WELCOME TO ROCS TRAVEL

We do Travel with Passion

Travelling with ROCS is a great opportunity not just to see the world but to see a world of possibilities. We take care of all of the little details, so you can take it all in, find your own path and share our sense of discovery.

From quick breaks to epic journeys, our trips cover the world from all angles. It's about making every moment count. At ROCS, that's what we do best.

Amazing Places to Stay

Hand-picked Hotels

Whichever way you choose to travel, we'll hook you up with some special places to stay. From an Ocean Oasis Bungalow at the W Retreat & Spa in the Maldives to a Roman Villa in Italy or a night on a traditional Junk boat in Vietnam, you can travel your own way. You can even plan your trip around festivals and events, such as New Year's Eve in Disneyland or the Shopping Festival in Dubai.

Unrivalled Value

You can't do all that we do for less.

Compare ROCS to travelling on your own & you'll be surprised. Booking independently, hence online isn't all it's cut out to be. Hidden costs & taxes, dodgy accommodation, over-inflated peak season prices, taxis & locally guided tours can all end up costing way more than you think. What's more, you have to sort it all yourself. We've done the math & compared a typical ROCS Holiday to a day doing the same on your own. You can't get close to the same quality of accommodation, amazing food experiences & exclusive inclusions for the same price. What's best, our qualified ROCS team are here to share their exclusive knowledge, to make your trip hassle-free & show you a jaw-droppingly, eye poppingly good time. It's all part of the ROCS Service.

Only ROCS Gives You More

See more. Do more. Get more.

We've compared typical third party packages to those that ROCS offer. When you travel with ROCS you see more, get more and save more too. They can't do all that we do for as little as we do it - see for yourself why ROCS is the best bang for your buck. The same applies to our ROCS Travel Tours - more must-see sights, more activities & more amazing places to stay. Our tour days are full with outstanding properties in the heart of the cities. But don't just take our word for it. Check out some tour reviews and let fellow travellers tell you in their own words what makes ROCS different.

SKIING

TAKING YOU TO THE TOP - FOLGARIA SKI

SKI IN FOLGARIA - TRENTO THIS YEAR. A SKI RESORT WITH SO MUCH MORE!

You want peace and quiet, mountain rivers and rocks, the mysterious enchantment of the woods with absolute stillness.

Throw in some relaxation and ever-changing views together with towering beauty of the peaks, the slow and gentle snowfall, and then the perfect ski run.

What about a huge variety of slopes, excitement, a pulsing heartbeat, add in new feelings, new tastes, genuine flavours to be relished, fun, unusual sports, hospitality.

all of this and more in a single word... Folgaria.

SKI AREA FOLGARIA LAVARONE: 100 KM for a lot of fun!

The mountains of Alpe Cimbra are unforgettable for their 100 Km of slopes and wide views that reach the beautiful peaks of the Alps. For example, from Monte Piovèrna it is possible to admire fascinating peaks like Pale di San Martino, Pasubio, Marmolada, Adamello, Cevedale, Ortles, Gruppo di Brenta, Piccole Dolomiti Venete e Catinaccio.

Specifically, there is something for everyone at Alpe Cimbra: exciting skiing in between the forests for the lovers of slow skiing, technical descents for expert skiers and for nature lovers, there is always the chance to glimpse wild animals hiding in the woods

Usually snowfalls from the start of December to the end of April. In case of unusual weather conditions, snow is guaranteed at Alpe Cimbra anyway, thanks to one of the most modern programmed snowmaking system (100%). The ski area is characterised by more than 50 slopes, which develop along a very wide area. The descent varies significantly from one slope to another, which is the reason why skiers love our ski centers.

The quality of the slopes and snow cover is well-finished. Since a couple of years ago, skiers recognised it as one of the most comfortable in the Trentino region. This aspect is vital in order to ensure safety, fun and clear movement around the ski area. The ski passion of Alpe Cimbra goes back to a long time ago. For instance, the popular slalom race known today as Tre-Tre, an international Ski World Championship, took place for the first time in the Alpe Cimbra. Several international ski champions grew up on the slopes of Alpe Cimbra. Today, Alpe Cimbra has hosted several editions of Topolino Race, which is the most important international alpine skiing race for young people. Similarly, the Italian ski race team often trains on the black slope, called Agonistica.

Finally, the offer is completed when looking at the several opportunities that Alpe Cimbra ensures to lovers of back-country skiing - for example, mountain of Cornetto is the ideal locus for this kind of activity, as much as Cima Vezzena and Cima Portule - telemarking and snowshoeing. Also, freestyler skiers will have great fun in the several Snow-parks, Fun Parks and border cross trails.

FOLGARIASKI ADVENTURE

WITH DR. GREGORY

8 DAYS 09 JAN - 16 JAN

A PARADISE FOR FAMILIES 100 KM OF PURE SKI-ING! - A HOLIDAY IN FOLGARIA LUSARONE LUSERNA IS AN ABSOLUTELY UNMISSABLE EXPERIENCE

The name Alpe Cimbra labels the area of Folgaria, Lavarone and Luserna, in the province of Trento. It is an ideal site for everyone that loves snow and related outdoor activities. With its 100 Km of slopes, it is the perfect destination for skiers. Cross-country skiing lovers will not be disappointed either with more than 80 km of tracks. Alpe Cimbra offers a superlative winter holiday experience that delights children and adults.

Today, the Villages of Folgaria, Lavarone and Luserna represent a significant and interesting alternative to the well-known destinations of the Dolomites. The landscape is the first aspect that attracts pleasantly the attention of visitors. For instance, Alpe Cimbra is unique in its kind. It differs from the popular and common ideas about alpine environments of Trentino. It is characterized by boundless horizons, wide extended forests and mountains that symbolise the area. On the background, it is still possible to admire the beauty of the Dolomites of Brenta.

