a subsidised rent on the remaining share that bpha still own. The combined monthly cost of mortgage and rent can often be less than if you were purchasing the property outright.

In the future you can simply sell your share for its value at the time or alternatively you can purchase further shares in your home, this is known as Staircasing.

General eligibility

- Your annual household income can be no more than £80,000
- You should be unable to purchase a home suitable for your needs without assistance
- You cannot be a current home owner (or be named on the deeds of another property).
- You must not have any outstanding credit issues (i.e. unsatisfied defaults or county court judgements).
- Please check with a sales advisor for any development specific eligibility criteria.
