Merchandising Options

Hardware House, LLC Merchandising

Let Hardware House help you design the right assortment to meet your store, region and diversified customer needs. With over 1,400 items to choose from, you can achieve the style, finishes and presentation you have been wanting with Hardware House!

Our Hardware House Ceiling Fan program consists of 30 top selling styles and finishes. From our Aegean price point hugger fan, all the way up to our Caribbean Industrial ceiling fan. Our fans are packed in a full color carton, shown with designated color/finish options with each collection.

Many of our ceiling fans color/style collection are matched to our family of Lighting, which is noted on the following pages. Below, is just one of the countless display options shown in a retail setting. Many variations can be achieved through cross merchandising our light and ceiling fan product lines.

All Hardware House Ceiling Fans are covered by a Limited Life Time Warranty

All our ceiling fans have a *Limited Life Time Warranty* which covers any mechanical defect from manufacturing or from normal use. This warranty does NOT COVER scratches, abrasions, deterioration due to the use of paints, solvents or other chemicals on the product; abuse, misuse or in a commercial application. Also the warranty is not applicable due to improper installation, maintenance, modifications of any kind to the manufactured design.

Detailed warranty disclosure can be found in the first few pages of our Full Line Catalog, or on our web site www.hardware-house.com/products

Ceiling Merchandising Program

HARDWARE HOUSE, LLC

bostongroup

Boston Group's Power Track system is the ideal method to display and power light fixtures and ceiling fans. Allows you to turn your ceiling space into a profit center.

Lighting and Ceiling fans are attached to a fixture hanger which allows you to place the light/fan anywhere along the track and plugging it into one of the recessed outlets.

Power track is a safe and clean way to display your lights and fans which will help you sell more product.

Power track is UL listed and safe and since our clouds are stick built they can be as big or small whatever you have room for.

CONTACT YOUR LOCAL HARDWARE HOUSE SALES PERSON FOR INFORMATION OR TO START A QUOTATION
