Five Reasons To Become a ProEarth Dealer Today.

Today, we'd like to extend to you the **opportunity to be listed on our website as a source for ProEarth toners.** End-users will be directed to purchase from dealers listed on the ProEarth toners website through a marketing campaign. Make sure your dealer information is listed on this website.

#1 - Save The Environment

- ProEarth Toner cartridges are the first and only laser printer cartridges specifically designed with 100% recycling in mind, each built for **three full uses.** At every phase of their life cycle, ProEarth toner components are replaced or tested to ensure the same first-use quality.

#2 - Quality Product Sold at a Savings

- ProEarth Toner has better prices than OEM cartridges, better quality than remanufactured cartridges. They are the best of both worlds - and better for the environment! ProEarth toner cartridges have an attractive price point (more budget-friendly than OEM cartridges: **priced up to 50% less**).

#3 - Repurchase Incentive

- We drive customers to repeat purchase by incentivizing them with a \$5

bounceback coupon (\$2.50 of \$5 is dealer's responsibility) Additional \$2.50 reimbursed to dealer by ProEarth.

- For every **ProEarth cartridge returned**, ProEarth plants a tree, continuing our commitment to keeping the world green.

BECOME A DEALER TODAY!

www.ProEarthToner.com

- The ProEarth brand officially launches in late April, with PR and marketing support.
- Each cartridge is barcoded and tracked with a patent-pending tracking system that ensures that purchasers are credited for returning their cartridges. For those who want confidence green products, this adds a level of confidence that recycling is not only possible, but trackable. Authentically green recycling program that rewards the user for recycling and ensures continued commitment to green toners.

#5 - End-User Marketing

- There are **no fees to be listed on the website** as a dealer. Customers will be able to **search via zip code** to identify a ProEarth Dealer near them.
- **We can drive new customer traffic to you** - directly linking to your website or by offering contact information. We drop ship directly to the customer.

Rebate Details

- A low-involvement partnered rebate program encourages repeat customer purchases.
- Cartridge boxes contain rebate information. Customers ship the cartridge to ProEarth and receive a digital code via email good for \$5 off their next ProEarth cartridge purchase.
- When those coupons are redeemed by you, we will rebate them at the rate of \$2.50 per coupon. Checks will be sent monthly.

Your dealer kit will arrive within a week and provide all the information you need, including information sheets for your customer service representatives and coupon fulfillment details.
