HIGH FASHION

18.10 is the finest quality stainless steel, containing lustrous properties that are hard wearing and rust resistant.

The Viners range of 18.10 use a heavy grade of steel which is then shaped and polished to a high standard, using artisans who have perfected the skill of a fine and detailed finish over many years.

The latest High Fashion ranges incorporate new textures and materials to create a show-stopping statement for your table.

Accompanied with a 50 year guarantee.

THE STUDIO COLLECTION

Viners employed a number of eminent designers in the late 50's, 60's and 70's. An original heritage design, Studio was created for Viners by leading silversmith and artist Gerald Benney. His pieces can still be found in homes up and down the country and his ranges were a 'must have' on every wedding list in the 60's. Due to the ever growing popularity of the iconic style, we have extended the cutlery range to include matching tableware items.

KNIVES & KNIFE BLOCKS

We understand the importance of reliable, good quality kitchen knives that are used on a regular basis. That's why Viners have designed and developed a variety of high performance knife and knife block sets crafted from best quality materials for lasting performance and durability. Ergonomically designed for precision, confidence, balance and control. A variety of colours, textures and finishes for all kitchen styles are available.

FROMAGE

The Fromage cheese set is crafted from strong stainless steel, finished with beautiful rosewood handles. Each individual cheese tool is designed bespoke to meet your need for all types of cheese.

- The soft cheese knife features a sharp thin blade to prevent the cheese from sticking. Perfect for Brie and Camembert.
- The Hard cheese knife features a heavy, sturdy and sharp blade that slices through the harder cheeses with ease.
- The cheese fork can be used for serving cheese that has already been cut.

The Titan Black 6 Piece Knife Block Set displays the stunning knives in a lustrous black colour. The blades are made from high quality stainless steel to create a harder, stronger blade that will maintain sharp cutting edges and have significantly greater corrosion resistance. All blades have a full titanium coating and are taper ground. The handle has an extra soft grip with double bolster for handling comfort and safety. The unique design on the magnetised block helps emphasise the jet black knives. With a 10 year guarantee.

PANS

A vital part of every kitchen, the Viners range of pans are all built to stand the test of time. All of our pans feature riveted handles for superior strength and durability. Handles have been ergonomically designed to maximise comfort and grip.

Within the pan collections, we have developed different styles and designs to suit all types of kitchens, providing a comprehensive range of options for all cooking needs.

FORGED ALUMINIUM PANS

The Forged Aluminium Pan range offers style as well as practicality, finished with a matte black coating. The pans feature ergonomically designed, stainless steel handles for maximum comfort while cooking. Non-stick coating requires little or no oil for healthier lifestyles. The forged pans are lightweight but strong and dishwasher safe. With a 5 year guarantee.
