## Frenchman's Creek Experience

We appreciate, encourage and support all of our members' effort to promote Frenchman's Creek to potential future residents. Please take the opportunity this season to engage your guests in a 3-day, 2-night membership experience. They will be free to explore the lifestyle that makes Frenchman's Creek Unique, and avail themselves of all the amenities. Explore the beach club; play golf or tennis; rejuvenate at the spa; or invigorate at the fitness center. Enjoy your favorite cocktails and superb dining with your friends:

The Frenchman's Creek Experience is a three day two night stay anytime during the year except the December holidays:

- The program has a one-time stay restriction and excludes family members.
- There is a nominal charge of \$199 for 4 (2 members and 2 guests), inclusive of enjoyment of all amenities as well as food and beverage.
- Guests reside with the inviting member during the weekend.
- Pre-registration is required.

Plan your 2016-2017 season now and invite your friends to experience Frenchman's Creek. Please contact Pamela Rudd for additional information or to setup the Frenchman's Creek Experience for you and your guests.

If you have friends or family visiting the area who are not participating in the Frenchman's Creek Experience you may invite them to call upon me for a club tour, luncheon or a cocktail. It would be my pleasure to showcase the community.

# Summer Safety Tips for Adults & Children

### *Barbecue Tips*

Adults should start the grill or campfire and be responsible for all cooking. Children should never be allowed to play nearby. Store highly flammable propane gas for the grill in a cool, well-ventilated area. Use long oven mitts and long-handled utensils to keep hands at a safe distance from the heat and fire. Do not empty the grill until coals are cold. Keep a bucket of water nearby. Do not use tablecloths. Children can pull on them and be scalded by hot beverages on the table.

### *Family Camping Tips*

Place campfires in a cleared area away from the tent. Do not wear loose-fitting clothes when starting a fire. Never leave a campfire unattended. Always keep water and remember to extinguish every spark. Douse thoroughly, stir ashes and douse again.

### *Sunburn Prevention Tips*

Keep out of direct sunlight, especially between 10:00 a.m. and 4:00 p.m. when the sun is the strongest. Sunscreen should not be used on babies under six months of age. Instead keep them out of direct sun and dress them in pants and long-sleeved shirts made of a closely-woven material. Sun exposure in young children should be extremely curtailed as their skin is not fully developed and highly susceptible to burning. When outdoors, children older than six months should have sunscreen applied liberally and frequently and be shaded from the harmful sun rays. Apply sun block to the skin and re-apply every few hours, especially after swimming. Follow labeling instructions. Sun rays will penetrate clothing, so remember to apply sun block under your clothing. Wear a wide-brimmed hat to protect your eyes from the sun and to prevent a sunburned scalp. Sunglasses are also recommended. Drink plenty of liquids, preferably water, to prevent dehydration and heat exhaustion. Cover car seats with a cloth or towel to prevent burns from overheated materials.

# VOLUNTEER MATCH PROGRAM

## September Update

Hope you read about upcoming events for the 2016-2017 Volunteer Match Program in the August Newsletter. In case you missed the update, copies of it are available in the POA office.

And, watch for news on the FC-TV channel.

School begins soon in Florida and there will be opportunities to work with students of all ages in many difference capacities and grades-from young children who need help with basic reading skills to high school students practicing for scholarship interviews... and more.

We need a few "take-charge" coordinators-for the one-day Habitat for Humanity Project. No heavy lifting required just coordination skills. Suggested month is February. Contact with the Habitat office in Palm Beach has already been established. The build site is about 20 minutes from the Gardens Mall. Half day and full day options available. Let's make this fun, and of course comes with lunch bags and "welcome back" cocktails.

Watch for the October VMP Newsletter. Don't hesitate to call the POA office with any questions or to "sign up". Leave a message for Marie and Saul Kravec and/or Nancy and Peter Berkley.

See you soon!

## Game Play

The North & South Golf Courses Summer Maintenance Program has moved along beautifully. The Short Game Practice Area has also matured. It is ready for you to improve your short game skills from chipping, pitching, bunker play, to a variety of uneven lies. We are confident that the membership will be impressed with the North & South Golf Courses condition upon your return.

Over the next few months we will be receiving new models of golf clubs from all of the leading manufacturers. The Golf Shop also features the latest design in fashion. We have new lines coming in regularly, please come in and browse our new selections.

Kevin Walker, our cart mechanic reminds you to make sure your cart is running smoothly by dropping by for your 10-Point service and a thorough cleaning and waxing of your cart.

