PGA Junior League

PGA Junior League Golf is a fun opportunity for boys and girls ages 13 and under to learn and enjoy the game of golf. Much like other recreational league sports, participants wear numbered jerseys and play on teams with their friends. PGA Junior League Golf utilizes a scramble format to earn points contributing to a team total. For more information on participation, please contact the Golf Shop or visit pgajlg.com

Junior Golf School

Our 2017 Junior Golf Schools consist of six hours of instruction over the course of two days. These schools are for junior golfers ages 9-14 that have some experience on the golf course. The schools will provide insight into all aspects of the game as well as competition amongst the participants. The overall goal of the school is to inspire and grow confidence in each junior golfer through competition and comradery. Our hope is that these schools will inspire junior golfers to keep score, improve their scores and compete. Each student will receive a practice plan upon completion to help them to reach goals they are looking to achieve.

Parent Child Tournament

The Parent Child Tournament is a fun way for Parents to enjoy golf with their children. The Tournament is a fun family based 9 hole event with low pressure formats. This is a great way for junior golfers to meet one another and create friendships that they can continue to build on the golf course.

Junior Club Championship

On August 12th we will hold our Annual Junior Club Championship. We will have boys and girls broken up into several age divisions. Our overall Junior Club Champions will receive their name on the cup in our Heritage Hallway and a seat at the Champions Dinner.
