¹ Limited-time offer applies to new business services and locations. Price shown applies to monthly rate of 1.5 Mbps Internet service and 1 Expansion Pak II voice line with unlimited nationwide calling and features, including voicemail. Requires 3-year term commitment. After 36-month promotional period, standard rates apply. Unlimited nationwide calling includes direct-dialed calls originating and terminating in the U.S., U.S. Territories and Canada. Qualifying services must be billed to the same FairPoint phone number. Pricing reflects a fixed discount on the monthly base rate for the service. Base rates are subject to change during the term. Early termination and other terms, conditions, taxes and additional charges apply. Equipment charges may apply. Speed and uninterrupted service not guaranteed. Internet services may not be available in all areas or at the rates or speeds generally marketed. Services and pricing subject to change. © 2016 FairPoint Communications, Inc. All rights reserved.

² \$50 gift card offer is available for a limited time to new business customers who purchase a new Internet service (at least 1.5 Mbps) by June 15, 2016. Gift cards will be provided to customers who mention offer code "hsgc50" at the time of purchase. Gift card redemption instructions will be provided approximately 4-6 weeks after purchase is complete, along with any additional terms and conditions associated with gift card redemption. Offer subject to change.

³ Separate terms and conditions apply to Zipwhip service. Visit the Zipwhip website for details: <https://zipwhip.com/legal#terms-of-service>.
