**BASA is pleased to present an opportunity for a morning with Petteri Elo, a Finnish educator, visiting the United States on a Fulbright Scholarship. Petteri will provide an overview of the Finnish education system and discuss details of the curricular reforms taking place in Finland. His concentration includes increasing student engagement in the classroom and skill-based approaches to teaching and learning; key elements in their new curriculum. This is an excellent opportunity to learn first hand regarding the Finnish system. Please plan to bring your team.**

**Our partner, Education First (EF) and a group of BASA members had the unique opportunity to meet Petteri during the Global Student Leaders Summit trip to Davos, Switzerland. It is our good fortune to be able to invite him to share this unique opportunity to you and your team.**
