Creates less drag enabling more speed up & down the ice
Allows for the jersey to fit more naturally over the pads and in hockey position

Shaped Hem:

Enables the more fitted garment the freedom of movement and flex over the pads & around the body

“Diamond” Ice Mesh:

Fully ventilated garment offers maximum breathability & body temperature regulation in both jersey & sock alike

4 way Stretch Mesh Fabrication:

4 way stretch capability allows the fit to remain close to body without inhibiting player movement & flexion

Protect your vision and see every play more clearly with Under Eyewear's all-new hockey visors. The UA Storm lens technology coating sheds water, ice, oil and sweat so there is virtually no smudging, fogging or scratching... only razor sharp vision. The patent-pending UA Edge Guard offers protection against visor coating delamination preserving the longevity of your equipment. Not only do the UA hockey visors meet and exceed CSA & HECC standards, they also come with a lifetime warranty.

FEATURES:

CSA & HECC Certified - Under Armour Lens Technology offers up to 10x more impact resistance over traditional Polycarbonate to defend against oncoming objects. Meets and exceeds HECC and CSA standards for safety.

Superior Optical Technology - Under Armour Lens Technology ensures distortion free optics from edge to edge. And UA Storm coating sheds water, ice, oil and sweat. The benefit: virtually no smudging, fogging or optical "noise".

Anti-Fog Coating - Reduces the surface tension of water drops, so moisture cannot build, and fog cannot collect.

Anti-Scratch Coating - Barrier against intense impact on the field of play. Ensures an unobstructed field of view longer than other visors.

Edge Guard - A patent-pending innovation offering protection against visor coating delamination. Conceals the edge preserving the longevity of your equipment.

Lifetime Warranty - Warranted for the lifetime of the product against breakage. Does not cover scratches or product that has been abused, and is void in the event of improper use, assembly or installation.
