MINUTES VOL. 5.

15/3/1871 - 1/2/1886

INDEX

Mistakes in the Minutes are not necessarily corrected, but several ascriptions, now altered, are cross referenced.

While first headings are in alphabetical order, some later references are set out chronologically.

Ascriptions to items that have been declined are under "Offers declined" and names of people whose offers have been declined under "Offers declined from".

Persons merely acting for departments or principals are mostly omitted; local movements of pictures are not recorded.
