MOSAIC

# Benefit Overview

Our employees are our most valuable asset

## WELCOME

**M**OSAIC appreciates all of the hard work and effort that you put forth each and every day. It's the dedication of our employees that separates us from our competitors. That's why we offer a comprehensive employee benefits program at MOSAIC so that, in addition to your paycheck, you and your family may be relieved of the financial burdens of health care expenses, and loss of income.

We hope this employee benefit summary helps you to better understand the benefits offered at MOSAIC. It is important you take the time to review all of the plan options available to you prior to making your selections. Consider each benefit and the associated cost carefully and choose the benefits package that will best meet your needs as well as your family's needs throughout the year.

Options selected during open enrollment remain in place for the plan year. Options selected upon hire remain in place through the end of the plan year in which you are hired.

Once again, thank you for your commitment and dedication. If you need to contact any of your benefit providers, please refer to the Resource Directory on Page 22.

The Internal Revenue Service (*IRS*) states that the eligible employees may only make elections to the plan at time of hire and once a year at open enrollment. Your benefit choices are binding through November 30, 2017. The following circumstances are the **ONLY** reasons you may change your benefits during the year:

<i>Marriage or divorce</i>
<i>Death of a spouse or child</i>
<i>Termination of a spouse's employment or significant change in health coverage (cost) attributable to the spouse's employment</i>
<i>Loss of dependent child status</i>

These special circumstances, often referred to as life event changes, will allow you to make plan changes at any time during the year in which they occur. For any allowable changes, you must inform the Employee Benefits Center within 30 days of the event to avoid lapse in coverage. All other changes are deferred to open enrollment.

Exceptions are as follows:

<i>Newborn or adopted dependents and newly eligible grandchildren can be added with 31 days of birth, adoption, or legal custody (proper documentation is required to support adoption or legal custody)</i>
<i>A newly married spouse can apply for coverage within thirty (30) days of the date of marriage</i>
<i>A dependent who loses coverage through a former employer</i>

## Who is Eligible?

All full-time employees (who work a minimum of 30 hours or more per week) and their dependents are eligible to enroll in the company benefits.

Employees or dependents who choose not to participate in the benefit program at the time of initial eligibility will be considered late applicants, subject to the subsequent open enrollment.

## Dependents

Dependents are defined as your spouse; your adult children (until the first day of the month following their 26th birthday); your unmarried child who, before the age of 19, became disabled by a mental or physical handicap and is incapable of self-support.

## Benefits Effective Date

New employees will become eligible for coverage on the first day of the month after 30 days following their date of hire. All elections will remain in effect and cannot be changed until the subsequent open enrollment period (usually 12 months) unless a qualifying life event occurs, described on the cover page.

## Opt-Out Cash Benefit Provision

MOSAIC will continue to offer Medical, Dental and Vision plans on an optional basis. Therefore, you can elect to receive a cash benefit in lieu of MOSAIC provided benefits, if you have medical coverage elsewhere (you will be required to provide verification of such coverage). If you choose to opt out and want to re-enter the plans at a later date, you may be subject to evidence of insurability, unless you experience a Qualifying Life Event (i.e., marriage, divorce, birth of a child, etc.). The Opt-Out Cash Benefit results in a savings to MOSAIC and we will share the savings with our employees as follows:

- \$150/mo (\$1,800/yr) for waiver of medical, dental and vision coverage
- \$130/mo (\$1,560/yr) for waiver of medical only or medical AND dental or vision coverage

## How to Make Changes

If you have a qualified change in life status (birth, adoption, marriage, divorce, death) which creates the opportunity to change your benefit elections mid-year, you have 30 days from the date of the life event to request the change. Please see Human Resources to make any changes.

## Virtual Visits

When you don't feel well, or your child is sick, the last thing you want to do is leave the comfort of home to sit in a waiting room. Now, you don't have to.

A virtual visit lets you see and talk to a doctor from your mobile device or computer without an appointment. Most visits take about 10-15 minutes and doctors can write a prescription, if needed, that you can pick up at your local pharmacy. And, it's part of your health benefits.

