“The ball speed gains are real...and it's immediately obvious when you hit the club.”

Dr. Alan Hocknell

SVP of R&D
Callaway Golf

Callaway GBB Epic Driver

GBB EPIC DRIVER | \$499.99

The GBB Epic Driver represents an epic shift in how the head and face behave to enhance power, spearheaded by our innovative Jailbreak Technology and Exo-Cage/triaxial carbon construction. Any golfer, from scratch players to high handicappers, should find more speed, distance and control with GBB Epic.

GBB EPIC SUB ZERO | \$499.99

The GBB Epic Sub Zero Driver is a true paradigm shift: a powerful, low-spinning Tour-level driver that's also incredibly forgiving — an unheard of combination. Its high speed / low-spin characteristics make it particularly appealing to Tour pros, yet it's so exceptionally forgiving and easy to launch that a wide range of players will want to play Epic Sub Zero.

Callaway GBB Epic Fairway

GBB EPIC FAIRWAY | \$279.99

GBB Epic fairway woods incorporate our revolutionary and proprietary triaxial carbon composite material to enhance forgiveness, power and accuracy in a huge way. The triaxial carbon crown weighs just 5.8g, making it an incredible 78% lighter than a steel crown.* The saved weight is redistributed into strategic locations within the head to maximize MOI and lower the CG, making Epic fairway woods extraordinarily easy to launch.

GBB EPIC SUB ZERO | \$279.99

GBB Epic Sub Zero fairway woods are fast, extremely forgiving and low-spinning to promote a remarkable combination of distance and control, led by Callaway's proprietary Triaxial Carbon, next-gen Hyper Speed Face Cup, innovative Speed Step, and adjustable weighting.

Callaway Steelhead XR Hybrid

STEELHEAD XR HYBRID | \$219.99

Steelhead XR Hybrids are designed for an unparalleled combination of distance, forgiveness and playability from industry-leading technologies like our Next-Gen Hyper Speed Face Cup and advanced shaping.

Callaway Women's BB Fusion Driver

BIG BERTHA WOMEN'S FUSION DRIVER | \$399.99

A Material Change In Forgiveness And Distance. The Women's Big Bertha Fusion Driver is a material change in forgiveness and distance, led by Callaway's revolutionary titanium Exo-Cage and ultralight triaxial carbon crown, with a new and innovative shape, and industry-leading aerodynamics.

Callaway Women's Steelhead XR Irons

WOMEN'S STEELHEAD XR IRONS | SETS FROM \$899.99

Signature Shape Meets Breakthrough Performance. The Steelhead XR Irons are where a signature shape meets breakthrough performance with Callaway's industry-leading, next generation 360 Face Cup. They deliver the finest combination ever of speed, forgiveness, distance and control in a Callaway iron.

Callaway XR 16 Driver

XR 16 DRIVER | \$299.99

The XR 16 Driver is where forgiveness meets fast. Callaway worked with Boeing on their most aerodynamic head shape and a redesigned Speed Step, put in more MOI and added more speed with our next generation R•MOTO face.

XR 16 FAIRWAY WOOD | \$199.99

The XR 16 Fairway Wood is bigger, hotter, and more forgiving with a new Hyper Speed Face Cup that leads to even more speed and distance.

VALID APRIL 1 - APRIL 30, 2017

Callaway Steelhead XR Irons

STEELHEAD XR IRONS | FROM \$799.99

The Steelhead XR Irons are where a signature shape meets breakthrough performance with our industry-leading, next generation 360 Face Cup. They deliver the finest combination ever of speed, forgiveness, distance and control in a Callaway iron.

STEELHEAD XR PRO | FROM \$899.99

The Steelhead XR Pro Irons are where a signature players' shape meets breakthrough performance with our industry-leading 360 Face Cup. They deliver the finest combination of speed, playability, distance and shot-shaping control in a more compact head shape.

Callaway Big Bertha OS Irons

BIG BERTHA OS IRONS | FROM \$1099.99

Big Bertha OS Irons promote more distance in an entirely new way, led by extraordinary light and strong Exo-Cage that allows us to strategically position weight to increase forgiveness, and helps our industry-leading, next-generation 360 Face Cup produce even faster ball speeds and more distance.

Callaway Apex CF 16 Irons

APEX CF 16 IRONS | FROM \$1199.99

Apex Irons are precision engineered with Callaway's industry-leading, category-defining 360 Face Cup technology to give you exceptional, consistent ball speed across the face and playability in a forged players iron.

EASY TO HIT. EASY TO SCORE. GOLF MADE EASY.

Cobra XL Irons & Hybrid/Iron Sets

E9 ZONE FACE

Helps to increase ball speeds and distance on off center hits for more consistency.

BACK CG WEIGHTING

Delivers low spin and higher launch trajectories for beginner to intermediate women golfers with slower swing speeds, creating maximum distance without sacrificing forgiveness.

MODERN IRON HEAD SHAPE

Perimeter weighted, cavity back design provides the best combination of distance, forgiveness, and feel.

UNIFLEX STEEL IRONS | \$349

4-P and SW

GRAPHITE/STEEL COMBO SET | \$399

4H, 5H 6-P and SW, Uniflex Steel

ALL GRAPHITE COMBOS | \$449

Regular Mens: 4H ,5H 6-P and SW

Senior Men's: 4H ,5H 6-P and SW

Ladies: 4H ,5H 6-P and SW

MEN'S

WOMEN'S

Cobra Women's KING F7 Irons

**WOMEN'S KING F7 IRONS | \$799.99
7 PIECE SET**

KING F7 irons utilize COBRA's TECFLO construction to deliver a set that utilizes advanced construction technologies to optimize the performance characteristics of each iron, with new PWRSHELL™ faces for added distance, precision and forgiveness and T.O.P Technology for lower CG.

