TROY Security Printing Solutions

HP AUTHORIZED • TROY ENHANCED

Security printers are a rapidly growing segment of printer business throughout various office, education, retail, and public vertical markets.

Ask your sales representative for more details.

Benefits of TROY Security Features

Providing Secure Paper Tray Solutions

Help safeguard your high-value paper stock with secure locking trays, providing only authorized personnel with access. The application of secure locking trays helps protect both high value security forms paper and plain paper stock from theft.

Preventing Stock Theft

Paper tray shielding helps prevent paper removal from the back of your printer. TROY uses rugged sheet metal to minimize risk.

Business  Partner

"With the new trays, it is now virtually impossible to remove paper stock from a locked tray."
