## CHESS CLUB

This is a game where black manages to quickly get a second queen. Nevertheless, now white has gained a strong position and is attacking. The goal is to find the fastest way to end this game and mate black with one move.

### Last month's solution:

In last month's puzzle, our goal was to force black to make a move so white can take the lead in the game. The best move for white was rook to G8, after black takes with rook from D8, white attacks with bishop D4, and it is all lost for black from there. Often instead of thinking to win, you could slowly push the opponent into defense by utilizing all of your pieces.

Guest passes will be issued indicating the individual guest name, member affiliation and time period for which the pass is valid. Please note that guests may not bring guests. ## POA HOUSE PAINTING SERVICE

If you live in a patio, villa or town-house, a portion of your POA fees includes the painting of your home. Items painted include the trim every three (3) years and the entire home painted every six (6) years. The fee you pay is based on the cost associated with painting an original standard A, B, or C, patio, villa or town-house.

If you live in a Barbados, Courtyard or Lake Front home (these home types are billed POA fees as Patio C home), or a non-standard A, B, or C patio, villa, or town-house in which changes or additions have been made, either when first built or subsequently, or if there are any extenuating circumstances where additional painting or preparation is required, then there will be an additional charge assessed to you at the completion of the painting job.

The additional amount to be assessed will be the difference between the actual painting costs less the amount billed as part of your POA fees.

As a courtesy to our homeowners, prior to the start of your scheduled trim or full-house painting, a letter will be sent to you by the POA letting you know the approximate time frame your house will be painted and, if there is an additional charge for this painting, state the amount and reasons for the additional charge.

If you have any questions, please do not hesitate to call the POA Administration at (561) 627-1467.

## SUMMER PRUNING

We are in the middle of the summer pruning of plant material. This process is especially important in South Florida because we have no dormant season and plants grow year-round.

The summer pruning is necessary to bring the plants back into scale with the architecture. It also promotes new "soft" growth and reduces the leggy look. From a maintenance standpoint, it gives us an opportunity to get deep into the beds and clean out the debris. Otherwise that debris would build up under the plantings. This is completed so that fertilizer and water can get to the root zone easier throughout the season.

This year the summer pruning is a little more severe because we are going below the branching clusters. I sympathize with our year-round residents who have to look at bare branches for a few weeks but it is healthier for the plants in the long run. If you have any questions please do not hesitate to call us at (561) 626-7466.

*Pickleball Rocks...* but you already knew that!

Frenchman's Creek is proud to present our newest and fastest growing sport in the country...

... PICKLEBALL!

The Pickleball craze is sweeping the nation, it is a fun game for all ages. The game is played with a paddle on a court or in the yard, it is a cross between badminton, tennis and ping-pong.

Pickleball was created with one thing in mind: FUN.

It was designed to be easy to learn and play whether you are five, eighty-five or something in between.

Last year we introduced the game and it was a big hit. We have converted two additional courts to anticipate the need of a growing demand for the game.

Frenchman's Creek is the only club in the area that has 6 pickleball courts.

If you are interested in learning the game, we offer private or group lessons.

There are *Pickleball Games*  
Every Sunday  
8:30 a.m. - 9:30 a.m.

Please contact the Tennis Pro Shop to sign up for games or to schedule your lesson at (561) 622-1623.

## GOLF OPERATIONS UPDATE

The Golf Professional Staff is excited to begin the 2015-2016 golf season. We look forward to the return of our Frenchman's Creek members. We are eager to get the season off to a successful start. The Golf Professional Staff is lead by Frenchman's Creek PGA Director of Golf, Robert Bruno, PGA Head Professional, Rich Luchini and our Assistant Professionals. Rocco Panzitta, Luis Leon, Jeff Sullivan, Chris Horn and Todd Kitchen have worked diligently throughout the summer to make this season one of the best that we ever have had.

The North & South Golf Courses Summer Maintenance Program has moved along smoothly. The grass is maturing beautifully in the fairways and rough along with the tift-eagle green complexes. The new Short Game Practice Area has also matured and is ready for you to improve your short game skills. Practice your chipping, pitching, bunker play, as well as a variety of uneven lies. We are confident that the membership will be impressed with the North & South Golf Courses condition upon your return.