Cobra Women's KING F7

DRIVER | COBRA CONNECT \$349.99

Three different center of gravity (CG) settings in the front, back and heel positions produce three very different ball flights. Move the heavier 8g colored weight to the front position for a lower, penetrating ball flight with less spin and more roll, or place the weight in the back position for a higher, towering ball flight with added spin for more carry. Lastly, when moved to the heel position, it works to create more draw spin to correct a slice by delivering straighter drives.

KING F7 FAIRWAY | \$239.99

New Baffle Rail Technology: A smoother, progressive Rail design that provides forgiveness from any lie.

KING F7 HYBRID | \$199.99

New Baffle Rail Technology for ultimate forgiveness from any lie.

Cobra Men's KING F7

DRIVER | COBRA CONNECT \$349.99

The KING F7 Driver debuts as Cobra's first connected golf club, powered by Arccos technology. Equipped with 3 Center of Gravity settings for maximum distance.

COBRA CONNECT

An integrated GPS device allowing you to Track Your Distance™, and analyze your driver stats from all your rounds.

KING F7 FAIRWAY | \$239.99

The KING F7 Fairway is Cobra's longest & most forgiving adjustable fairway with both rails and adjustable front to back CG to maximize distance through optimized launch and spin.

KING F7 HYBRID | \$199.99

The F7 Hybrid is Cobra's first hybrid with rails technology for ultimate forgiveness. Features adjustable lofts to optimize distance.

COBRA CONNECT

Powered by Arccos, golfers can automatically track the distance and accuracy of every drive. COBRA CONNECT users simply pair their club and phone with the free Arccos Driver smartphone app to receive their performance data, access rangefinder GPS distances for over 40,000 international courses.

CLUBS WITH COBRA CONNECT

KING F7+, KING F7 and KING LTD Black all come equipped with COBRA CONNECT™ club tracking technology.

Cleveland RTX-3 Blade

BLADE | \$129.99

The RTX-3 Blade gets you closer to the hole than any wedge Cleveland Golf has ever made. The blade shape design is ideal for maximizing all-around wedge performance.

Available Finishes: Tour Satin, Black Satin and Tour Raw

Standard Shaft: True Temper Dynamic Gold Wedge Flex

Cleveland RTX-3 Cavity Back

CAVITY BACK | FROM \$129.99

The RTX-3 Cavity Back gets you closer to the hole than any wedge Cleveland Golf has ever made. The slightly larger cavity back shape promotes confidence and increases forgiveness.

Available Finish: Tour Satin

Standard Shaft Options: True Temper Dynamic Gold Wedge Flex, Rotex Precision Graphite Wedge Flex

Cleveland — Womens RTX-3 Cavity Back

WOMEN'S CAVITY BACK | FROM \$129.99

The Women's RTX-3 Cavity Back gets you closer to the hole than any wedge Cleveland Golf has ever made. The larger cavity back shape and lightweight graphite shaft promote a high, easy launch.

Available Finish: Tour Satin

Standard Shaft Option: Women's Action Ultralite 50 Wedge Flex

**MP IRONS
NOW \$999.99**

Mizuno MP25 Irons

MP25 IRONS (8 PIECE SET) | \$999.99

The MP-25 irons strike the perfect balance between giving the player added distance without sacrificing one ounce of feel and ball control. A stunning tour inspired design, utilizing our innovative Grain Flow Forged 1025 Boron.

To help activate the 1025 Boron material, Mizuno's team of designers created the Micro-slot which helps the face flex for added distance.

Also, with standard lofts, the MP-25 iron maintains proper gaps between irons so that the player has ideal distance control.

Mizuno MP5 Irons

MP25 IRONS (8 PIECE SET) | \$999.99

The MP-5 is the ultimate geometric blend of a Mizuno classic muscle back and a players' cavity design.

The Channel Back design is a new way of distributing the weight in the club head to allow for an increased level of forgiveness while still maintaining the feel, look, and control of a traditional muscle back.

With intense Tour Player hit tests and feedback, the updated Channel Back delivers a new level of forgiveness for a wide range of abilities.

**S5 WEDGES
NOW \$89.99**

Mizuno S5 Wedges

S5 WEDGES | \$89.99

The S5 wedges deliver elite feel and shot control in a new enticing Silhouette profile. The Silhouette profile is a softer version of the popular Teardrop shape so that when players open and close the wedge, the profile always appears aligned to the target.

The S5 wedge is available in 25 loft and bounce offerings so all possible distance gaps may be covered. High bounce versions carry a visible 15% sole grind and the low bounce offerings carry a 25% sole grind. These grinds aid in helping the high bounce versions to play higher and the low bounce versions to play lower.

Forged from Mizuno's patented Grain Flow Forging process and carrying Mizuno's exclusive Quad Cut grooves, the S5 wedges deliver on the promise of solid feel and ball stopping spin.

Available in White Satin or Blue Ion Finish

CUSTOM SHAFT AND GRIP OPTIONS AT NO EXTRA CHARGE

FOR BALANCE

Mizuno JPX 900 Forged Irons

JPX 900 FORGED IRON | \$1199.99

Built on the foundation of the highly regarded JPX 850 Forged which was Mizuno's first integration of Boron, the JPX 900 Forged makes 'across the board' enhancements that improve the look, feel and distance, with new levels of ball speeds from a forged iron.

