EMERICA  
RESERVE  
TEMPLETON

When you find yourself in a situation and can barely remember how you arrived at this moment of your life - a self portrait does not help you at all, but it does put a visual bookmark on that moment to serve as a memory jog when you need it

These shoes  
will be worth  
**\$42.00**  
US DOLLARS  
in the future  
(maybe)
