KLINKER BRICK WINERY ZINFANDEL OLD VINE, LODI 2013

Steve and Lori Felten, fifth generation grape growers in the Lodi region, continue the tradition of cultivating "Old Vine" Zinfandel vineyards that their ancestors planted in the early 1900's. Old Vine Zinfandel is a blend of 16 different vineyard blocks of old vine zinfandel vineyards with an average age of 85 years. The wine was aged in American oak for 15 months (60% new).

ITEM 30150848 - PAGE 16

DOMAINE DE COURTEILLAC BORDEAUX SUPERIEUR ROUGE, 2012

(80% Merlot / 10% Cabernet Sauvignon / 10% Cabernet Franc)

Domaine de Courteillac is located in southeast St. Emilion close to the Dordogne River at one of the higher elevations of Entre-Deux-Mers. The individual varieties are sorted and transferred by gravity into vats of varying size, macerated and gently pressed in cement and stainless steel vats for fermentation. The wine was aged for 16 months in French oak (25% new), neutral oak (25%) and vats (50%).

ITEM 30128587 - PAGE 29

GAROFOLI

ROSSO CONERO PIANCARDA, 2013

Garofoli is one of the oldest wineries in the Marche, dating back to 1871. Montepulciano picked from the hills of Monte Conero was fermented in tank for 7-10 days and matured for 12 months in cask. Persistent notes of ripe plum, Morello cherry and spice leads to soft, round tannins on the finish.

ITEM 30183210 - PAGE 35

TIFFON PINEAU DES CHARENTES NV

Tiffon Cognac is an acclaimed family-run distillery with history dating back to 1875. They own 100 acres of vineyards surrounding the family castle, primarily in Fins Bois and a smaller part in Grande Champagne, overseen by cellar master Richard Braastad. Pineau des Charentes is a fortified wine, blended of slightly fermented grape must (Merlot and Cabernet Sauvignon) and Eaux-de-vie. It aged at least 24 months in oak barrel.

ITEM 30190791 - PAGE 8

BRECKENRIDGE DISTILLERY BOURBON WHISKEY NV

This unique mash bill features corn, malted barley and nearly 40% rye. Made using traditional, open-top Scottish style fermentation, it was aged in 55 gallon, Char No. 3, Missouri white oak barrels for three years. Breckenridge Blend of Straight Bourbon Whiskeys also consists of barrels selected from Kentucky, Tennessee, and Indiana chosen for their unique qualities, heritage, and ability to marry in the blend, always made from a high-rye mash bill.

ITEM 30123059 - PAGE 8

96 POINTS ~ Ultimate Spirits Competition 2012

LEOPOLD BROS. NEW YORK APPLE WHISKEY NV

The finest apple varieties are picked, juiced, and blended with whiskey, creating a supple and warm spirit. The apples oxidize in charred American oak barrels, where notes of dried fruit, apricots and raisins are developed. The spirit is naturally colored by the barrel and apple juice used, and not by artificial coloring agents. Lastly, it is bottled by hand to maintain the integrity of the tart apples, and round caramel finish.

WHAT'S NEW in NY?

Alvear

Alvear is a family-owned winery founded 1729 in Montilla (Cordoba), in the appellation of Montilla-Moriles by Don Diego de Alveary Escalera, which makes it the oldest working winery in the region. Today the company is still run and owned by the eighth generation of the Alvear family. They own 370 acres planted to Pedro Ximenez, control 494 acres of vineyards from long-term suppliers, and purchase grapes and wine from local growers. Alvear just released a new range of rare and collectible Sherries: a Pedro Ximenez Solera 1830 (97WA), Palo Cortado Abuelo Diego (96WA), Amontillado Solera Fundacion (95WA) and Fino Capataz Solera de la Casa (92WA). Page 10

BABICH

Pinot Noir Headwaters Organic, Marlborough 2014

One of New Zealand's largest family-owned wine companies, the winery was established in 1916 by Croatian immigrant Josip Babich. Pinot Noir was harvested from the certified organic Headwaters Vineyard near Renwick in Marlborough's Wairau Valley. The grapes were crushed into open top vats and after a period of cold soaking fermented with frequent plunging of the cap. After a period on skins after primary ferment the wine was moved to 225L oak barriques to undergo malolactic fermentation and mature for seven months. Page 40

Caldera Distilling

Caldera is a grain-to-glass craft distillery, located in River John, Nova Scotia in Canada. They produce Hurricane Whiskey from organically estate-grown grains. This allows Caldera complete control over which grains are selected for the distilling process. The spirit is distilled, barreled, aged & bottled in River John. By using a unique mix of oak barrels for aging, they can accelerate, slow, mellow and spice their spirit as required to ensure the perfect finish. Page 9

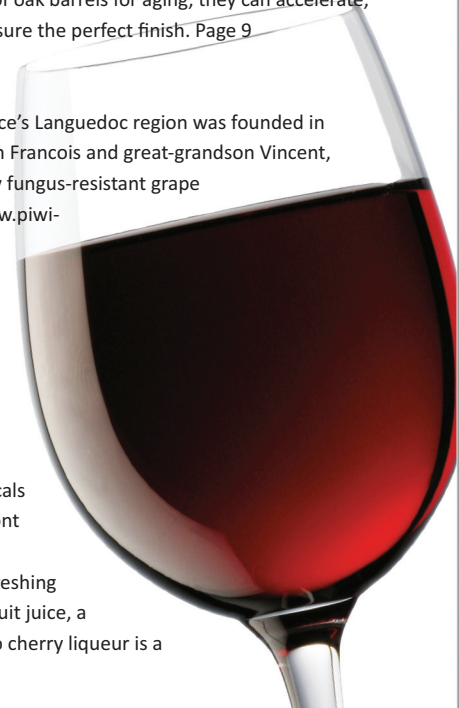

Domaine la Colombe

This 74 acre estate on the outskirts of Bezier in France's Languedoc region was founded in 1890 by Louis Pugibet. Today it's run by his grandson Francois and great-grandson Vincent, who are leaders in the propagation of new, naturally fungus-resistant grape varieties in partnership with PIWI International (www.piwi-international.de) and the production of lower alcohol wines. These certified organic wines are fresh, well-balanced and suitable for everyday consumption. Page 31

Fratelli Vergnano

The Vergnano family has a long history of spirits production. In 1865, Bartolomeo Vergnano took his interest in alchemy and knowledge of Italian botanicals to formulate artisanal liqueurs following the Piedmont liqueur-making tradition. Today, Valter Vergnano, representing the third generation, has created a refreshing organic Arancino liqueur made with blood orange fruit juice, a Limonino organic lemon liqueur and the Maraschino cherry liqueur is a vibrant Italian classic.