- Grain Flow Forged 1025 Boron
- Harmonic Impact Technology for soft, solid, consistent feel
- Reengineered CNC Milled Pocket — For our thinnest forged face
- New CORTECH Design
- Power Frame

FOR SPEED

Mizuno JPX 900 Hot Metal Irons

JPX 900 HOT METAL IRON | \$899.99

With the JPX 900 Hot Metal Iron, Mizuno set out to Engineer the Longest, Hottest, broad appeal iron we've ever made. By utilizing new materials and new methods of construction, they were able to achieve this, and produced an unmatched level of ball speed.

- Chromoly 4140M
- 360 degree One Piece Cup Face
- Re-engineered CORTECH face
- Power Frame
- Triple Cut Sole

FOR PRECISION ▼

Mizuno JPX 900 Tour Irons

JPX 900 TOUR IRON | \$1199.99

The JPX 900 Tour combines the best attributes of Mizuno's Grain Flow Forged Player's irons, with the advanced weighting strategies, and aggressive styling of our JPX series, providing a compact, workable iron with a surprising level of playability.

- Grain Flow Forged 1025E
- Tour Proven Sole Design
- Power Frame
- Compact Head Size
- Mizuno Tour Level Feel

Ping G Le Driver

G LE DRIVER | [SEE STORE FOR PRICE](#)

Standing on the tee, a player wants to know she doesn't have to swing extra hard to launch the ball far and straight down the fairway. The new lightweight G Le driver is well-equipped with game-improvement technology, custom-engineered to maximize results from women's swing speeds for consistently better drives.

- 460 cc titanium driver (11.5° loft) engineered especially for women with a T9S face that is thinner than the G driver face to match women's swing speeds resulting in higher ball speeds for more distance and optimal spin and launch.
- Crown turbulators and Vortec Technology combine to improve aerodynamics for greater clubhead speed
- Dragonfly technology positions center of gravity for increased MOI for greater forgiveness and consistency
- Heel-side CG and lighter swingweight produces straighter ball flight
- Adjustable hosel (+- 1° loft) allows women to optimize ball flight

Ping G Le Fairway

G LE FAIRWAY | [SEE STORE FOR PRICE](#)

The G Le fairway woods have a lower lead edge, making it far easier to launch the ball cleanly from the turf, a common challenge with fairway woods. Accuracy was improved by thinning the crown and redistributing weight to maximize forgiveness. Distance is ramped up by a thinner, faster CarTech 455 face.

- Thin CarTech 455 face increases ball speed for higher launch and more distance
- Heel-side CG and lighter swingweight produces straighter ball flight
- Thin crown design saves weight for higher MOI and greater forgiveness
- Available 3 (19°), 5 (22°), 7 (26°) and 9 (30°) woods

Ping G Le Irons

G LE IRONS | [SEE STORE FOR PRICE](#)

Blending lightweight, forgiving irons with easy-to-hit hybrids increases performance across the set by ensuring every club has its designed role. Lightweight components, faster faces, and a lower overall system mass generate greater distance with improved accuracy.

- Iron (17-4 stainless steel) features COR-Eye Technology to create 11% thinner face to increase ball speed for higher launch and more distance for slower swing speeds.
- Perimeter weighting provides 19% tighter dispersion compare to previous model
- Hybrid features thin, CarTech 455 face to increase launch and ball speed for more distance
- Lighter swingweights for easier club face squaring and improved accuracy
- Irons available 5-9, PW, UW, SW; hybrids available 4H (22°), 5H (26°), 6H (30°)

Ping G Le Putters

G LE PUTTERS | [SEE STORE FOR PRICE](#)

Aiming is easier, forgiveness is high, and feel is exceptional in three new models offering True Roll Face Technology that will enable you to make more putts than ever. The 17-4 stainless steel Caru blade and Arna mid-mallet faces are precision machined. The Oslo mallet boasts an aerospace-grade aluminum head fully machined at PING. Its stainless steel sole plate increases the MOI.

- Three models available: Caru (Blade), Arna (Mid-mallet) and Oslo (Mallet)
- All models feature True Roll Technology with variable depth face pattern to speed up off-center hits for improved distance control and consistency
- Caru (Slight Arc stroke type) and Arna (Slight Arc stroke type) are engineered with flow-style neck for improved optics and alignment

TaylorMade Kalea Metalwoods

KALEA DRIVER | \$329.99
KALEA FAIRWAY | \$199.99
KALEA RESCUE | \$179.99

Kalea is the first complete line of women's clubs from TaylorMade, and is Completely Yours.

Light-weight clubs generate more club head speed. low-kick Slim Tech shafts launch the ball higher, and Speed pockets add ball speed for shots that fly farther and stay in the air longer.

Inspired by an independent, active and outdoor lifestyle, Kalea's fresh design flows through each and every club, resulting in stylish elegance throughout the set.

Kalea was specifically engineered to optimize distance gaps from driver through wedge, ensuring that you will use every club in your bag.

TaylorMade Kalea Iron Set

KALEA 6-PIECE IRON SET | \$699.99

Kalea is the first complete line of women's clubs from TaylorMade, and is Completely Yours. The Iron Set consists of a transitional 6 & 7 iron, 8, 9, PW, SW.

“

Designing the perfect set for women requires full understanding of the launch conditions they produce and visual cues they prefer. In Kalea we have created a unique product designed to optimize distance, trajectory and playability with a modern, stylish look to match.

