Gray Trotter
Broker/Auctioneer
336-701-2599

I'm writing to express our appreciation for the professional service we received from one of your realtors, Gray Trotter. We feel strongly that one can learn more of a person's character in watching how they react when things don't go their way rather than how they react when they do. Such was our case with Mr. Trotter. Unfortunately, we pulled out of a home purchase one hour prior to our scheduled closing after Mr. Trotter completed extensive legwork. Despite this disappointment, Mr. Trotter maintained his professionalism, kind demeanor and dedication to servicing us. He in fact worked with the seller to have our earnest deposit returned even though we were past the redemption period. My wife and I truly appreciated how Mr. Trotter continued to service us even when he had nothing to gain and clearly things "did not go his way". I want you to know that you have a have fine team member who displayed noble character. Please feel free to extend our appreciation to Gray and your entire team.

Sincerely,

Dan and Kathy Savoie
