Please complete and return to Study Tours together with the Booking Form.

All students participating in the program will be treated as an adult with limited supervision. The welfare of all of our students is important to us and especially those under 18. In order to help with this, we request that you make it clear to your son/daughter what is expected from him/her during their stay.

The student and his/her parents understand that:

He/she:

- can be out unsupervised
- can go out unsupervised with friends after dinner
- is expected to be home 23.00 in the evening (at 00.00 if with the Group Leader)
- is expected to tell his/her Group Leader and host family where he/she is going when going out
- is expected to provide his/her Group Leader and host family with a contact telephone number
- is expected to inform his/her Group Leader and host family in advance if having dinner out

It is illegal to:

- buy cigarettes or alcohol under the age of 18
- shop-lift (steal from shops)

HOST FAMILIES - For their welfare, all students under the age of 18 must stay in Host Family accommodation that has been checked by Study Tours (unless staying with a family friend or family member). The information in this form is passed to the Host Family and the Host will inform Study Tours if the student is not abiding by the agreed rules. Study Tours will inform you and speak to the student. If the student continues to break the rules, he/she may be sent home.

ALCOHOL and SHOPLIFTING - Study Tours will inform parents and agents if a student under the age of 18 is found to be consuming alcohol or stealing from shops.

Also, shops will call the police and prosecute anyone they find stealing from them. Study Tours view these matters very seriously – the student may be sent home at his own expenses and there will be no refund.

By signing this agreement we confirm that we have read and understood the information and will abide by its terms.