”

TOMO BYSTEDT

DIRECTOR PRODUCT CREATION - IRONS

TaylorMade 2017 M1 Metalwoods

2017 M1 DRIVER | \$499.99

The all-new M1 driver takes multi-material construction to the next level to deliver distance, forgiveness and complete personalization. Featuring a new 6-layer carbon crown and additional carbon toe panel, the 2017 M1 driver has 43% more carbon than last year's model. The additional focus on multi-material construction saves weight to enable lower CG for better launch conditions and allows for an expanded T-Track for improved adjustability.

2017 M1 FAIRWAY | \$299.99

The all-new M1 fairway delivers power and personalization through multi-material construction and improved adjustability. Constructed with a 450 stainless steel body and strong Ni-Co C300 face, the 2017 M1 fairway features the same 6-layer Carbon composite crown as the M1 driver. Completely redesigned and reshaped from last year's fairway, the new M1 fairway includes a more intuitive sliding weight system and a new open-channel Speed Pocket designed to deliver more ball speed & more forgiveness.

2017 M1 RESCUE | \$249.99

The 2017 M1 Rescue™ Hybrid features improved distance and versatility with the first-ever sliding weight track in a Rescue club. With a moderate size, Tour-proven shape, and a newly designed sole, the new M1 Rescue™ Hybrid offers more playability from an increased variety of lies.

TaylorMade 2017 M1 and M2 Irons

M1 | \$999.99 STEEL \$1,199.99 GRAPHITE

M1 irons have been crafted to bring as much of the speed, forgiveness, and playability of the M2 irons, but deliver it to the player who prefers a slightly more refined look along with additional control and workability.

M2 | \$799.99 STEEL \$899.99 GRAPHITE

New to M2 irons, engineers incorporated Face Slots that help preserve ball speed on shots struck toward the heel or toe, giving golfers more distance and more control—making your mis-hits better and your best shots extraordinary.

TaylorMade 2017 M2 Metalwoods

2017 M2 DRIVER | \$399.99

The 2017 M2 driver brings golfers a new level of distance and forgiveness through all-new Geocoustic™ technology. Following in the footsteps of its predecessor, the M2 driver successfully raises the bar in design and engineering through reinvented multi-material construction and advanced geometric shaping. Along with the new Geocoustic design, the M2 driver houses a new Speed Pocket that is three times more flexible than it was in the original M2. Combined, the new M2 takes the #1 selling driver to the next level of performance for all players.

2017 M2 FAIRWAY | \$249.99

In the 2017 M2 fairway, the ultimate distance fairway has been made even more forgiving with the incorporation of a recessed 6-layer carbon composite crown, Inverted Cone Technology (for the first time in a TaylorMade fairway) and a new Geocoustic sole design. Additionally, a longer, more flexible Speed Pocket and lighter fluted hosel create a low CG that produces fast ball speeds for an incredibly long, high-launching, and low-spinning fairway.

2017 M2 RESCUE | \$199.99

The 2017 M2 Rescue™ Hybrid features the iconic two-tone crown of the M Metalwoods Family and new innovative performance technologies, creating a versatile Rescue club with exceptional sound and feel. The sole of the club houses a longer, more flexible Speed Pocket, which offers speed and forgiveness on low-face strikes.

Wilson Staff FG Tour V6 Irons

FG TOUR V6 IRONS | \$999.99

There is no feeling that compares to purring a world-class forged FG Tour iron. Introducing the brand new V6 irons from Wilson Staff. Combining that ultimate playability with game-changing Tungsten sole technology to control those miss hits and make every shot count. The Wilson Staff FG Tour V6 irons — designed for the Feel player seeking a sleek setup, ultimate feedback and shot-shaping control.

Wilson Staff D300 Driver

D300 DRIVER | \$349.99

The D in D300 not only stands for distance, it defines it. The newly designed D300 driver combines Right Light Technology with Micro Vortex Generators to reduce the drag force leading to increased club head speeds and greater distance. Try your driver, and then try ours. You'll understand why your foursome calls you the Distance Machine.

Wilson Staff D300 Fairway

D300 FAIRWAY | \$219.99

The D in D300 not only stands for distance, it defines it. The newly designed D300 driver combines Right Light Technology with Micro Vortex Generators to reduce the drag force leading to increased club head speeds and greater distance. Designed for the Distance player needing power, accuracy and a confidence-inspiring look at address — features a premium Carpenter Custom 455 maraging steel face insert which maximizes distance from the tee, fairway or rough.

UTILITY | \$279.99

XXIO XXIO9 Ladies Irons

XXIO9 LADIES IRONS-5PC SET \$1,049.99 GRAPHITE

The XXIO9 series Irons feature the newest improvement to Dual Speed Technology, a boost in efficiency for the initial portion of the downswing. Lag is increased by utilizing a heavier head and a lighter shaft with a higher balance point moving the CG closer to the grip. This improvement to the club brings the club head in tighter to the body of the golfer for a more efficient swing, which generates more centrifugal force (rotational speed) for increased head speed and greater distance.

- 630 stainless steel cast body
- Stronger low-density material
- Super-TIX® PLUS for XXIO
- Rolled face
- Inner weight High-density tungsten-nickel weight

Backspin VTS Package Set

VTS MENS PACKAGE SET | \$299.99

The Backspin VTS Mens Package Set is a full-featured package set designed for recreational to mid-handicap players. Features premium construction and material.

17-PC SET INCLUDES THE FOLLOWING:

Driver: 10.5° Driver 460cc high MOI forged oversize head. Forged Alloy

Fairway: #3 Fairway Wood features hyper steel in a high MOI forged oversize head.