We swing into a full tournament schedule starting in October. The Men's and Ladies Opening Days will be held the first Tuesday and Wednesday in November.

Over the next few months we will be receiving new models of golf clubs from all of the leading manufacturers including Titleist, Callaway, Taylor Made, Ping, Mizuno, Cobra, Cleveland and Adams Golf. The Golf Shop also features the latest design in fashion from Chervo, Bogner, Jamie Sadock, Swing Control, Sport Haley, Peter Millar, Polo, Bugatchi, and many more. We have new lines arriving in regularly, so come in and browse your new selections.

Kevin Walker, your cart mechanic reminds you to make sure your cart is running smoothly. Please stop by for your 10-Point service and a thorough cleaning and waxing of your cart.

### ***Guest Play & Tee Times:***

Guest tee times are available for you and your guest during the season on a daily basis. Guests are allowed to play before 8:00 a.m. and after 12:00 p.m. Tee times may be available after 10:00 a.m. on lighter play days and must be approved by the Director of Golf or Head Professional. You may request tee times via the telephone system at (561-775-6414) or through the tee time computer terminals located in the golf shop. Please contact the golf shop and/or starter for any questions in regard to guest play and tee times.

Robert Bruno - Director of Golf

## ***Practice Facility:***

The practice facility is available every day for our members and their guests for warm-up prior to your round of golf. Schedule a golf lesson with one of your instructional staff members or utilize it to improve upon your game and refine your swing. Please Note: Children under the age of sixteen (16) must be accompanied by an adult and are required to utilize the North End ( Back End ) of the practice facility located by the sales center. All children should be dressed in golf attire at all times when using any part of the practice facility including the putting green.

## ***Dress Code & Golf Course Etiquette:***

As a friendly reminder, members and their guests are required to adhere to the standards set at Frenchman's Creek Beach & Country Club. We all must follow the proper dress code policy on the golf courses as well as all of the practice facilities. Men are required to wear a collared shirt at all times. No denim, workout attire, tank tops or short shorts are acceptable attire for these areas. All members and guests should follow the proper golf course rules of etiquette. We ask that you adhere to the 90 degree rule while driving your cart, please fill in all your divots with sand, rake all bunkers, fix all ball marks on the green and maintain a four (4) hour pace of play. Cell phones are prohibited on the course as well as the practice facilities. Please respect your fellow members and enjoy your golf.

## ***Why Shoulder Flexibility Matters***

Whether it's Saturday tee time with the guys, a tournament, or a corporate outing to entertain clients, there remains a desire to perform, and perform well. Golfers come to me with one ultimate goal: Play Consistently Well.

Every golfer has a unique swing, fitness level and limitations based on overuse or injury. I address each golfer individually.

I want to briefly touch on something that is super important today at whatever golf level you are. We all want power but it's not just strength that lets you hit the ball a mile. It's technique but of course it's also shoulder mobility. You won't get much backswing height if your latissimus are tight.

Improve your shoulder flexibility and improve your backswing height and this will help the potential to maximize swing speed.

Titleist Performance Institute Certified, TPI 2

## Summer Film Festival

### FOREIGN FILM FESTIVAL

Presented by Debbie Hornstein

These films will conclude the foreign film festival for this year.

I hope you all enjoyed the various selections I have shown since this past January and look forward to a fabulous list of films starting the first Wednesday of next January. Please check the calendar and save the dates! I am very excited and have picked a terrific film to start off the season.

In the meantime the 2 films for August are similar situations but different!

#### PARADISE NOW

**Wednesday, August 12<sup>th</sup>**

A 2005 crime drama about a Tel Aviv suicide bomber.

On the West Bank there are 2 friends who have known each other for years that have volunteered to be bombers, receive word that the action will take place tomorrow. They get separated and the act is postponed long enough to question (what are we doing?)

About an hour and a half. This film was nominated for best foreign film at the academy awards in 2006, it won the golden globe the same year, and in total won 14 awards and nominated in 14 others.

