

Video

Unfortunately FlippingBook Publisher doesn't extract video from PDF files.

Videos aren't supported by default. You have to use Adobe Flash for creating your custom video pages. FlippingBook Publisher doesn't have any tools for importing video yet.

Right-To-Left

1. Unfortunately the right to left text searching isn't supported yet.
2. FlippingBook Publisher does not support search in Arabic content yet. We are going towards this feature and you will be informed when it will be possible for download or you can check for news on our websites any time.
3. Yes, you can enable the right to left page flipping mode using the Book / Right to left parameter in FlippingBook Publisher.
You can try a demo here: <http://page-flip.com/downloads/>
To get more information follow the link: <http://page-flip.com/products/pdf-publisher/>
4. In the current version of FlippingBook Publisher you have to switch to Settings / Embedded Fonts / Chinese & Japanese mode.
5. Yes, you can enable the right to left page flipping mode using the Book / Right to left parameter in FlippingBook Publisher and toggle Chinese & Japanese mode from Settings / Embedded Fonts in a main menu for supporting RTL languages/fonts.

Unfortunately right-to-left books are not supported by default. You'll have to "emulate" such book by setting the firstPageNumber parameter to the number of the latest page in the list and by manually "inverting" your list of pages (then your first book page is the latest page in the list):

```
flippingBook.pages = [  
  "pages/page-005.jpeg",  
  "pages/page-004.jpeg",  
  "pages/page-003.jpeg",  
  "pages/page-002.jpeg",  
  "pages/page-001.jpeg"  
];  
flippingBook.settings.firstPageNumber = 5;
```

In your flippingBook.js file replace the updatePagination function with this code:

Wide page

**It's easy to book,
check availability
and get information!**
**Visit www.yha.org.uk or call
0800 0191 700 / 01629 592 700**

**YHA is a charity with a
clear mission: to inspire all,
especially young people,
to broaden their horizons
gaining knowledge and
independence through
new experiences of
adventure and discovery.**

**We have a network of diverse
hostels throughout England
and Wales – often situated in
exceptional locations. These
welcoming and sociable
spaces are open to everyone.**

**We have strong beliefs and
a passion for what we do.
By encouraging a spirit of
adventure, we aim to inspire
people of all ages to discover
the world around us.**

1 Introduction

The DeepSea Obfuscator 2009 User Guide provides an overview of DeepSea Obfuscator 2009 and provides step-by-step instructions for the most commonly used procedures.

The following topics are included in this chapter:

- [About DeepSea Obfuscator 2009](#)
- [About This Guide](#)
- [Staying Up To Date](#)
- [Getting More Help](#)

1.1 About DeepSea Obfuscator 2009

DeepSea Obfuscator 2009 protects your your intellectual property by obfuscating your .NET assemblies. Obfuscation makes it (much) harder for unauthorized personnel to obtain your intellectual property.

For example compare these before and after views of a simple assembly.

```
public class MainForm : Form
{
    // Fields
    private Button cmdSayHello;
    private IContainer components;

    // Methods
    public MainForm();
    private void cmdSayHello_Click(object sender, EventArgs e);
    protected override void Dispose(bool disposing);
    private void InitializeComponent();
}

public class □ : Form
{
    // Fields
    private IContainer □;
    private Button □;

    // Methods
    private void □();
    private void □(object □, EventArgs □);
    public □();
    protected override void Dispose(bool □);
}
```

The following is a brief overview of some of DeepSea Obfuscator 2009's features:

- **Out of the box protection** - Just run DeepSea Obfuscator 2009 and your .NET assemblies are protected.
- **Assembly merging** - Merge assemblies for easier deployment.
- **Declarative obfuscation** - Integrate your obfuscation settings where they are most appropriate: in your source code.
- **Fast** - Finally a developer tool that makes optimal use of your multicore CPU for optimal performance.
- **Build tooling friendly** - DeepSea Obfuscator 2009 comes with VisualStudio, MSBuild, NAnt and command line integrations.
- **Developer oriented license model** - Licensed per user account, install on as many PC's as needed. It is no longer needed to perform obfuscation only on a build server.

