Peaceful.... Beautiful.... Everlasting Whispering Waters Cremation Garden

For families choosing cremation, the extraordinary Whispering Waters Cremation Garden is available, with property including personalized granite pedestals, benches and other cremation memorials. Niches for cremated remains are also available in the Community Mausoleum. Rolling lawns, picturesque statues and well-maintained landscaping contribute to the beauty of Rosehaven Memorial Park. We offer a variety of interment choices, including traditional ground burial, private garden estates and community mausoleums. Rosehaven Memorial Park is a perpetual care cemetery, with trust funds regulated by the state of Georgia. This means that your burial estate and the overall appearance of the cemetery will be properly maintained into the future.

Whitley-Garner at Rosehaven Funeral Home and Memorial Park offers the finest in facilities, service and personalized care. We are proud to offer the convenience of planning all funeral and cemetery arrangements at one location. In addition to a beautiful entry and public gathering area, the funeral home features four large staterooms and a chapel with a cathedral ceiling and seating for 250 guests.

At Whitley-Garner at Rosehaven Funeral Home and Memorial Park, we believe that every life is unique, and every funeral should be too. We offer quality, compassionate care and service you can trust.

Families have come to Whitley-Garner at Rosehaven for 75 years to receive the most compassionate care, the best commitment to quality and excellent service. Thank you for placing your confidence in us.

**You've got
plans for
your small
business.**

**And those plans require a
consistent cash flow.**

**Imagine what you could
accomplish if all of your
customers paid within 24 hours.**

Introducing BusinessManager®

Our new BusinessManager program allows you to get cash daily for your receivables by selling them to the bank at a discount. BusinessManager essentially puts you on an all-cash basis with your customers, enabling you to pursue new business opportunities, take early payment discounts from suppliers, make payroll, offer financing to customers, and reduce or eliminate debt.

**Could your business be more
profitable by managing cash
instead of receivables?**