#### FOR MY FATHER

**Wednesday, August 26<sup>th</sup>**

This 2008 Israeli film was nominated 10 times and won 3 awards.

This is a German Israeli co production that follows a Palestinian who is sent to Tel Aviv also as a suicide bomber. When the bomb fails to explode he is stranded in tel aviv until he's able to fix the issue. The entire film takes place within a weekends time. Approximately an hour and a half long.

Debbie Hornstein

Showtime is 7:30 p.m. in the Men's Card Room. The 19th Hole is available for your dining pleasure.

## Summer Lecture Series

### BEETHOVEN AND ROSSINI

also known as "The Italian Mozart"

Tuesday, August 11<sup>th</sup> at 5:00 p.m.

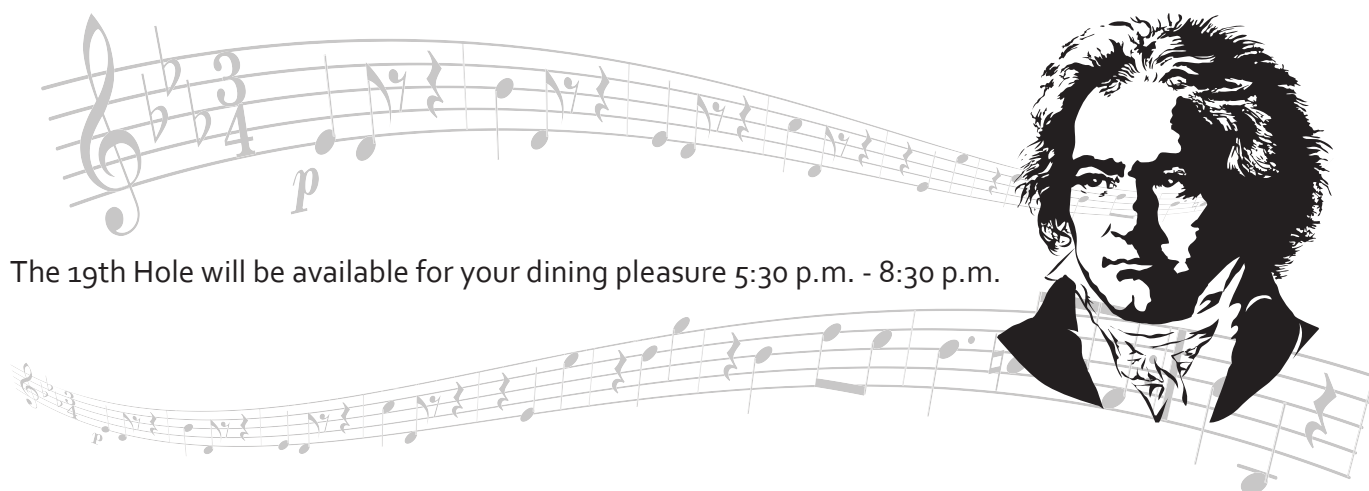

Rossini is also known by some as "The Italian Mozart" due to his prolific opera compositions. Beethoven met Rossini in 1822 when he was 51 years old. Rossini was 30 at the time. Beethoven was impressed with Rossini's opera "The Barber of Seville" and told Rossini to spend most of his time on 'Opera Buffa' (comedic). Beethoven felt that Rossini's music was more popular than his own and was unhappy with that fact.

Lecture presented by Dr. Stuart Bailin

Dr. Stuart Bailin is a Professor Emeritus from York College, The City University of New York and a Beethoven enthusiastic and historian. Professor Bailin received a Bachelor of Science degree from the State University of New York at Cortland, a Master of Science degree from the University of Massachusetts at Amherst, and a Doctor of Education degree from Teachers College, Columbia University in New York City.

Dr. Bailin's passion for Classical and Romantic period music and his expertise with respect to Ludwig van Beethoven's life and music in particular, has given him an opportunity to share the joy of Beethoven's music with his audiences. His lectures are enlightening and inspiring and incorporate both musical excerpts and interesting commentary regarding Beethoven's life and works.

The 19th Hole will be available for your dining pleasure 5:30 p.m. - 8:30 p.m.