本集團深化人力資源管理，通過創新激勵機制吸引和保留核心人才，使員工實現職業發展，共享發展成果。本集團為配合未來發展戰略，創新人力資源配置模式，將人力資源向高端業務傾斜，並通過外包低端業務，有效減緩工資上漲對企業的影響。此外，本集團注重專業人才隊伍建設，重點打造項目管理、海外拓展等專業人才隊伍，以滿足業務快速發展的需要。

二零一二年展望

展望未來，本集團將以打造千億級卓越績效企業為目標，集約提效促發展，銳意創新謀跨越，在二零一二年致力於做好以下主要工作，以更優的業績回報股東與社會：

- 深耕細作國內電信運營商市場：進一步鞏固在國內電信運營商市場的領先地位，深入參與移動網絡建設和承接寬帶、無線城市等業務，積極推進業務協同；
- 大力拓展國內非運營商集團客戶市場：抓住社會信息化和城市化的機遇，聚焦重點行業，積極開拓通信專網、系統集成、綜合佈線、管線工程、建築智能化和移動互聯網等方面的業務；
- 規模化拓展海外市場：大力培育和拓展總承包項目，推進集約化分包，發揮協同效應，加強風險防範，實現海外市場的規模發展；
- 全面推進ACO業務創新：運作好現有的合資合作項目，推進機制和產品創新，努力打造業務拓展新模式；
- 深入推進集約化管理：進一步推進資金集中管理和業務協同，完善項目管理和分包管理體系，加強合同管理，打造市場化的人才隊伍，提升公司競爭能力和集團控制能力，實現健康、可持續發展。

鄭奇竇

1.2 About This Guide

This guide is based on DeepSea Obfuscator 2009 version 2.1.5.119.

The latest version of this document is included in the DeepSea Obfuscator 2009 installation and available from:
www.deepseaobfuscator.com.

If anything in this document is unclear or if an error is found, please let us know. Send your comments and remarks to support@deepseaobfuscator.com. Please include the document name, version and a page number or text excerpt if applicable.

1.3 Staying Up To Date

DeepSea Obfuscator 2009 is equipped with an automatic update feature. This feature requires a direct connection to the Internet. On start-up, DeepSea Obfuscator 2009 will check for available updates. If an update is found you will be asked if you want to install the update.

You will need to restart the application after the update has been downloaded.

1.4 Getting More Help

To get more help with DeepSea Obfuscator 2009, try the following sources:

- For the latest information, visit www.deepseaobfuscator.com.
- If you have a specific issue not addressed in this document or on the web site, please contact the DeepSea Obfuscator 2009 support team at support@deepseaobfuscator.com.

We're happy to assist you!

Все это приводит к деминерализации и эрозии эмали. И применение фторсодержащих паст большой роли в данном случае также не играет.

Стоматологи советуют не увлекаться чрезмерно частой чисткой зубов и вообще воздерживаться от этой процедуры в течение часа после приема пищи.

Исследования показали, что кислота, содержащаяся в еде и напитках, активно действует на зубную эмаль в течение 30 минут после их приема.

Таким образом, применение зубной щетки в этот временной период лишь способствует более глубокому проникновению разрушающих веществ в дентин, основной чувствительный слой зуба. Больше всего вредных кислот содержится в газировке и кофе.

Агитация за чистку зубов сразу после приема пищи в корне не верна, считают стоматологи. Подобный метод ухаживания за эмалью делает ее только еще слабее.

Подобный метод ухаживания за эмалью делает ее только еще слабее.

Чистить зубы после еды вредно.

רפואת שיניים מדינתית היא ברתימת משרד הבריאות. הטקטיקה היא פרסום פשקולים ברחוב החרדי, לצורך העניין.

5. מיפוי- התהליך שאינו נגמר. לא פגשנו תהליך מיפוי אחד ולא משנה כמה פעמים נעשה בעבר, על אותו המאבק, שלא חשף שחקנים חדשים בזירה. נסחו את השאלה (העלאת שכר לעובדים סוציאליים) ומפו מי נגדכם, בעדכם ומי, ולעיתים זה החשוב ביותר, יושב על הגדר. מה מקורות הכוח של כל אחד מן הגורמים המרכזיים. כך תגלו שעל מנת לאשר העדפה בתשתיות תעסוקה בדרום יש ללחוץ על השר הספציפי דרך מרכז מפלגתו או בכלל בני משפחתו האוהדים לרעיון. כך תמצאו את מקורותיו הכלכליים של רעיון הפרטת בתי הסוהר.

