## XJ Hot

The Callaway XJ Hot set comes with everything your junior player needs to take on any course. The lengths, weights and lofts are designed specifically for juniors to help them where they need it most. The increased hosel offset helps square the face at impact for improved distance and accuracy. Distance is made easy in this set as every club is configured to generate more power for more distance. The center of gravity and perimeter weighting are strategically placed to help get the ball up in the air quickly and easily, something every young player wants to see. And lastly, this all-in-one set is designed to give juniors everything they need to play well. The clubs are engineered to improve distance control, with high ball flights out of a variety of lies to give them confidence on each shot.

Boys 5-8 and 9-12

Girls 5-8 and 9-12

Whether this is the first exposure to golf or you're looking to take your child's game to the next level, TGA has a program to fit your needs. TGA has developed a Junior Golf Player Pathway to help guide families through the journey of learning and playing this amazing sport.

The pathway consists of four core TGA programs which are progressive in their skill level, knowledge requirements and challenges; yet also complimentary to one another so children can participate in all four programs throughout the year to continue developing and refining their game.

The common entry points for new players are through our instruction-based Golf Enrichment Programs and Golf Camps before moving on to Play Days and Leagues which focus on gaining on-course experience in a low-pressure setting. ## HP25 VARSITY TEEN BOX SET

HP25 Varsity is perfect for young teens who have outgrown a kids set but aren't quite ready for adult clubs. The set features a titanium matrix driver for longer drives and the maximum-allowed 460cc clubhead for a higher MOI (the club's ability to resist twisting) for increased forgiveness even on off-center hits.

To help reach par 5s in two, the HP25's oversize, low-profile 3-wood has a low center of gravity, making it easier to hit from tight lies and get the ball easily airborne. The set also includes an easy-to-hit #4 hybrid designed for maximum carry and a soft landing on the green. Complimenting the hybrid are oversized stainless steel irons that feature extreme heel/toe weighting for a larger sweet spot and straighter, more forgiving shots.

To make more putts, the HP25 Varsity set includes a high-MOI, heel-toe style putter with an easy alignment aid for maximum accuracy. The set also includes a lightweight stand bag with a comfortable dual strap and fast-action stand.

**Street Price - Starter Set: \$229.99**

# U.S. KIDS

**U.S. Kids Golf**  
*...leading the world in kids golf.*

When young players play with clubs that fit, they quickly develop golf swings that will last a lifetime. The proper club length and weight are keys to solid fundamentals, and that's why players are fit into U.S. Kids Golf clubs based on height, not age. We have three lines of golf clubs that are designed to offer options for every skill set: Yard Club, Ultralight, and Tour Series.

## **RIGHTSTART** **YARD CLUB**

Yard Club is a super-lightweight club designed to give the right start when first playing the game. The oversized aluminum head provides more hitting area that helps get the ball in the air! And since the grip is the most important part of the game, Yard Club comes with a special training grip for learning proper hand position.

Designed for beginning players who want a great training club to start. Yard Club can be used in the back yard or on the range while developing basic skill sets.

Offered in 9 sizes, 39"-63"  
**\$44.99**

**CLICK FOR U.S. KIDS FITTING GUIDE**

***"GROW OUT OF YOUR CLUBS, NOT INTO THEM"***

**“PERFECT SWINGS BEGIN WITH A PERFECT FIT”**

## U/L ULTRALIGHT

Beginning golfers will find continued success with Ultralight because each club is designed and engineered to promote maximum clubhead speed.

Designed for players who have played some golf, but need a lighter club to improve club head speed. Basic golf skills are developing such as putting, chipping, and pitching.

Offered in 9 sizes, 39"-63"  
**Starting at \$229.99**

## TOUR SERIES

For intermediate to advanced golfers, Tour Series offers the technology expected by serious players while maintaining the U.S. Kids Golf fitting philosophy.

Designed for players who show intermediate-to-advanced skills, play competitive golf events, and have higher-than-average swing speeds. Tour Series is a natural bridge that prepares a player for adult clubs.

Offered in 5 sizes, 51"-63"  
**Starting at \$309.99**
