INTERNATIONAL EDITIONS

Not authorised for sale in the US, Canada, Australia, New Zealand, Puerto Rico, or US Virgin Islands (St. Thomas, St. Croix, St. John)

Notice to Booksellers and Wholesalers

International Editions are produced alongside the equivalent North American titles and are available exclusively outside the US, Canada, Australia, New Zealand, Puerto Rico, and US Virgin Islands (St. Thomas, St. Croix, St. John). This restriction benefits customers in regional markets by allowing us to set list prices appropriate to local needs without compromising the quality of the books.

Restrictions have not been placed on the North American Editions, meaning if you still have these in stock, **you can continue to sell them**. However, all new orders will be fulfilled with International Editions. **Customers outside of the US, Canada, Australia, New Zealand, Puerto Rico, and US Virgin Islands (St. Thomas, St. Croix, St. John) should direct their orders exclusively to the International Edition ISBNs.**

*International Editions should not be confused with local adaptations where the content is fully revised to meet the needs of the market (e.g. the UK published Made Incredibly Easy!® series). All locally adapted titles feature in this catalog.

PRODUCT DETAILS

We make every effort to ensure that the contents of this catalog are correct at time of publication. However, it is occasionally necessary to make changes to a product's price, bibliographic details and publication date without prior notice. All stock is subject to availability, and all prices, bibliographic details and publication dates are liable to change without prior notice.

2017 Lippincott Pocket Drug Guide for Nurses, Fifth Edition

Amy M Karch, RN, MS

October 2016 / Softbound / 3" x 5" / 538 pp.
978-1-4963-5378-8

The Continuum of Stroke Care: An Interprofessional Approach to Evidence-Based Care

Joanne Hickey, PhD, RN, APRN, ACNP-BC, F

August 2015 / Softbound / 6" x 9" / 392 pp.
978-1-4511-9346-6

DESCRIPTION

Stroke treatment, technology, and research have seen astounding advances over the last twenty years. Yet stroke remains a leading cause of death and disability in the United States and worldwide. The challenge for clinicians? Stay current and deliver optimal patient care, by understanding that the best prevention and the most positive outcomes are being achieved by inter-professional teams. Addressing every phase of current stroke care, *The Continuum of Stroke Care* is your essential how-to for delivering safe, effective outcomes with interprofessional teamwork. Each chapter is written by clinicians with cutting-edge expertise and clinically grounded insight. Practical and comprehensive, the book also fully covers both the advances of the last few decades and upcoming innovations in stroke care.

Lippincott Manual of Nursing Practice, Tenth Edition, International Edition

Sandra M. Nettina, MSN, ANP-BC

June 2013 / Hardbound / 8" x 10" / 1880 pp. / 596 Illus. / 176 Tables
978-1-4511-7648-3

DESCRIPTION

A classic text since it was first published in 1974, the *Lippincott Manual for Nursing Practice (LMNP) International Edition* has provided essential nursing knowledge and up-to-date information on patient care for nearly 40 years. Now in its 10th edition, this full-color text continues to serve as the most comprehensive reference for practicing nurses and nursing students worldwide.

Often referred as the 'Lippincott Manual' or simply the 'Lippincott', the LMNP is widely used as a procedure manual for many healthcare institutions. It is also widely regarded as the Gold Standard for nursing practice in the courtroom. Organized into five major parts, LMNP presents a comprehensive reference for all types of core nursing care.

Part 1: Nursing Process & Practice;

Part 2: Medical-Surgical Nursing;

Part 3: Maternity & Neonatal Nursing;

Part 4: Pediatric Nursing;

Part 5: Psychiatric Nursing.

Content is evidence-based with supporting articles highlighted in actual entries and procedure guidelines. Official Guidelines that shape practice are incorporated in to the content and include those from the National Institutes of Health, American Diabetes Association, American Heart Association, American Nurses Association, Joint Commission, AWHONN, and others; Plentiful additional resources as well as Web sites are included. Expanded and completely updated for its Tenth Edition, this full-color classic reference is the one source every nurse needs for essential information on patient care. In an easy-to-read outline format, this clinically focused guide covers all disorders and patient problems in medical-surgical, maternal-neonatal, pediatric, and psychiatric nursing, and includes over 150 step-by-step procedures.

Wound Care Essentials: Practice Principles, Fourth Edition

Sharon Baranoski, MSN, RN, CWCN, APN-CCRN

978-1-4511-9439-5

DESCRIPTION

This volume in the new Core Curriculum series from the WOCN® Society covers Ostomy Management, and is the crucial text for nurses practicing or studying ostomy patient care. It offers pathology and physiology basics in easy-to-grasp terms, while providing expert guidance on patient management.