SHOPPING, FUN FOOD AND WINE

Espresso or cappuccino and a slice of apple cake make for an ideal start to a day on the snow. And for lunch choose between the many traditional dishes, maybe while enjoying the view from the terrace of a high Alpine refuge. One of the things you absolutely

can't miss is shopping, spending some of your stay browsing the shops for those eye-catching or unusual items, be they local specialties or anything else that takes your fancy. Then there are the wine bars, pubs, microbreweries and discos for fun and socializing. And don't go home without having tried the local specialties: speck, Vezzena cheese, honey, strudel, wines and grapes.

Hotel Luna Bianca is a new modern hotel it is situated in front of beautiful, peaceful and breathtaking mountains. Experience tranquility whilst you unwind and take in the sights and breathe in the fresh, healthy mountain air. The Hotel is surrounded by some of Italy's most spectacular scenery and has a warm and welcoming atmosphere. CEFALU

Cefalù is notable for beautiful sunsets, unpretentious charm, and a very appealing blend of ingredients for an Italian seaside holiday. Sandy beaches, a picturesque historic town on a rocky headland, some high culture in the shape of a fine Norman cathedral, decent transport links, Sicilian food and sunshine all add up to make the town one of Italy's most attractive seaside destinations.

Unlike the modern beach resorts and developed fishing villages which dot Italy's coast, Cefalù has some grandeur in its past - it was important enough that one of Sicily's Nor-

man rulers, Roger II, would build a glorious cathedral here. While its later history was less distinguished, there are some substantial and elegant buildings in the town, as well as reminders of Sicily's varied influences, not just Norman and Byzantine, but also Arab, Spanish and finally Italian. Nowadays tourism is a big and profitable industry here, and the modern town spreads out along the coast from the centro storico (historic centre).

Cefalù is pronounced chef-a-loo, with the stress on the accented last syllable.

4* LE CALETTE RATING 8.3

Hotel Le Calette is set in a splendid bay, overlooking the sea, a short distance from the centre of Cefalù. It has a private beach, a spa, and a green park. All rooms at Le Calette are air-conditioned and have Pay TV. Some offer views of the sea or of the garden. Le Calette's restaurant serves typical regional cuisine. Situated in one of a beautiful area of Sicily, Le Calette Hotel is just a few km from the Madonie Mountains.

CYPRUS

If you are one of those 3000 travellers who visited Cyprus with ROCS Travel last summer, one of those who have seen and fallen in love with the island of Aphrodite. Most of those who visited came back with very similar comments. The Maltese just love Cyprus. Yet for those not yet familiar with Cyprus, the best and most used adjectives that would top the list when writing about this wonderful island, would undoubtedly include 'sun-kissed', 'sharply contrasting', 'unhurried', 'irresistible', 'fascinating' and such like.

Since 2007 the Island of Fun, Love and Sun has been one of ROCS Travel's most requested and popular destinations. For the past years ROCS have been simply amazed by the amount of positive feedback received about this island. The comments have just been impressive. One of the most influential factors has been the Cypriot people themselves at the root of the Cyprus's famous hospitality, having a fascinating blend of Roman,

Byzantine, Greek and British influenced characteristics and traits.

In fact in the past years more than 80% of the passengers travelling to Cyprus have opted to travel with ROCS to this wonderful Mediterranean island. Maltese public feel at home in Cyprus. Moreover very much like the Maltese, the Cypriots are very friendly and share the same theory of celebrating life in the warm sun.

In turn ROCS Travel has made it a point to repay this trust by assuring the Maltese public that when travelling to Cyprus, the service on offer is unique, with a meet and greet for all ROCS travel passengers upon arrival, together with hand-picked partner hotels and resorts specially chosen by the directors themselves. All these come with a guarantee of not only having the very best rates found on the local market yet also internationally and online.

CROISI CRUISES

SEE EUROPE IN A SPECTACULAR WAY

Cruises Around The World

Canals-Rivers-Coastal

Europe's Largest River Cruise Line

ROCS Travel proudly announces Malta's representation for Europe's Largest River Cruise Line - CroisiEurope. With a fleet of more than 40 ships you can opt from a choice of dazzling riverside cities in France, Italy, Spain, Germany and Belgium — to the romantic Rhine Valley, the Rhône and Saône, the Seine, the beautiful blue Danube, the Douro Valley, Venice, and more such as Asian Cruises including exotic destinations such as Vietnam, Cambodia, Laos and India to name a few.

CroisiEurope take you away for much less and still includes it all.

Other cruises may offer good food yet with CroisiEurope you will cruise with your own on-board French restaurants. On most Cruises, drinks are also included and free drinks are provided with every meal inclusive of a large selection of wine and beers too. Drinks served at the bar are included in the full price of the cruises as well.

River Cruising: The Difference between River Cruising and Coastal Cruising

Imagine gliding past quaint villages, ancient hillside castles and stone forts; past sun-drenched olive groves and vineyards, snow-capped mountains and thundering gorges; under glittering night-lit bridges in exotic cities. Imagine eating first-class French cuisine while floating on a sparkling river, watching the gorgeous landscapes pass by.

These ships are like floating hotels; small enough to moor at a town or city port yet large enough to provide every amenity. Envision your ship docking in the heart of a beautiful, historic European city: its treasures of art, music, food, culture, and history await your leisurely exploration. This is river cruising. The pace of river cruising is relaxed and tranquil, with unbeatable gorgeous scenery that changes every moment and one which you will be only able to experience through river cruising. River cruising is smooth too, so there's no need to worry about seasickness.