6. נשימה ארוכה- לעיתים התפקיד שלנו הוא להיות "הזבוב הטרדן". מאבקים חברתיים נמשכים שנים ארוכות ובהגדרה, כאשר מרחבים את זווית הראייה לחזון שלהם, הכולל שוויון, צדק וחירות, הם אינם מסתיימים ממש. כל תכנית שנגנזה ('דוברת') היא פתח לאחרת ('אופק חדש'), טובה או גרועה יותר. כל הצלחה ('העלאת שכר מינימום') היא בסיס לשחיקה. מי שיחזיק בנשימה הארוכה יותר ינצח. דווקא במערכת פוליטית לא יציבה ומתחלפת, אורך הנשימה של פעילים וארגונים "משוגעים לדבר" הוא יתרון גדול, לצידנו.

7. תזמון- "אין חשיפה רעה" הוא משפט המקלקל את השורה. השאלה היא: "חשיפה/פעולה לשם מה?". אם כתבת המוסף המרהיבה שהשגתם לא מתואמת עם הדיון בממשלה או מסע האופנועים שתכננתם לקריית הממשלה נופל בפגרה, אז קיבלתם חשיפה והיא רעה, כי היא לא אפקטיבית ולא תחזור על עצמה.

8. אפקטיביות- היו ברורים עם עצמכם. האם אתם בקמפיין על מנת "ליהנות" או על מנת להשיג מטרה (גם אם זו הרחבת התודעה הציבורית)? לעיתים השגת המטרה דורשת שנחום ברנע יאמר את מה שאתם מתים לומר ולהיות מצוטטים חזר וציטוט. פעמים רבות טוב שהמסר החברתי שלכם בנושא דוור בר השגה,

Control Your Project Outcomes

The Autodesk® Navisworks® family of products helps architecture, engineering, and construction teams improve control over the outcome of their projects. With Navisworks solutions, detailed design models can be aggregated and reviewed by all project stakeholders, helping users to benefit from the competitive advantages of building information modeling (BIM) workflows. BIM processes allow team members to explore a project's key physical and functional characteristics digitally before it is built, helping to deliver projects faster, more economically, and with reduced environmental impact.

With Autodesk Navisworks solutions, users can combine design data created in applications—such as the AutoCAD® software and Autodesk® Revit®-based applications—with geometry and information from other design tools in multiple file formats, regardless of file size. The result is a whole-project view that helps all project stakeholders to make better design decisions, increase accuracy of construction documentation, and predict performance and planning.

The Autodesk Navisworks software family offers three products to provide project stakeholders with the right tools to help collaborate, coordinate, and communicate more effectively.

Fully integrate, analyze, and communicate your design models and gain insight and predictability into construction.

Autodesk Navisworks Manage

Autodesk® Navisworks® Manage software is a comprehensive review solution for analysis, simulation, and coordination of project information. Multidisciplinary design data can be combined into a single integrated project model for interference management and clash detection. Navisworks Manage helps design and construction professionals anticipate and avoid potential problems before construction.

Autodesk Navisworks Simulate

Autodesk® Navisworks® Simulate software provides advanced tools for reviewing, analysis, simulation, and coordination of project information. Comprehensive 4D simulation, animation and photorealism capabilities enable the demonstration of design intent and simulation of construction to provide better insight and predictability. Real-time navigation combines with review toolsets to support collaboration among the project team.

Autodesk Navisworks Freedom

Autodesk® Navisworks® Freedom software is the free* viewer for NWD and 3D DWF™ files. Navisworks Freedom extends the whole-project view to all project stakeholders, helping to improve communication and collaboration.

Project Review Features

Model File and Data Aggregation

Autodesk Navisworks model file and data aggregation features enable you to combine design, construction, and other project data into a single integrated project model. The software incorporates files in any major 3D design or laser scan file format, reads intelligent data from original design files for viewing beside the model, and imports data from external databases and displays it within the model.

Review Toolkit

The software's review toolkit offers a host of tools that facilitate whole-project review. Its features enable you to measure distance, areas, and angles; store, organize, and share camera views of a design and export those views into images or reports; and add cross sections and section plans to inspect details closely. Navisworks NWF reference files enable you to view the latest version of a CAD design while maintaining previous review data.

NWD and 3D DWF Publishing

Publish your entire project for a whole-project view. Complete project models can be published and stored in a single distributable NWD or DWF file with compressed file sizes up to 90 percent smaller than original design files.