**Wound, Ostomy and Continence Nurses Society® Core Curriculum:
Wound Management
(WOCNS® Core Curriculum)**

Wound, Ostomy and Continence Nurses Society®

September 2015 / Softbound / 8.375" x 10.875" / 496 pp. / 484 Illus. / 110
Tables
978-1-4511-9440-1

DESCRIPTION

This volume in the new Core Curriculum series from WOCN® covers Wound Management, and is the crucial text for nurses practicing or studying wound care. It offers pathology and physiology basics in easy-to-grasp terms, while providing expert guidance on patient management. The perfect study guide for the wound, ostomy and continence (WOC) certification exams, it also provides step-by-step direction on essential nursing procedures.

Lippincott Certification Review: Family Nurse Practitioner & Adult-Gerontology Nurse Practitioner

Al Rundio, PhD, DNP, RN, APRN, NEA-BC

November 2016 / Softbound / 8.375" x 10.875" / 485 pp. / 15 Illus. / 70 Tables
978-1-4963-0658-6

DESCRIPTION

Preparing for certification as an adult-gerontology or family nurse practitioner? Lippincott Certification Review is your map to success.

Written by experts in the field, this unique review guide offers up-to-date case studies drawn from real clinical scenarios, with all content and review questions addressing the areas covered in the certification exams. Whether you are

preparing for the American Nurses Credentialing Center (ANCC) or American Academy of Nurse Practitioners (AANP) certification exam, this is your ideal resource.

Lippincott Certification Review: Pediatric Acute Care Nurse Practitioner

Andrea M. Kline-Tilford, MS, CPNP-AC/PC, FCCM

September 2015 / Softbound / 8.375" x 10.875" / 480 pp. / 50 Tables
978-1-4963-0856-6

DESCRIPTION

Confidently prepare for the Acute Care Certified Pediatric Nurse Practitioner (CPNP®) exam and excel on the job with help from the Lippincott Certification Review: Pediatric Acute Care Nurse Practitioner. Presented in an easy-to-read bulleted format, this all-inclusive guide covers all exam topics, from system-based pediatric disorders to family and psychological issues. Offering

professional advice, test-taking strategies, and practice exams, this is the essential text no pediatric or acute care nurse and you will ace the CPNP exam and grasp the fundamentals of acute care pediatric nursing. More than 750 multiple-choice questions in exam format – 350+ end-of-chapter questions and two 200-question practice exams, with answers/explanations.

Lippincott NCLEX-PN Alternate-Format Questions, Fourth Edition

Diana Rupert, BSN, MSN

May 2017 / Softbound / 7" x 10" / 352 pp.
978-1-4963-7003-7

DESCRIPTION

Lippincott NCLEX-PN Alternate-Format Questions, Fourth Edition is designed to help anyone preparing to take the PN licensing examination. This 4th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 300 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the-blank questions. Also included is a comprehensive test with an additional

120 questions. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-PN.

Lippincott NCLEX-RN Alternate Format Questions, Sixth Edition

Diana L. Rupert, RN, MSN, PhD

April 2016 / Softbound / 7 x 10 / 416 pp. / 200 Illus / 8 Tables
978-1-4963-2531-0

DESCRIPTION

Lippincott Q&A Review for NCLEX-RN, 12th edition is designed to help pre-licensure nursing students prepare to take the licensing examination. Students and faculty also use the book as a study guide and practice tests for preparing for faculty-made examinations. Because the questions found in the book are also available in PassPoint, the products used together act as an ongoing assessment tool to monitor progress throughout the nursing curriculum. The book is designed to support the four major content areas in pre-licensure

programs: obstetrics, pediatrics, medical-surgical, and mental health nursing. Within each of the four sections, chapters are organized around common health problems. When studying, students can select examinations that parallel the content in a particular course in a variety of curricula. PassPoint offers the same flexibility for review and study. The textbook also includes six comprehensive examinations to provide students a realistic example of the NCLEX-RN test, in which test items are randomized by subject area and difficulty. This consistently bestselling NCLEX-RN review book features more than 6,000 high-level questions that prompt active learning and higher-order thinking. The questions support the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationale for both correct and incorrect answers, information about the NCLEX-RN, study tips, and a "Content Mastery and Test-Taking Self Analysis" grid by which students can chart their own progress and modify study plans as needed. The accompanying site on thePoint provides an opportunity for students to practice taking computer-generated exams as well as taking "audio" questions that require students to listen to audio files to answer.

