GAUDY 2018

WE WILL REMEMBER THEM

Henry Tarrant Eyres, pictured aged 16, left St Edward's in 1915 to attend the Royal Military College at Sandhurst. In 1917, he was commissioned in the Queen's Royal West Surrey Regiment as a Second Lieutenant and went on to become a night bomber pilot in the RAF. Returning from a raid two days before the armistice on 11th November 1918, he collided with another aircraft and was killed. He was the last OSE to die in action in the Great War, and one of the youngest; he was 19.

Between July 1917 and July 1918, the following OSE lost their lives as the horrors of the Great War raged on. We continue to honour and remember them.

Geoffrey Townroe	William Wareing

GAUDY 2018 WARDEN'S INTRODUCTION

Gaudy Week is always a tremendous finale to the academic year – this summer's programme is as sparkling and exuberant as ever. Thank you for joining us to share in the impressive endeavours of our pupils and staff.

New for 2018, the LAMDA presentations feature an eclectic range of acting monologues and musical theatre; and the

Songwriters' Collective showcases the very best of our emerging young talent. With titles such as *If my heart is my wealth, then it's corrupt, spoilt*, there is no doubt that we are promised emotionally-charged performances. The productions pack equal punch, taking us to the very core of the human condition: the humour and tragedy of a South London community in Louis de Bernières' *Sunday Morning at the Centre of the World* and the dizzying scope of the summer festival experience in a new play by Sam Potter, *Someone, Somewhere*.

Elsewhere, we enjoy the final of the Warden's Project; thought-provoking presentations on sustainability and girls' education worldwide; the wildly popular Dance Showcase; two magnificent Gaudy Concerts; Jazz, Rock and Close Harmony performances; and, of course, sporting action in a busy week of cricket, and racing at Henley Royal Regatta.

It takes all of us to make Teddies what it is: pupils, parents, staff, Governors, former pupils, our local community, and friends and supporters from many walks of life. Each of us plays our part. Thank you to all of you for another remarkable year in North Oxford.

Stephen Jones

Continuing the upward trend of recent years, last year's academic results were impressive. In the Sixth Form, 80% of all grades were at the top end: A*-B at A Level or Levels 5-7 in the IB. Over half (53%) were at the very highest level: A*/A at A Level or Levels 6/7 in the IB. At GCSE, more than 85% of grades were A*-B, with a record 33% A*.

'The academic approach at Teddies is deliberate and increasingly successful. Pupils across the board are working hard and achieving the results they deserve.'
Stephen Jones

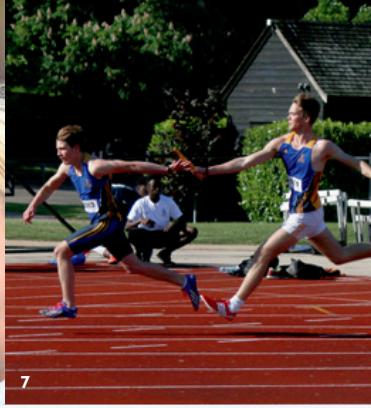

- 1 Dark drama at the Edinburgh Fringe Festival.
- 2 Borneo trip, summer 2017.
- 3 The Choral and Orchestral Concert in October.
- 4 Ria Parry and John Hoggarth took over as Co-Directors of The North Wall.
- 5 The Ballet Recital in December.
- 6 We celebrated 20 years of girls at Teddies.

- 7 Just one of many highlights in athletics, the school record for the boys' 4x100m relay team was smashed at Harrow where the team ran a blistering 44.86s. Elsewhere, Daniel Hoggar and Charlie Crisp were County Champions in the 200m and the shot put; and the Inter Boys were City Champions once again.
- 8 The Friends of St Edward's celebrated their 10th anniversary.

REVIEW OF THE YEAR

6

7

8

To launch the Poppy Appeal for Oxfordshire, two helicopters landed on Upper 1 in dramatic style to the delight of pupils from Teddies and nearby Northern House School. Several lucky CCF cadets travelled with the helicopters from RAF Benson.