Hybrids: #4, #5 Hybrid features hyper steel in a high MOI forged Iron/wood head that replaces your hard to hit long irons in a traditional set.

Sole features on the Driver, Fairway and Hybrids have a selectively placed recessed perimeter combined with solid center and channel behind face for faster ball speed. Both feature a low and deep center of gravity to get the ball airborne with ease. Equipped with an optimum flex graphite shaft and soft feeling velvet rubber grip.

Irons: #6-9, & PW irons feature an oversized stainless steel iron head with an extra large sweet spot delivering solid, accurate shots. A wide, undercut sole design positions weight low, enabling an easy launch toward the target.

Tour Style Sand wedge provides shot making versatility.

Mallet putter with Tour preferred oversize soft style grip to promote a smooth stroke and precise roll.

Premium Stand Bag with a classic look and cart friendly pocket placement adds to the VTS versatility and value. Large 9.5 inch top with 6 way graphite shaft protection. 6 zipper compartments including a velour lined valuables pocket and score card sleeve. Dual padded strap, hip pad, rain hood, tee and umbrella holder are all included.

Backspin Ladies Marquise Set

LADIES MARQUISE SET | \$299.99

The Marquise Set is an attractive full-featured package set that will have women golfers looking good and playing great. Higher lofts and graphite shafts throughout the set make this set easy to hit and fun to play. Available in Black or Magenta (shown).

16-PC SET INCLUDES THE FOLLOWING:

HL Driver (460 cc) driver helps you get the ball airborne quickly and stay in the air longer for added distance. Specially designed lightweight high modulus graphite shafts for increase swing speed which results in greater distance off the tee and throughout the set.

FW & HL Fairway Woods with graphite shaft feature an offset design that help get your hands in front of the ball for clean contact. The added loft helps get the ball up in the air off of any lie. Deep face technology allows you to attack the ball off the tee or on the fairway.

#6 Hybrid with graphite shaft, features an iron/wood combination for longer shots with more accuracy. Low center of gravity launches the ball higher and longer with less effort than long irons.

#7-9, PW, SW Irons with graphite shaft feature an offset head and wide sole that are very forgiving and allow for easy playability. Expanded sweet spot allows you to go for the green with confidence.

High M.O.I. Style Putter with alignment system helps keep you stroke on line for more accurate putts.

Lightweight Cart Bag features 7-way graphite friendly divider top with full length dividers. 6 large zipper pockets including a fur lined valuables pocket, padded shoulder strap and lift handle for easy transportation. Additional features include rain hood, tee and umbrella holder. Four headcovers are included to protect your club and graphite shafts.

Callaway Women's Solaire 13-Piece Set

SOLAIRE 13-PIECE SET | \$899.99
SOLAIRE 8-PIECE SET | \$599.99

The all-in-one set gives women everything they need to go from the shop straight to the course. The clubs are engineered for ideal distance coverage and high ball flights out of a variety of lies so women feel confident that they have the right club for the next shot.

The perimeter weighting in these irons lead to higher launch with more distance and forgiveness. These fairway woods and hybrids are easy to hit with advanced shaping. And the thin, hot driver face is combined with rearward internal weighting for drives that are consistently long, straight and forgiving on off-center hits.

Ray Cook Silver Ray Ladies Set

SILVER RAY 14 PIECE SET W/BAG | SEE STORE FOR PRICE

Ray Cook, a passionate golfer, inventor, and engineer, created his first putter, the M1, in 1963. The M1 putter brought with it a PGA Tour victory. The wins kept coming, and Mr. Cook's putters continued to grow in prominence and recognition. The unprecedented precision Mr. Cook introduced to Tour Players continues to this very day in the Ray Cook brand.

COMPLETE SET INCLUDES:

- 460cc Overside Hyper Titanium Driver
- Oversized, stainless steel Fairway Wood
- Hybrid
- Oversized, stainless steel irons, 6-PW,SW
- Blade Style Putter
- Headcovers
- 9.5" Cart Bag

This is available in RH Standard, LH Standard, Petite, and Plus 1"

Tour Edge Moda Silk Complete Set

MODA SILK SET 20 PIECE SET | \$599.99
(INCLUDING BAG AND HEADCOVERS)

This high-flying set features an offset 460cc 15-degree driver that will help you hit longer straighter drives. The powerful titanium club head has a huge sweet spot and hot face that will have you smiling from tee to green. Moda's oversized, offset and low profile stainless steel fairway woods help you get the ball easily into the air from anywhere on the course. Packed inside the attractive exterior, Moda Silk fairway woods boast an extra heavy sole and low center of gravity.

The hybrids inspire confidence when nothing else can. These stainless steel clubs give you a deep, low CG needed to hit higher, more accurate and forgiving shots. The Moda stainless steel irons absolutely sparkle. These oversized irons offer extreme perimeter weighting and a wide undercut cavity that moves the center of gravity back and away from the face to help you hit higher, more accurate shots even on off-center hits.

SET CONFIGURATION

The Moda Silk sets include a Driver, 3 And 5 Wood, 5 & 6 Hybrids, 7-Sw Irons, Putter, Deluxe Cart Bag And Headcovers

Xponent Men's Complete Set

MEN'S COMPLETE SETS | \$199.99

The Xponent Launch Control Design Package Set is a complete upgraded package set with everything a golfer needs to go out and play today.

10-PC SET INCLUDES THE FOLLOWING:

THE WOODS: 10.5° Driver and #3(16.5°) Fairway Wood

Aerodynamically shaped club head for increased swing speed resulting in greater distance. 460cc forged driver provides an expanded sweet spot that offers more forgiveness. Deeper face, convex crown and defined club shape to increase speed and accuracy.

