Executive Director
R. Kirk Hamilton, Ph.D.

BASA is pleased to announce a partnership with **myON** as a literacy solution that reinvents the ways in which students and teachers interact with text. **myON** provides anytime, anywhere access to a library of more than 5,000 enhanced digital books with multimedia supports, real-time reporting and assessments and embedded close reading tools. With thousands of enhanced digital books from award-winning publishers, **myON** creates a unique reading environment that moves high quality books beyond print. **myON** enables teachers and administrators to track students' reading activity and growth at the student, class, building and district level. Please review the attached literature for a summer reading scholarship offer to offset the programming costs of a personalized reading platform for your students and faculty. The program details and contact information are attached.