10

9

- 9 After winning the County Championships, the U14A hockey squad pushed through the group stages of the Regional Tournament to reach the Semi-Finals – an impressive achievement.
- 10 England Hockey players Zoe Shipperley OSE and Ellie Watton attended one of our Prep School coaching events.

11

12

13

- 11 The RAF Section at Hillingdon Outdoor Adventure Centre for the CCF Field Weekend in September.
- 12 The whole-school Steeplechase in September.
- 13 To celebrate 20 years of full co-education, we launched new girls' STEM Scholarships for Shell entry in 2019.
- 14 Our U15 girls' IV rowed in two finals at NSR after a crew was impeded in the first. In one of the year's most dramatic sporting highlights, having achieved silver in the first final, the girls displayed immense strength and determination to power through to a gold medal, our first in this category ever and our first at NSR for 15 years.
- 15 Shells at Youlbury Adventure Park during their first weekend in September.
- 16 Chris Jones OSE became Chairman of the School's Governing Body when Mike Stanfield OSE stood down in December after 10 years in the role.
- 17 An important exhibition, *Lenin: Leader of the Russian Revolution*, was organised jointly by the School and The North Wall to mark the 100th anniversary of the October Revolution.
- 18 David Aldred's epic production of Brecht's *The Caucasian Chalk Circle* in November.
- 19 High-spirited aliens from Avenue at the Shell Plays.

 **IB 50 BURSARIES**
ST EDWARD'S OXFORD

To mark the 50th anniversary worldwide of the International Baccalaureate Diploma, we teamed up with *The Oxford Times* to offer two free IB places to children at local state schools who could not otherwise afford to study at Teddies.

- 20 Teddies reached the national final of the UK Maths Trust Challenge for the first time ever.
- 21 A Gold DofE training day on the Ridgeway.
- 22 Teddies very own Great Matrons' Bake Off.
- 23 The magnificent orchestral and choral concert at St John's Smith Square, London, in February.

- 24 2017 was an exceptional year for the Rugby Club. Outstanding performances were in evidence across the board, particularly by the Junior Colts A and B, Colts A and the 1st XV who finished 12th in the Daily Mail Trophy; Cameron King deservedly earned his England Counties cap along the way.

24

25

26

27

28

29

- 25 Making the most of Oxford: a trip to the Ashmolean Museum.
- 26 Almost certainly with numb fingers, taking bark rubbings in Wytham Woods near School in February.
- 27 A racing simulation experience in Oxford: just one of the many lively weekends this year.
- 28 Eddie Jones and the England Rugby squad enjoyed an encounter with the Teddies on Camera crew in the Douglas Bader Sports Hall in February.
- 29 Site clearing for the new Quad Development created a temporary sculpture park.

32

33

34

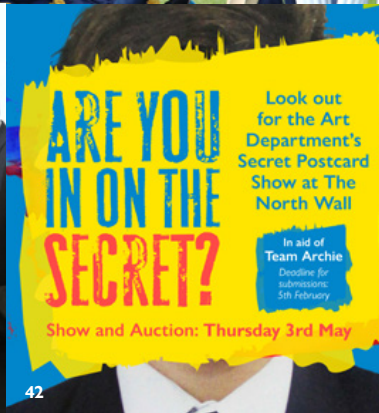

With the regional WASPS Netball Academy now based at Teddies, pupils were well-placed to trial for the Superleague squad; Ashlyn Dickinson was selected for a number of games. Meanwhile, our own 1st, 2nd and 14A VIs came agonisingly close to unbeaten seasons.