Lippincott Q&A Review for NCLEX-RN, Twelfth Edition

Diane Billings, EdD, RN, FAAN

April 2016 / Softbound / 8" x 11" / 1132 pp. / 146 Illus.
978-1-4698-8661-9

DESCRIPTION

Lippincott Q&A Review for NCLEX-RN, 12th edition is designed to help pre-licensure nursing students prepare to take the licensing examination. Students and faculty also use the book as a study guide and practice tests for preparing for faculty-made examinations. Because the questions found in the book are also available in PassPoint, the products used together act as an ongoing assessment tool to monitor progress throughout the nursing curriculum. The

book is designed to support the four major content areas in pre-licensure programs: obstetrics, pediatrics, medical-surgical, and mental health nursing. Within each of the four sections, chapters are organized around common health problems. When studying, students can select examinations that parallel the content in a particular course in a variety of curricula. PassPoint offers the same flexibility for review and study. The textbook also includes six comprehensive examinations to provide students a realistic example of the NCLEX-RN test, in which test items are randomized by subject area and difficulty.

NCLEX-PN Q&A Plus! Made Incredibly Easy, Revised Reprint

by Wolters Kluwer

September 2015 / Softbound / 8.375" x 10.875" / 688 pp. / 25 Tables
978-1-4963-1664-6

DESCRIPTION

This NCLEX-PN review book provides both succinct Content Review and more Q&A than any other review book for this market. Each chapter opens with a Content Refresher, giving an overview of key information on each topic--- it summarizes what is really important for NCLEX review. High-quality Q&A, answers, and detailed rationales follow. The book opens with a discussion of studying and test-taking strategies and describes the exam format in

detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, care of the child, and coordinated care. The book also includes comprehensive examinations with answers, rationales, and client-needs information at the end of each answer. All the material is presented in the stress-free, proven format of the Incredibly Easy series that helps students actually enjoy learning, stay motivated, and improve their performance. This revised reprint has been updated so that the book's information about the NCLEX-PN, as well as the content within, align fully with the 2014 NCSBN NCLEX-PN test plan. Questions involving psychiatric issues have been updated to align with the DSM-5. The book also has been updated to coordinate perfectly with Lippincott NCLEX-PN Passpoint. Difficulty levels for each question, using objective data from PassPoint, have been provided. Additionally, users get a free code that provides a 30-day trial of PassPointPN.

NCLEX-PN Q&A Plus! Made Incredibly Easy! Second Edition

Moore, MSN, RN, CNOR, CNE

April 2017 / Softbound / 8.375" x 10.875" / 704 pp.
978-1-4963-1672-1

DESCRIPTION

NCLEX-PN Q&A Plus! Made Incredibly Easy, 2E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. Used with Lippincott NCLEX-PN PassPoint, the digital and print resources together act as an ongoing assessment tool to monitor progress throughout the curriculum. The book is divided into seven parts. Part 1 explains the basics of NCLEX test construction and gives ideas to

students about how they should prepare. Parts II to V are designed to support the four major content areas of pre-licensure programs: medical-surgical, psychiatric/mental health, maternity, and pediatric nursing. Within these four sections, each begins with a bulleted content review of essential concepts, followed by multiple questions and answers in a side-by-side format. Part VI, "Coordinated Care," emphasizes content areas that go across all the other content areas and are critical for any nurse to know to be a safe and effective practitioner: management/supervision and ethical/legal issues. Part VII consists of two comprehensive tests. One contains 85 questions (the minimum number of items any student taking the NCLEX-PN will receive) and the other contains 205 questions (the maximum number of items any student taking the NCLEX-PN will receive). The product offers more than 4,000 questions that prompt active learning and higher-order thinking. The questions align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan, and are written in the style used on the licensing examination. Other features include the use of all alternate-format questions found on the licensing examination, detailed rationale for both correct and incorrect answers, and information about the NCLEX-PN.

NCLEX-RN Questions & Answers Made Incredibly Easy, Seventh Edition

(Incredibly Easy! Series®)

Susan A Lisko, DNP, RN, CNE

August 2016 / Softbound / 8.3" x 10.75" / 912 pp. / 25 Tables

978-1-4963-2549-5

DESCRIPTION

NCLEX-RN Questions & Answers Made Incredibly Easy, Seventh Edition is designed to help anyone preparing to take the RN licensing examination. Students and faculty also use the book as a study guide and practice tests for preparing for faculty-made examinations.

