Beautiful Carmen Electra - The face of New Nordic's Skin Care™

Beauty from within

Carmen Electra's secret to young and radiant looking skin is a healthy diet and Skin Care Collagen Filler™ tablets containing natural astaxanthin, which studies have shown can significantly reduce fine lines and facial wrinkles.

Why use skin care in a tablet?

Skin Care Collagen Filler tablets nourishes the living collagen

producing cells in the deep dermal layer where traditional anti-aging creams can't reach. That's the benefit of beauty from within.

Your skin becomes more receptive to fine lines and wrinkles and loses it's firmness and moisture.

The Carmen Electra ad campaigns Fall 2016

Carmen Electra is partnering with New Nordic to start in the brands ad campaigns.

Carmen Electra, a user herself of New Nordic's Skin Care, is very excited to be part of the collaboration coming this Fall 2016.

For orders and information, contact your Select Nutrition representative or visit us at www.newnordicus.com 1-877-696-6734

Skin Care Collagen Filler tablets nourish your skin with nutrients that reach deeper dermal layers, where collagen is produced. The small easy to take tablets can be used by both women and men.

THE INDIAN HEMP & HAITIAN VETIVER COLLECTION

HUMBLE BEGINNINGS

We got our start as street vendors in Harlem. Fresh out of college and without jobs, we set out to bring the healing traditions of African Black Soap and Shea Butter to the community we loved. Today, Nubian Heritage offers hundreds of culturally authentic all-natural products inspired by global ancient healing philosophies.

WHAT WE STAND FOR

For over two decades, we've gathered traditional healing practices from around the globe and remixed them into 21st century wellness solutions. We are dedicated to alleviating poverty in the communities that make up our supply chain. We strive to make wellness accessible and available across our communities.

HERITAGE

Cultivated in China as early as 4000 BC, Hemp has had a long history of use for food and skincare. Vetiver, known in Asia as the "Oil of Tranquility," is used in tropical communities to create calming, soothing remedies. Nutrient-rich Neem oil forms the foundation of Ayurveda, the Ancient Indian practice of healing. This line combines the protective and rejuvenating qualities of Hemp Seed Oil—rich in Omega-3 and Omega-6 fatty acids with Neem Oil and fragrant Vetiver.

No Gluten, No Parabens, No Phthalates, No Paraffin, No Propylene Glycol, No Mineral Oil, No Silicones, No Artificial Fragrance, No Synthetic Color, No DEA, No Sulfates, No Animal Testing. NEVER.

LET US INTRODUCE YOU TO LIFESAVING VITAMIN A

Vitamin A is one of 5 nutrients critical to a child's growth and development. By delivering vitamin A to children who are unable to get it from their daily diets, Vitamin Angels is helping to substantially reduce the risk of loss of vision, serious illness, and even death. A child only needs one of these tiny capsules, twice a year. Small capsules, huge impact.