## Conditions commonly treated through a virtual visit

Doctors can diagnose and treat a wide range of non-emergency medical conditions, including:

- Bladder infection/  
Urinary tract infection
- Diarrhea
- Rash
- Bronchitis
- Fever
- Sinus problems
- Cold/flu
- Migraine/headaches
- Sore Throat

## Access virtual visits

Log into **myuhc.com** and choose from provider sites where you can register for a virtual visit. During your visit you will be able to talk to a doctor about your health concerns, symptoms and treatment options.

To learn more, log into **myuhc.com**

## BENEFITS YOU RECEIVE

A Flexible Spending Account (FSA) is a tax-advantaged financial account into which you can automatically deposit a portion of your paycheck pre tax. You can use funds in the account to pay for qualified medical expenses not covered by insurance, like dental and optometrist visits, certain “FSA-approved” over-the-counter medications and supplies for chronic conditions. FSAs can be beneficial to you and your employer. If used correctly, an FSA can help to offset your out-of-pocket medical expenses and pay for your monthly health insurance premiums. You can even use different types of FSAs to pay for your day-to-day expenses of caring for a dependent, or to cover adoption expenses.

## HEALTH CARE REIMBURSEMENT FSA

This program allows our employees to pay for certain IRS-approved medical care expenses not covered by their insurance plan with pre-tax dollars, up to a max of \$2,550 per year.

### Some examples include:

- Health plan deductibles, copays or coinsurance out-of-pocket costs (after HRA)
- Hearing services, including hearing aids and batteries
- Vision services, including contact lenses, contact lens solution, eye examinations and eyeglasses
- Dental services and orthodontia
- Chiropractic services
- Acupuncture
- Prescription services

## DEPENDENT CARE FSA

The dependent care FSA allows our employees to use pre-tax dollars to pay for qualified dependent care, such as caring for children under the age of 13, or caring for their elders. The annual maximum amount you may contribute to the Dependent Care FSA is \$5,000 per calendar year.

### Some examples include:

- The cost of child or adult dependent care
- The cost of an individual to provide care either in or out of your home
- Nursery schools and preschools (excluding kindergarten)

## ADDITIONAL FSA NOTES

FSA funds are payroll deducted from your gross income before state, federal and social security taxes are computed. Special attention should be given when setting up an FSA. The amount that you elect to have allocated to your FSA cannot be changed throughout the year unless you experience an IRS qualified event. These qualifying events include marriage, divorce, adoption, change in employee status, and birth of a child.

Therefore, please be reasonable and conservative in your allocation so that your FSA funds can be spent by year end. Otherwise, you will be subject to the “use it or lose it” rules that apply to all Flexible Savings Accounts. These plans are extremely valuable and can bring tremendous tax savings in a time when medical plan deductibles, copays and out-of-pocket costs are increasing. Current employees may only enroll at the beginning of the FSA plan year, which begins in December, unless incurring a life changing event.

## FSA ROLLOVER

MOSAIC employees may rollover up to \$500 of unused funds from the previous year.

- You have 90 days from the end of the plan year to submit expenses that were incurred during the plan year for reimbursement.
- The rollover features allow you to carry over up to \$500 of unused fund from the previous plan year.
- FSA dollars cannot be used to pay for expenses in advance, only for those incurred at the time of service.
- Any misuse of FSA money is tax fraud. GBS reserves the right to request a receipt for all expenses incurred during a plan year.

# Health Reimbursement Arrangements (HRAs)

MOSAIC will continue to offer a Health Reimbursement Arrangement (HRA) to all employees that participate in the UnitedHealthcare medical program. This is an added benefit to help offset employee deductible expenses.

The HRA is paid for solely by MOSAIC. Under the arrangement, the employer reimburses the employee for the pre-determined expenses (listed below up to a maximum dollar amount). Because this reimbursement is not taxable to you as an employee, it is important to save all receipts and Explanation of Benefits (EOBs) to submit for reimbursement. Without this proof of payment or submission to insurance, the expense is not qualified and, therefore, cannot be reimbursed.