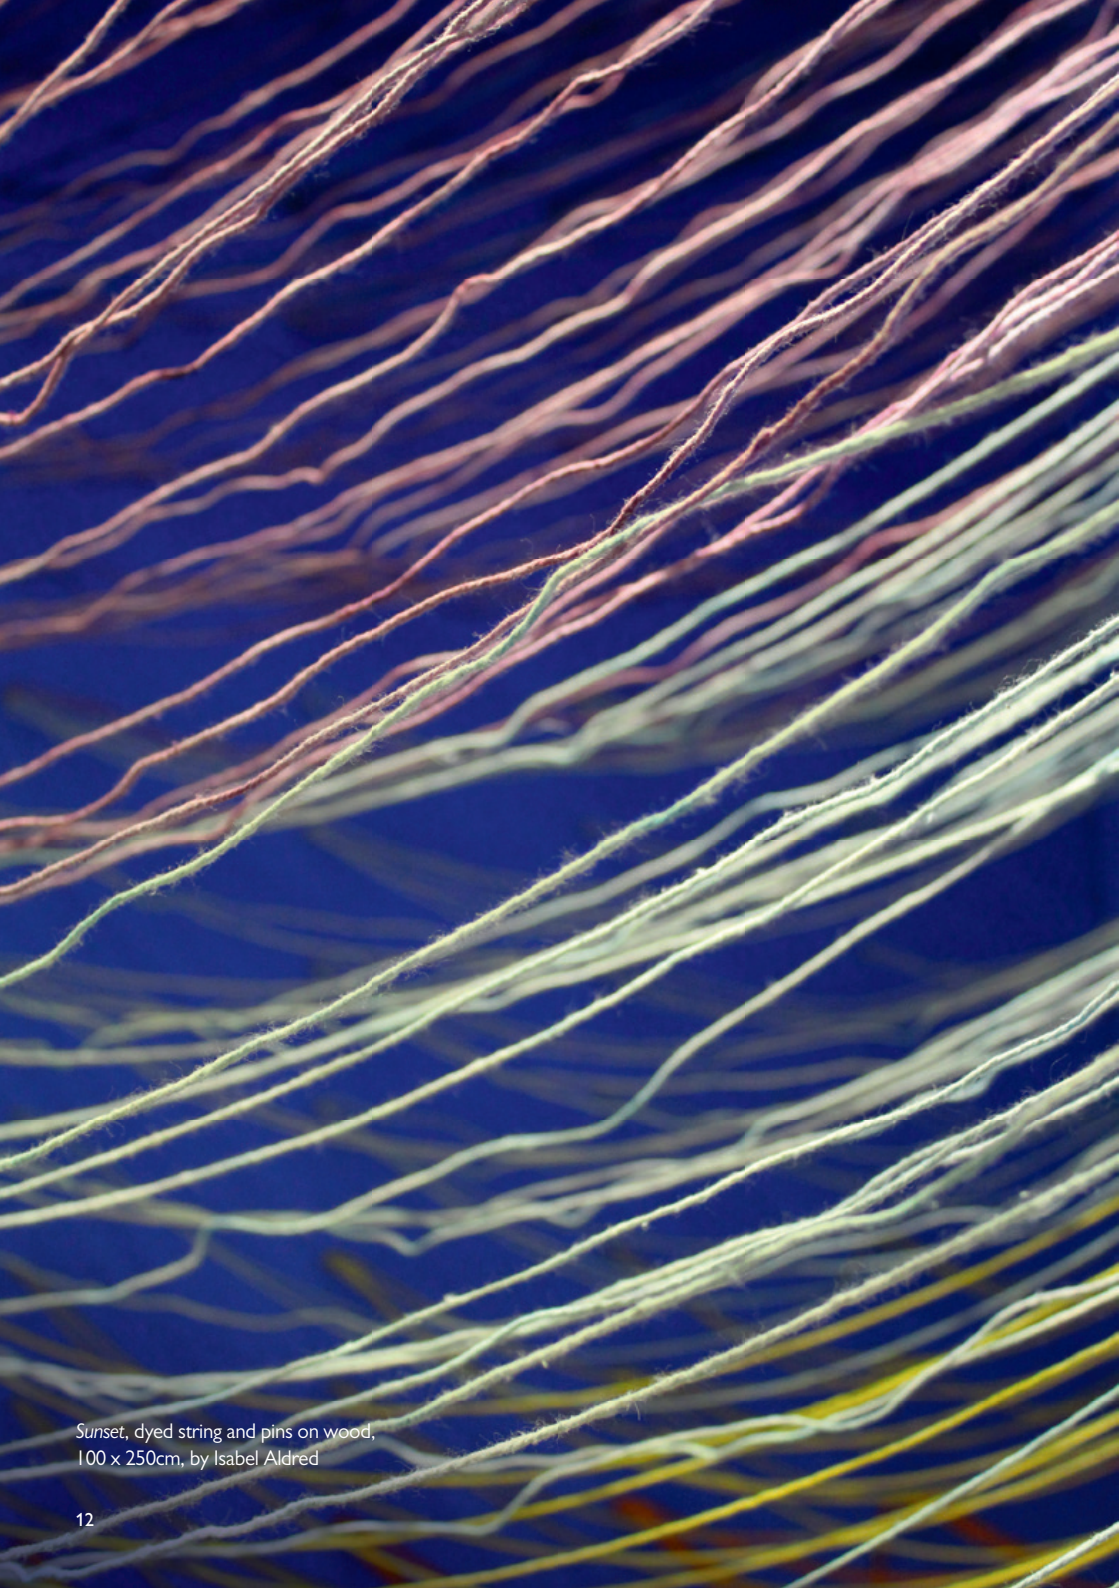

35

- 30 The hugely informative trip to China over Easter.
- 31 12 sides played over 100 matches for the Cricket Club. The Yearlings A and Junior Colts A had stellar seasons; whilst an England U19 call up for Harrison Ward, and Young Lions U19 for Ben Charlesworth are remarkable but richly deserved achievements.
- 32 Goodbye to the Hall – it will be demolished over the summer after more than 40 years' excellent service to the School.
- 33 Alice Isola puts the finishing touches to the new shed at the Wolvercote Community Farm on school grounds.

Girls Write the Future Talks and Presentations

Monday 2nd July, 8.00pm, The Weston Recital Room

In support of this pupil-led organisation championing better access to education for girls worldwide, three impressive individuals tell us about their efforts to empower fellow women through their work and daily lives. Anya Hindmarch CBE, renowned fashion designer, describes her work to raise awareness of environmental and health issues alongside building her brand from scratch; Professor Linda Scott from Oxford's Saïd Business School talks about

the Double X Economy, a concept she created to express the global economy in terms of women – as consumers, investors, donors and workers; and Charlotte Boyle, non-executive Director of Coca Cola, talks about her current role and previous positions with The Zygos Partnership and Goldman Sachs. Each short talk will be followed by a Q&A; drinks will be served ahead of the presentations from 7.00pm in The Ogston Music School.

Friends of St Edward's 10th Anniversary Reception

Wednesday 4th July, 7.00pm, The North Wall

This important milestone in the life of the Friends of St Edward's is celebrated against the backdrop of the exhibition *The Dambusters and Beyond*. Marking the 100th anniversary of the RAF, the show highlights the daring exploits of a number of exceptional individuals, many of whom were educated at Teddies. These included Guy Gibson, leader

of the Dambusters Raid, legendary flying ace, Douglas Bader, aviation pioneer Geoffrey de Havilland, and celebrated aviators Louis Strange and Adrian Warburton. From the earliest days of flying, across two bitter global conflicts, right through to the Jet Age, former pupils have been part of the story and have shaped British history.

And did those feet in ancient time

Walk upon England's mountains green?

And was the holy Lamb of God

On England's pleasant pastures seen?

And did the countenance divine

Shine forth upon our clouded hills?

And was Jerusalem builded here

Among these dark satanic mills?

Bring me my bow of burning gold!

Bring me my arrows of desire!

Bring me my spear! O clouds, unfold!

Bring me my chariot of fire!

I will not cease from mental fight,

Nor shall my sword sleep in my hand,

Till we have built Jerusalem