### Guest Play & Tee Times

Guest tee times are available for you and your guest during the season on a daily basis. Guests are allowed to play before 8:00 am and after 12:00 pm. Tee times may be available after 10:00 am on lighter play days and must be approved by the Director of Golf or Head Professional. Tee Times can be requested by utilizing the Chelsea Tee Time Reservation System. You may access the system through the Frenchman's Creek website at [Frenchmanscreek.com](http://Frenchmanscreek.com). Please contact the golf shop and/or starter for any questions in regard to guest play and tee times.

### Practice Facility

The practice facility is available every day for our members and their guests for warm-up prior to your round of golf, for a golf lesson with one of our instructional staff members and for working on your game and refining your swing. Please Note: Children under the age of sixteen ( 16 ) must be accompanied by an adult and are required to utilize the North End ( Back End ) of the practice facility located by the sales center. All children should be dressed in golf attire at all times when you using any part of the practice facility including the putting green.

### Dress Code & Golf Course Etiquette

As a friendly reminder, members and their guests are required to adhere to the standards set at Frenchman's Creek Beach & Country. We all must follow the proper dress code policy on the golf courses as well as all of the practice facilities. Men are required to wear a collared shirt at all times. No denim, workout attire, tank tops or short shorts are acceptable attire for these areas. All members and guests should follow the proper golf course rules of etiquette. We ask that you adhere to the go degree rule while driving your cart, please fill in all your divots with sand, rake all bunkers, fix all ball marks on the green and maintain a four (4) hour pace of play. Cell phones are prohibited on the course as well as the practice facilities. Please respect your fellow members and enjoy your golf.

### WHY IS IT IMPORTANT TO POST YOUR SCORE?

Scores should be posted after the completion of any round of golf. It is extremely important that this procedure is carried out correctly in order for games and/or matches to remain enjoyable and competitive. A player's handicap needs to be accurate and represent their current state of play. Without posting scores on a regular basis this is not possible. Here are a few tips on how to record your scores.

### UNFINISHED HOLES

If a player starts but does not complete a hole, he shall record for handicap purposes the score that most likely would have been made.

EXAMPLE: A and B are partners in a match play competition on a hole which neither player receives a handicap stroke. A lies two, 18 feet from the hole. B lies two, 25 feet from the hole. B holes the putt for a three and A picks up his but because he cannot better B's score, A records a score of four because he most likely would have two putted.

### EQUITABLE STROKE CONTROL

Equitable stroke control is the adjustment of individual hole scores for handicap purposes in order to make handicaps more representative of a player's potential ability. Equitable stroke control sets a maximum number that a player can post on any hole, depending on the player's handicap.

### EQUITABLE STROKE CONTROL TABLE

Course Handicap	Maximum Score On Any Hole
9 or less	Double Bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or more	10

## Game Play

### Reasonable Pace of Play

Each group (and all players in the group) has an equal responsibility to maintain a reasonable pace of play which allows every player on the golf course the opportunity to enjoy their round without being hurried but also without being delayed by slow play.

Now the question on the top of everyone's tongue is: *"What is reasonable pace of Play?"*

The answer to this question at Frenchman's Creek is:

Any 18 hole round of golf which from the time your first player tees off on #1 until the last player holes out on #18 takes between 3 hours and 50 minutes and 4 hours and 5 minutes is considered Reasonable. As a guideline, each "6 holes stretch" should be completed within 80 minutes. To play at a reasonable pace your group needs consistency.

Please don't think that if you play the front nine in 2 hours and 15 minutes that you will meet the pace of play guidelines by finishing the back nine in 1 hour and 45 minutes. Your group consistent pace means a comfortable consistent pace for everyone. Keep "pace" Means stay up with the group you teed off behind. Sounds simple, doesn't it?

### *"The Rabbits"*

Groups which play faster than the pace of play guidelines need to adjust their pace if they are "pushing" other groups who are moving at a reasonable pace. Playing through is not permitted as it only delays the rest of the course.

### *"The Tortoises"*

Groups which play slower than the pace of play guidelines will need to improve their pace if they are holding up groups behind them. Slow groups who are delaying the players behind will be required to pick up their ball, skip a ½ or one hole and let the ranger direct them to drop behind the group they were in front of.

In order for any pace of play program to work, everyone's cooperation is needed 100% of the time. By following the guidelines listed and becoming more aware of our own pace of play we can make this work!

Let's hope that our scores get lower as our enjoyment gets higher! Remember it is a player's responsibility to keep pace with the group in front of them not the group behind them.

### *"Keep Pace"*
