## Stay Sharp. Know Your Drill Bits.

**135° Bits** are intended for **hardened materials** and cut less aggressively than 118° Drill Bits. **118° bits** are used for soft materials such as **wood**. 118° bits are capable of penetrating steel but the steeper cutting angle will **dull quicker**.

10% OFF

### Cutting Wax

Multi-purpose lubricant which effectively removes heat and lubricates while withstanding tremendous pressures. Environmentally safe. Ideal for metal sawing, drilling, tapping, pipe threading and as a cement form releasing agent. Effective on stainless steel, aluminum, ferrous, non-ferrous and many exotic alloys.

Part No.	Size	Qty.
6537	2 oz	2
6538	17 oz	1

### Imperial® Cutting Oil Liquid

Extends cutting tool life while speeding the cutting process. Helps eliminate friction heat, galling and seizing. Use on drill bits, taps, reamers and other cutting tools.

Part No.	Net Weight	Qty.
7636	4 oz	2

# Extends Cutting Tool Life

### Imperial® Cutting Oil

#6513, #6513-1

10% OFF

Specially formulated, reinforced cutting compound clings to exact work area. Ideal for all types of drilling, tapping, reaming, sawing and threading operations. Greatly extends cutting tool life, while speeding cutting process. Virtually eliminates friction heat, galling and seizing. Excellent for use on all metals including aluminum, stainless steel, brass and copper.

Net Weight: 11-3/4 oz. Qty: 12 & 6.

## Premium Spiral Point Taps

High-speed steel. Ideal for tapping through holes.

## Reciprocating Saws

On-the-Job Products

### DeWalt® Cordless Reciprocating Saw Kit

#913492-4

Volts: 18. Features lithium-ion battery. Has variable speed cutting, 4-position blade clamp with metal reinforced blade change, and accepts 1/2" shank blades. Qty: 1

### Milwaukee® Cordless Reciprocating Saw Kit

#913492-6

Volts: 18. Features variable-speed cutting for use with a wide range of materials. Keyless blade clamp for quick blade changes. Accepts 1/2" shank blades. Qty: 1

## Circular Saw Blades

10% OFF

### Metal Devil® Metal Cutting Circular Saw Blades

#80614 - #80616

Diameters 7-1/4", 10" & 12", Arbor Sizes 5/8" & 1"

Metal-cutting carbide-tipped circular saw blade. Applications: Angle iron, steel plate, channel, I-beams, pipe and other ferrous metal shapes and parts. Best performance when used with a metal-cutting circular saw.

10% OFF

### Heavy-Duty Industrial Carbide Saw Blades

#71578 - #71579, #71597, #80797, #80798, #71590, #80619, #80796

Diameters 5-3/8", 6-1/2", 7-1/4", 10", Arbor Sizes M10 & 5/8"

Designed for heavy duty framing and cutting of tough materials. Alternate top bevel ground for fast clean cutting. For use on trailer floors, plywood, hardboard, plastic laminates, formica, masonite and similar hard materials.

## Circular Saws

On-the-Job Products

### DeWalt® Cordless Circular Saw Kit

## Imperial® Refill Aerosol Machine

### New Imperial® Aerosol Chemical Refilling Machine

A simple to use, high performance refillable spray can system that allows your business to reduce costs and become environmentally friendly. Machine works entirely from compressed shop air, pressurizing and filling an aerosol can in 15-18 seconds. Cans may be used up to 1,200 times - the equivalent to 4 years or more with normal usage!

Part No.	Description	Qty
9020	Top-Refill™ Machine with Adaptor for 55 Gal. Drum	1
9021	Top-Refill™ Cans	10
9021-7	Top-Refill™ Can	1
9022	Top-Refill™ Connector Kit for 55 Gal. Drum	1
9023	Top-Refill™ Connector Kit for 5 Gal. Pail	1
9024	Top-Refill™ Can Spray Nozzle - Fan	10
9025	Top-Refill™ Can Spray Nozzle - Stream	10

Works with Most Chemicals - Brake Cleaners / Penetrating Lubes / De-Icers / Glass Cleaners / Degreasers / & More!

## Alkaline Batteries

### New Duracell® Coppertop® Alkaline Batteries with Duralock Power Preserve™ Technology

Engineered to deliver just the right level of power for most electronic needs. Manufactured for intermittent use; battery does not expel energy when the device is off, providing longer life. Contains no added mercury. Rated for reliable operation in extreme temperatures, from -4° F to 129° F. Individually date-coded for freshness.
