

# BEST PRICE PROMISE

WE PROMISE TO REFUND THE DIFFERENCE IF YOU FIND THE SAME PART CHEAPER

**Euro Car Parts** are dedicated to helping your business by offering you the best parts at unbeatable prices.

We are so confident that we won't be beaten on price that if, after buying a part from **Euro Car Parts**, you find the same part cheaper elsewhere within 24 hours, we will match that price!

In the unlikely event that you do find a part purchased from **Euro Car Parts** cheaper elsewhere here's what to do:

- 1) Check all the details. Is the part of the same quality from the same manufacturer & offered with the same payment terms and warranty?
- 2) If the parts match, send all the details to your local branch within 24 hours. Printed proof must take the form of a copy invoice or quote from the alternative supplier

We will then check the details and if the price is for a like-for-like part we will refund the difference on your next purchase.