THE HYBRID: #4(23°) Hybrid

Generous offset with extreme perimeter weighting delivers high launching green holding results. Combination of a wood/iron for a perfect blend of performance forgiveness and distance.

THE IRONS: #5, #6, #7, #8, #9, PW (Steel Shaft) Innovative multi purpose irons allow for an easy to hit game improvement iron for golfers of all skill levels. Offset and wide sole irons offer extreme forgiveness and allows for easy playability. Expanded sweet spot allows you to attack the greens with confidence.

THE PUTTER: Large face creates a bigger surface area and allows for more line space. Heel toe balanced design resists twisting yielding a more pure roll on off center hits.

THE BAG: Stand Bag, Graphite Friendly divider top, Large spacious pockets, Padded dual shoulder strap, Rainhood, Full length dividers, 3 Head Covers

Xponent Women's Complete Set

WOMEN'S COMPLETE SETS | \$199.99

The Xponent Women's Launch Control Design Package Set is a complete upgraded package set with everything a golfer needs to go out and play today.

14-PC SET INCLUDES THE FOLLOWING:

THE WOODS: 12° Driver and high launch Fairway Wood with graphite shaft and aerodynamic shaped club head increase swing speed, which results in greater distance. 460cc forged driver provides an expanded sweet spot that offers more forgiveness. Deep face convex crown and defined club shape help increase speed and accuracy.

THE HYBRID: #5 Hybrid features a graphite shaft and generous offset and extreme perimeter weighting delivers high launching, green-holding results. Combination of a wood and iron for a perfect blend of performance, forgiveness and distance.

THE IRONS: #6, 7, 8, 9, PW Irons with steel shaft and expanded sweet spot allows you to attack the greens with confidence. Innovative, miss-friendly irons allow for an easy to hit game improvement iron for golfers starting the game or looking for their first new set.

THE PUTTER: Heel Toe balanced design putter resists twisting, yielding a more pure roll on off center hits. Large face creates a bigger surface area and allows for more alignment space.

THE BAG: 6-Way Stand Bag with full length dividers, graphite friendly top and large spacious pockets. Padded dual shoulder strap and rain hood included.

Three headcovers to protect your club and graphite shafts

FITTING GUIDE**

U.S. Kids Golf Tour Series Clubs & Sets

TOUR SERIES STAND BAG SETS

\$489.99

TOUR SERIES INDIVIDUAL CLUBS

\$29.99-\$44.99

For intermediate to advanced golfers, Tour Series offers the technology expected by serious players while maintaining the U.S. Kids Golf fitting philosophy.

Designed for players who show intermediate-to-advanced skills, play competitive golf events, and have higher-than-average swing speeds. Tour Series is a natural bridge that prepares a player for adult clubs.

Offered in 5 sizes, 51"-63". Measure your player to determine his/her correct height in inches, and then select the appropriate size set. Use the U.S. Kids Golf fitting guide for sizing reference.

U.S. Kids Golf Ultralight Clubs & Sets

ULTRALIGHT STAND BAG SETS

\$39.99-\$229.99

ULTRALIGHT INDIVIDUAL CLUBS

\$29.99-\$44.99

Beginning golfers will find success with Ultralight because each club is designed and engineered to promote maximum clubhead speed.

Designed for players who have played some golf, but need a lighter club to improve club head speed. Basic golf skills are developing such as putting, chipping, and pitching.

Offered in 9 sizes, 39"-63". Measure your player to determine his/her correct height in inches, and then select the appropriate size Ultralight set. Use the U.S. Kids Golf fitting guide for sizing reference.

U.S. Kids Golf Yard Club

YARD CLUB | \$39.99

Yard Club is a super-lightweight club designed to give the right start when first playing the game. The oversized aluminum head provides more hitting area that helps get the ball in the air! And since the grip is the most important part of the game, Yard Club comes with a special training grip for learning proper hand position.

Designed for beginning players who want a great training club to start. Yard Club can be used in the back yard or on the range while developing basic skill sets.

Offered in 9 sizes, 39"-63". Measure your player to determine his/her correct height in inches, and then select the appropriate size Yard Club. Use the U.S. Kids Golf fitting guide for sizing reference.

Callaway Hybrid Rangefinder

HYBRID RANGEFINDER | NOW \$349.99

The Callaway Hybrid Rangefinder combines the pin-seeking precision of a laser with the added convenience of a GPS in one compact device! Whether trying to carry a bunker off the tee, hit your approach shot to the middle of the green, or fire at the flag, the Callaway Hybrid Rangefinder maximizes distance information from tee to green, and lets you take aim with confidence!

GolfBuddy LR7: Laser Rangefinder with Pin Finder with Vibration

**LR7 LASER RANGEFINDER WITH PIN FINDER
WITH VIBRATION | \$199.99**

GolfBuddy continues to improve their laser rangefinder line. The ergonomically designed LR7, weighing just under 8 oz, features four different targeting modes: standard, scan, pin, and pin finder with vibration. With the one-click-scan mode, the laser will continuously scan for 10 seconds with no need to hold down the button. The pin finder with vibration will give the golfer a noticeable vibration to indicate that the pin has been found and targeted.