## Useful Information

1. The eligible expenses listed below are the ONLY eligible expenses.
2. The Date of Service must have occurred within the plan year (12/1/2016 - 11/30/2017).
3. There is a 90-day run-out period for any claims that were not submitted during the plan year.
4. Any unused funds in the HRA will be returned to the employer following the claim run-out period
5. If additional documentation is required, please respond to the request immediately.
6. To check your balance at any time, please visit [www.wealthcareadmin.com](http://www.wealthcareadmin.com). Please enter your Social Security Number and your MOSAIC Employer ID which is GBS9456.
7. Reimbursement submitted and approved by close of business on Tuesday, the check will be cut on Friday and mailed to the home address listed on file.

## Some Other Reminders

1. Upon arriving at your doctor's office or pharmacy, first present your UnitedHealthcare insurance card. If you do not show your card, you will pay the retail price and will NOT apply the charge to your deductible!
2. Ask the doctor to bill you for your services. At the pharmacy, you will pay the discounted price for your Rx.
3. Pharmacy: Email or fax to GBS Advantage HRA the register receipt along with the label from the pharmacy bag or the Explanation of Benefits from UnitedHealthcare to receive your HRA reimbursement.
4. Medical: About two to four weeks after your service, you will receive your EOB from UnitedHealthcare in the mail. You can also receive your EOB electronically by registering with [www.myuhc.com](http://www.myuhc.com). Email or fax the EOB to GBS for your HRA reimbursement.

## EMPLOYEE LIFE INSURANCE

All full-time employees are eligible to purchase additional supplemental life insurance at their own expense through payroll deductions. This valuable optional benefit is available for you, your spouse and your children. You may purchase insurance in \$2,000 increments up to a max of \$10,000 for your children. You may also purchase insurance in \$5,000 increments up to a max of \$50,000 for your spouse. However, you have the ability to purchase up to the lesser of \$500,000 or five times your annual salary for yourself. If you purchase an amount above \$80,000 up to \$500,000, the additional amount is not guaranteed. Therefore, you will be required to submit an Evidence of Insurability form and medical underwriting review will apply for the additional elected amount above \$80,000.

## SPOUSAL LIFE INSURANCE

You also have the option of purchasing supplemental life insurance for your spouse. Spouses are eligible to purchase coverage in increments of \$5,000 to a maximum of 100% of the employee elected benefit up to \$500,000. You can only purchase coverage for your spouse if you elect to purchase coverage for yourself. Amounts over \$15,000 for your spouse are not guaranteed. Therefore, your spouse will need to complete an Evidence of Insurability form and will be subject to medical underwriting approval for elected amounts exceeding the guaranteed issue amount of \$25,000.

## DEPENDENT LIFE INSURANCE

You also have the option of purchasing supplemental life insurance for your children. You may purchase a minimum of \$2,000 of coverage up to a maximum of \$10,000 in \$2,000 increments. # COMPLIANCE NOTICES

## HIPAA SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself and/or your eligible dependent(s) because of other health/dental/vision insurance coverage and if you lose that coverage, you may in the future be able to enroll yourself and/or your eligible dependent(s) in this plan, provided that you request enrollment with 30 days after your other coverage ends. If you are declining coverage for yourself and/or your eligible dependent(s) for any other reason, you cannot join the plan later unless you have a new dependent as a result of marriage, birth, adoption, placement for adoption, loss of Medicaid or SCHIP coverage, eligibility for Medicaid or SCHIP coverage, or during an open enrollment period, if applicable. You may then be able to enroll yourself and your eligible dependent(s), provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption, or within 60 days of Medicaid and SCHIP.

If you decline coverage for yourself and/or your eligible dependent(s) because of other health/dental/vision coverage or if you fail to request plan enrollment within 30 days after your (and/or your eligible dependent's) other coverage ends, you will not be eligible to enroll yourself, or your eligible dependent(s) during the special enrollment period discussed above and you will need to wait until the next open enrollment period to enroll in the plan's health/dental/vision coverage.

## NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT NOTICE

Group health plans and health insurance issuers may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following vaginal delivery or less than 96 hours following a cesarean section.

However, federal law generally does not prohibit the mother's or the newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours, or 96 hours as applicable. In any case, plans and insurers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours/96 hours.

## WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICE

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator .

## IMPORTANT NOTICE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with MOSAIC and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. MOSAIC has determined that the prescription drug coverage offered by UnitedHealthcare is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current UnitedHealthcare coverage may be affected. You may keep this coverage if you elect Part D and this plan will coordinate with Part D coverage. See pages 7-9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>) which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current UnitedHealthcare coverage, be aware that you and your dependents may not be able to get this coverage back.

### When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with MOSAIC and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

### For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information.

**NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through MOSAIC changes. You also may request a copy of this notice at any time.

### For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2016. Contact your State for more information on eligibility –

# Your Rights Under COBRA

Under Federal law known as COBRA (continuation of coverage), as a covered employee, you have the right to obtain a temporary extension of your group health insurance.

## INDIVIDUAL ELECTION RIGHTS

Each individual covered under your plan on the day before coverage was terminated is a “qualified beneficiary” and has independent election rights to continue coverage. This means that each dependent can elect independently to continue coverage, even if the covered employee chooses not to elect coverage.

## ELECTING COVERAGE

During your COBRA election period, benefits are not available to you. Therefore, any access to care or claims submitted would be denied. Following receipt of your election form and any applicable premium due, your benefits will be reinstated retroactive to the termination date, and claims may be submitted for payment in accordance with your benefit plan.

## PREMIUM PAYMENT

If you elect to continue your health insurance, you are responsible for the full premium payment for the coverage elected. The COBRA premium includes the employer and employee’s share of the premium. Following your COBRA election, you have a maximum of 45 calendar days from the date of your election to pay all past due premiums.

## LENGTH OF CONTINUATION COVERAGE

Coverage will continue for all qualified beneficiaries for a period of 18 months if coverage loss was the result of a covered employee’s termination (except for gross misconduct) or reduction of work hours.

Coverage will extend to qualified beneficiaries for a period of 36 months if the coverage loss was a result of any of the following circumstances:

- Death of a covered employee
- Divorce or legal separation from a covered employee
- Dependent ceasing to qualify as an eligible dependent
- Covered employee losing coverage as a result of Medicare

## DISABILITY EXTENSION PROVISION

The initial 18-month extension privilege may be extended for an additional 11-month period for a total of 29 months to all qualified beneficiaries if the Social Security Administration (SSA) determines that a qualified beneficiary was disabled according to Title II or XVI of the Social Security Act on the date of the qualifying event or at the time during the first 60 days of continuation coverage.

## COBRA EMPLOYER REQUIREMENTS

Employers are only obligated to offer COBRA coverage if they offer an employer-sponsored health insurance plan and they have at least 20 employees.

## YOUR RESPONSIBILITY

It is your responsibility to obtain the disability determination from SSA and to provide a copy to your employer within 60 days of the date of determination and before the original 18 months of COBRA expires. If you do not comply with these time frames, the additional 11 months of coverage will not be provided. It is also your responsibility to notify the HR Representative within 30 days if a final determination is made that you are no longer disabled.

## SECONDARY EVENTS (IF APPLICABLE)

Extension privileges may be extended beyond the original 18 months if, during the initial 18 months, a second event such as divorce, legal separation, death, Medicare entitlement or a dependent child ceasing to be an eligible dependent takes place. If a second event occurs, the original 18 months will be extended to 36 months from the date of the original qualifying event for the qualified beneficiary spouse and/or dependent child. The extension does not apply to the employee. If a second event occurs, it is your responsibility to notify the HR Representative within 60 days of the second event and before the end of the original 18 month COBRA expiration. In no event will continuation coverage last beyond three years from the date of the original qualifying event.

## NEW DEPENDENT & OPEN ENROLLMENT

If you adopt a child or if a child is born to you within your COBRA extension period, your coverage may be changed to include the new dependent. The change to add a new dependent must be done according to the rules of your plan. The new dependent will gain the rights of all other “qualified beneficiaries”.

## CANCELLATION OF CONTINUATION

COBRA continuation will end prior to the 18-, 29- or 36-month expiration period for any of the following reasons:

- Your former employer ceases to provide any group health plan to any of its employees
- Any required premium for continuation coverage is not paid within your grace period
