SAVVY *SG* GLASS

Unleash The Decorator In You....

Your home and every wall and window in it is a blank canvas that ultimately reflects your personality. Your home is a curio of glass and stained-glass art images that portray your passions, interests, beliefs, hopes, and dreams.

Explore an extraordinary collection of glass and stained-glass art for your home and office: stunning glass sinks, lighting, sculpture, vases, bowls, hand blown glass, urns, ornate chandeliers, lamps, windows, panels, fireplace screens, furniture, mirrors and more!

We donate a portion of our profits to The National Gallery of Art in Washington, DC, for the museum's art education programs.

We also support The Homeless Pet Foundation where we adopted our mascot Sadie Boo. Pets and art bring such joy, entertainment, and light into our lives! Miss Sadie inspired our umbrella company, Sadie BOOtiques, LLC.