GolfBuddy LR7S: Laser Rangefinder with Slope & Pin Finder with Vibration

**LR7S LASER RANGEFINDER WITH SLOPE &
PIN FINDER WITH VIBRATION | \$249.99**

GolfBuddy continues to improve their laser rangefinder line. The ergonomically designed LR7S, weighing just under 8 oz, features four different targeting modes: standard, scan, pin, and pin finder with vibration. With the one-click-scan mode, the laser will continuously scan for 10 seconds with no need to hold down the button. The pin finder with vibration will give the golfer a noticeable vibration to indicate that the pin has been found and targeted. The LR7S also provides slope-adjusted distances for various elevations which can be turned on and off.

GolfBuddy WT6: Simple Golf GPS Watch

WT6 SIMPLE GOLF GPS WATCH | **\$129.99**

GolfBuddy's wearable GPS line takes you one step further — introducing the new GolfBuddy WT6. With a popular design and comfortable fit to your wrist, you can fully utilize features with simple press-and-hold buttons. The GolfBuddy WT6 is a fully functional digital wristwatch with a rechargeable battery.

GolfBuddy WTX Smart Golf GPS Watch

WTX SMART GOLF GPS WATCH | **\$179.99**

GolfBuddy's WTX golf GPS watch brings fashion and function to your everyday lifestyle. The slim watch design offers both golf GPS and smart watch features that you can wear on and off the course with Bluetooth capabilities to update software and sync courses through GolfBuddy's smartphone app. The WTX is also equipped with GolfBuddy's advanced features to improve your game: full target and hazard information, Dynamic Green View, and Pin Placement.

“GolfBuddy is very excited to launch the WTX – the industry’s first golf GPS smart watch. We wanted to create something innovative that can be integrated in any golfer’s everyday lifestyle and with the WTX, that integration will be seamless. Another golf GPS watch we are launching is the WT6 – the simplest golf GPS watch out there. With a push of one button, you can start your round!”

TOP-LOK TECHNOLOGY

TOP-LOK™ TECHNOLOGY

Bag Boy Launches New Generation of Bag-to-Cart Attachment System, TOP-LOK™ Technology, at 2017 PGA Merchandise Show Richmond, VA - The Bag Boy Company, has been engineering a new bag-to-cart attachment system, TOP-LOK™ Technology, on new 2017 models of certain Bag Boy carts and bags. These products, along with the new TOP-LOK™ Technology attachment system was revealed at the PGA Show in Orlando, Florida January 25-27, 2017.

TOP-LOK™ Technology is an innovative bag-to-cart attachment system designed to securely lock a Bag Boy bag onto a Bag Boy push cart. "This patented design prevents the bag from twisting or turning, eliminating the need for cart straps," said Pat Gallagher, Product Manager for Bag Boy. "We wanted to create a secure attachment that was lacking in the traditional brackets and straps method. The benefit with TOP-LOK™ is your bag will no longer twist and turn, requiring readjustment in the middle of your round."

TOP-LOK™ works by opening the upper bag bracket paddles on the Bag Boy push cart. Then lift up the Bag Boy bag and slide it from the top down into the upper cart bracket. That's it! The patented design of the TOP-LOK™ bag bracket fits like a puzzle piece into the cart's upper bag bracket.

The newest models of the Bag Boy push carts (2016+), the Tri Swivel II, Compact 3 and Quad XL, and bags (2017+) Chiller Cart Bag and Chiller Hybrid Stand Bag, include the patented TOP-LOK™ Technology. Any cart or stand bag can fit on a newer Bag Boy push cart with TOP-LOK™, however the traditional bracket and straps would need to be used.

Sassy Caddy New Orleans Cart Bag

NEW ORLEANS CART BAG | \$284.99

Deluxe Women's Cart Bags have 14 full length dividers & an integrated putter well. Shoulder strap is located at back of bag, allowing us to design more pockets and features in front side of golf bag. Coordinating detachable purse and rain hood included.

Additional features include: Integrated tee holders, glove patch, velvet-lined valuable pockets and velvet-lined easy access pouch for range finder. Several large pockets for functional storage. Two-zip off pockets for embroidery options: front lower pocket, large side pocket.

New Orleans Collection also comes in: Cart Bag, and Headcovers

Sassy Caddy Notting Hill Stand Bag

NOTTING HILL STAND BAG | \$259.99

Stand Bags are very light-weight, weighing only 5 pounds. Includes 6 full length dividers (each divider can hold 2-3 clubs), hidden velvet-lined valuables pouch, cooler pocket, glove patch, integrated tee holders & mesh ball pockets. Coordinating detachable purse & rain hood included. Dual padded strap system makes this bag a breeze to carry!

Zip side & front pocket removable for monogramming options.

Notting Hill Collection also comes in: Cart Bag, Headcovers, Tote Bag and Tennis Tote.

Sun Mountain C-130 Cart Bag

SYNC CART BAG | \$229.99

Recently selected as Golf Digest Editors' Choice in the Cart Bag Division, the C-130 has long been Sun Mountain's best-selling cart bag. **For 2017**, Sun Mountain has updated the C-130 with several new features. There are now three velour-lined valuables pockets, one of which is water-resistant. Also new is the Smart Strap System which attaches the bag to a riding cart with two Velcro® straps which prevent the riding cart's straps from interfering with pocket usage and stop the bag from twisting on the cart. Top: 10.5", 14-Way. Pockets: 10

FEATURES:

- Fourteen individual club dividers run the full-length of the bag to protect and organize clubs
- Reverse-orientation top makes accessing clubs easy
- All pockets are forward-facing and accessible when the bag is on a cart
- Includes a matching rainhood
- 11 colors available

Sun Mountain Women's Diva

WOMEN'S DIVA CART BAG | \$229.99

The Diva, a riding cart with a stylish edge, comes complete with all of the features that make Sun Mountain cart bags so functional. It has a reverse-orientation, 15-way top, integrated handles to assist in loading the bag on a cart, a dedicated putter compartment and pockets that are all accessible when the bag is on a cart. Its nine pockets include two full-length apparel pockets, multiple accessory pockets and a velour-lined valuables pocket sized for your range finder.

