HOLOCAUST MUSEUM HOUSTON

Art is more than the way we demonstrate our thoughts and emotions. Art is about sharing the way that we experience the world! It is an extension of our personalities and personal expressions. It is a way we communicate when words alone cannot suffice. Which is why the Holocaust Museum Houston is promoting Art Circle!

*Art is the most intense mode of individualism
that the world has known ~Oscar Wilde*

Art Circle takes in exhibition- or collection-centric events partnered with art education, cocktails, nibbles and more! An excellent opportunity to stay connected with other art enthusiasts in the area. Art Circle membership supports the art exhibition program at the Museum.