The book is divided into seven parts. Part I explains the basics of NCLEX test construction and gives ideas to students about how they should prepare. Parts II to V are designed to support the four major content areas of pre-licensure programs: medical-surgical, psychiatric/mental health, maternity, and pediatrics. Each of these sections contains multiple questions and answers in a side-by-side format. Part VI, "Issues in Nursing," emphasizes content areas that do not easily fall in any of the other sections: management/leadership and ethical/legal issues. Part VII consists of three Comprehensive Tests of varying lengths from 75 questions (the minimum number of items any student taking the NCLEX RN will receive) to 265 questions (the maximum number of items any student taking the NCLEX RN will receive). Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience.

Thousands of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationale for both correct and incorrect answers, information about the NCLEX-RN, and study tips.

Pharmacotherapeutics for Advanced Practice: A Practical Approach, Fourth Edition

Virginia Poole Arcangelo, PhD, CRNP

August 2016 / Softbound / 8.375" x 10.875" / 884 pp. / 114 Illus. / 280 Tables
978-1-4963-1996-8

DESCRIPTION

Be ready to prescribe and administer drugs safely and effectively—and grasp all the vitals of pharmacology—with the fully updated *Pharmacotherapeutics for Advanced Practice, 4th edition*. Written by pharmacology nursing experts, this easy-to-read text offers proven frameworks for treating more than 50 common diseases and disorders. Learn how to identify disorders, review possible therapies, then prescribe and monitor drug treatment, accurately. Based on current evidence and real-life patient scenarios, this is the perfect pharmacology learning guide and on-the-spot clinical resource.

Core Curriculum for Forensic Nursing

Bonnie Price

October 2015 / Softbound / 7" x 10" / 280 pp.
978-1-4511-9323-7

DESCRIPTION

Access the vital knowledge required for competent forensic nursing practice, with clear, concise *Core Curriculum for Forensic Nursing*. This first edition text was developed by the International Association for Forensic Nursing (IAFN). Rich with practical instruction, the Core offers a full view of the role of the forensic nurse, who practices at the intersection of the health care and the legal systems. For practicing forensic nurses or those who are exploring this dynamic and growing specialty, there is no better guide.

Ovid® Emcare

The New Standard in Nursing and Allied Health Research

Ovid Emcare brings you:

- All the great features of Ovid – easy links to full text, exporting, filtering, de-duping, and more
- More scholarly, peer-reviewed and indexed journals than any other nursing database
- Easy linking to non-embargoed full-text journal content
- **Exclusively on Ovid!** Lippincott Williams & Wilkins full-text
- Integration with the trusted Emtree thesaurus for accurate relevant results
- Natural language searching for fast, relevancy ranked results
- New content added weekly
- **Search across all your Ovid resources with just a single query**

Premium nursing and allied health database of nearly 5 million records across 3,700+ journals

Ovid Emcare, a partnership with Elsevier, sets a new standard in nursing and allied health research – providing the most records and more trusted content than any other leading nursing database.

Pairing premium content with the world's most trusted medical research platform, Ovid Emcare empowers your patrons to deliver high quality care and improve research processes.

Ovid Emcare Content:

- 3,700+ international journals indexed – more than any other nursing database
- More scholarly, peer-reviewed and indexed journals than any other nursing database
- 1,800+ titles not available on other leading nursing databases
- Nearly 5 million records dating back to 1995
- Up to 250,000 records/citations added each year
- Broadest scope of international content – more than any other nursing database: 50% of journals are from North America, 40% are from Europe, 10% are from Rest of World. 9% of all records are for articles not in English, *most have English-language abstracts.*
- 70% of records have online abstracts
- More than 70,000 preferred terms in Emtree, expanded with nursing and allied health terms. All mapped to MEDLINE's MeSH.

The Benefits of Ovid Emcare...

For Practice

Ovid Emcare provides **practicing nurses & other healthcare workers**:

- **Key evidence** needed to support patient care decisions.
- Ability to perform **quick searches and retrieve accurate results**, so they can provide timely, high quality care.
- **Natural language searching** to save time entering queries, and access results ranked by relevancy more quickly.

For Learning

Nursing students learning about evidence-based care can use Ovid Emcare to:

- **Search scholarly nursing and allied health bibliographic data** with convenient limits to systematic reviews, clinical trials, and more.
- **Search across other Ovid full-text journal collections**, allowing for their research to go beyond just citation gathering.
- **Easily link to non-embargoed full-text journal content** when deeper research is required.