Sun Mountain Women's Front 9

WOMEN'S FRONT 9 BAG | \$169.99

Awarded a Golf Digest Hot List Gold Rating for 2015, the Front 9 is compact, lightweight and designed for the golfer who walks a majority of rounds. The X-Strap Dual Strap System provides a balanced, easy carry and works well as a single strap, when needed. There are six pockets including a full-length apparel pocket and a velour-lined valuables pocket. The women's Front 9 is one inch shorter than the men's version to better accommodate ladies' clubs.

Sun Mountain Micro-Cart GT

MICRO-CART GT | \$199.99

The newest version of Sun Mountain's popular Micro-Cart®, the Micro-Cart GT has a self-locking lower latch, a mesh basket, and a new upper latch that makes adjusting your handle height even easier. The upper bag bracket nests stand bags and secures your bag with bungee cords. Fold and unfolds in two simple steps.

Puma Tailored Flagstick Camo Polo

TAILORED FLAGSTICK CAMO GOLF POLO | \$74.99

Your game is killer, and so is your style. Rock out on the green in this camo-accented polo shirt. Designed with a contrast three-button placket and collar, alongside a moisture-wicking material base, this golf polo is built for those ready to out-par your competition.

FEATURES

- 100% Polyester
- dryCELL designation for moisture-wicking properties that help keep you dry and comfortable
- Three-button placket with collar; Camo print
- Camo print front pocket at left chest
- PUMA Cat Logo at left sleeve

Puma Tailored Flagstick Camo Pant

TAILORED FLAGSTICK CAMO PANT | \$89.99

Designed for the guy whose game and style stands out on the green, these golf pants bring urban style to the green. Featuring a flattering, tailored fit and moisture-wicking materials make-up, these pants up-the-anti of your average golf pant. (They might even have enough swag to wear off the green).

FEATURES

- 100% Polyester
- dryCELL designation for moisture-wicking properties that help keep you dry and comfortable
- Elastic waistband for comfortable fit; Interior PUMA branding
- Dual side pockets
- Tailored Fit

Puma Tailored Flagstick Camo Short

TAILORED FLAGSTICK CAMO PANT | \$74.99

Designed for the guy whose game and style stands out on the green, these golf shorts bring urban style to the green. Featuring all-over camo print, dual side pockets, and moisture-wicking materials, these shorts can go from course to streets in a flash.

FEATURES

- 100% Polyester
- dryCELL designation for moisture-wicking properties that help keep you dry and comfortable
- Elastic waistband for comfortable fit; Interior PUMA branding
- Dual side pockets
- PUMA Cat Logo at back left side

Sun Mountain Hybrid Jacket

HYBRID JACKET | \$139.99

Alpine + ThermalFlex = Hybrid. Sun Mountain combined the best aspects of two of their top-selling women's pieces. The quilted, windproof body panels keep your core warm while the soft, polyester stretch panels in the sides and arms give you the freedom of movement you need.

Sun Mountain Women's Rainflex Short-Sleeve

WOMEN'S RAINFLEX SHORT-SLEEVE | \$129.99

Constructed with a 4-way stretch, knit fabric, RainFlex® rain gear is fully seam-sealed, waterproof, breathable, stretchable and quiet. RainFlex is the players' choice when playing in variable conditions and quiet, stretch, comfort and breathability are critical.

Sun Mountain Women's Heathered Fleece

WOMEN'S HEATHERED FLEECE | \$99.99

New for 2017, the Heathered Fleece jacket is constructed with a mid-weight fleece that has a tighter knit outer face and a brushed interior. Cozy and comfortable with a flattering fit, the Heathered Fleece is perfect for an evening round of golf, your morning walk or errands.

FEATURES:

- Mid-weight fleece
- Significant 4-way stretch
- Comfortable and quiet
- Hand warmer pockets
- Stand-up, zip-through collar with chin guard
- Available in: Baja-Ice Green (shown), Orchid, Steel

Bionic Gloves Women's Stabelgrip Golf Glove

STABLEGRIP GOLF GLOVE | \$26.99

The Bionic StableGrip Golf Glove with Natural Fit features enhanced three-dimensional finger pads and a tapered finger design to conform to the natural shape and contours of your hand anatomy for better grip, comfort and durability. The Lycra gussets and web zones eliminate bunching of leather between the fingers and give a more natural, "broken-in" fit and feel. Bionic patented pad technology provides a stable, yet relaxed grip to keep the club from twisting at impact, resulting in more confidence with each shot. The glove is constructed of Cabretta leather and the truffle palm hides dirt—allowing the glove to look new longer.

Creative Covers 'World's Best Mom' Novelty Headcover

'WORLD'S BEST MOM' NOVELTY HEADCOVER | \$29.99

Give Mom a fun headcover that tells her that she's special. Choose from 6 assorted designs; Fairway the Frog, Caddy the Cow, Backspin the Bear, Duck the Cover, Putt Putt the Panda or Tessa the Teddy Bear. All come with 'World's Best Mom' imprinted golf shirt.

They're made from soft plush fabric with a knitted sock to protect the shaft from dents and scratches. Fits up to a 460CC Driver.

Gem-Dandy Accessories PGA Tour Golf Belt

PGA TOUR BELT (6082500) | \$34.99
