News Update

NEW Additions to the 3G Team!

Sales Office

Tony Johnson

Tony has worked in the Automotive Industry for over 20 years and brings technical ability and some say the occasional funny joke! "A great addition to our sales office."

Sales Office

Gareth Brittle

Gareth also brings a wealth of experience to 3G having spent over 15 years in the automotive industry. His grounding with Neoplan / MAN and other established truck factors has added to our already high level of truck parts identification expertise at 3G.

"A real parts person!"

Sales Office

Declan Brooks

Declan, although young shows all the attributes towards becoming an integral part of our experienced team.

"Certainly one for the future."

Area Sales Manager

Mark Dewson

Mark brings his energy, enthusiasm and long established experience to our already excellent team of Area Sales Managers.

"Great Energy + Drive."

Indicator Lamp LH
To Fit: DAF CF/XF 1846491

automechanika

FRANKFURT 2016

IN SEPTEMBER WE EXHIBITED AT THE PRESTIGIOUS AUTOMECHANIKA EXHIBITION IN FRANKFURT, GERMANY.

IT WAS OUR 3rd TIME THAT WE EXHIBITED OVER THE LAST 6 YEARS, AND THIS YEAR WAS BY FAR OUR MOST SUCCESSFUL. WE WOULD LIKE TO THANK ALL OUR EXISTING AND NEW CUSTOMERS FOR TAKING THE TIME TO CALL AT OUR STAND DURING THE FAIR.

NOW AVAILABLE

**MADE IN
BRITAIN**

A COMPREHENSIVE RANGE OF ORIGINAL ONYX SENSORS

ONYX sensors are fully protected against water and fluid ingress and are designed to the same electrical specifications as the OE counterpart.

This enables the operator to buy and fit with total confidence of full compatibility.

Quantity break prices available upon request,
please contact your area sales manager or our sales team for more information.

CONFIDENCE IN QUALITY

FAG

A CHANGE IS COMING!

FAG SmartSET. The ready-to-fit wheel bearing repair solution for trucks and trailers.

The FAG SmartSET has been developed exclusively for the aftermarket to meet the needs of the modern commercial vehicle workshop. Every SmartSET is pre-assembled, pre-greased and pre-positioned at the factory and includes special fitting tools which simplify installation, reducing the chances of fitting errors. There is a comprehensive range available to suit all popular types of truck and trailer axle, with oil or grease lubrication. The Duratect®B coating and dust cover also help to deliver a service lifetime of up to twice that of a conventional tapered roller bearing!

MEET OUR EXTERNAL SALES TEAM

We have a wealth of experience out on the road. Why not call and arrange a meeting next time we are in your area.

AREA SALES MANAGER - LEE SMITH

A familiar face to most of our UK customers, Lee who has been with 3G for nearly 4 years brought with him vast knowledge within the CV factor business after starting as a van driver for Trailercraft (ABAL) progressing to managerial roles at York Trailers, Edmunds Walker and Digraph.

Lee's drive and excellent customer skills make him a valuable member of the 3G team, rumours of being on the golf course Friday afternoons are indeed vastly exaggerated.

Mobile: +44 (0) 7711 773242 **e-mail:** leesmith@3gttp.com **Facebook:** Facebook.com/3gttp
Fax: +44 (0) 1709 702488 **Web:** www.3gttp.com **Twitter:** @3gtrucktrailer

AREA SALES MANAGER - IAN COLES

Looking after our southern customers, Ian has many years of experience in the motor trade from being a Motor Vehicle Technician to a Salesman, working for companies such as TMD Friction and Magneti Marelli.

Ian's wealth of knowledge and customer service will again strengthen what we feel is a very good and well received sales team both internal and external.

Fax: +44 (0) 1709 702488 **Web:** www.3gttp.com **Twitter:** @3gtrucktrailer

AREA SALES MANAGER - GORDON CLARKE

Gordon joins 3G with a wealth of experience in the commercial vehicle industry. Beginning in 1979 relining brake shoes in the school holidays then serving his apprenticeship as an HGV mechanic.

Gordon then worked in a Glasgow CV specialist before moving to Mercedes Benz but for the last twenty three years Gordon has covered the north of England, Scotland and Northern Ireland for a large wholesale distributor.

Fax: +44 (0) 1709 702488 **Web:** www.3gttp.com **Twitter:** @3gtrucktrailer

AREA SALES MANAGER - MARK DEWSON

Mark has over 20 years experience in the commercial vehicle industry, mainly working for wholesalers and knows the importance of supporting our factor customers.

Mark is well known in our industry and brings Drive + Focus with a real desire to deliver results.

Mobile: +44 (0) 7984 897718 **e-mail:** mark@3gttp.com **Facebook:** Facebook.com/3gttp
Fax: +44 (0) 1709 702488 **Web:** www.3gttp.com **Twitter:** @3gtrucktrailer

Longevity through innovation.

RepSet® SmarTAC from LuK.

Self-Adjusting. Reliable. OE tested. OE approved.

The new OE tested and approved high performance CV clutch system from LuK.

SmarTAC is a precision controlled and constantly self-adjusting clutch system designed and engineered to maintain pedal load consistency for the lifetime of the unit.

Fitted with the innovative HD30PLUS friction material, this new generation of CV clutches offers a unique benefit compared to conventional self-adjusting technologies:

During OE testing it lasted twice as long!

Commercial vehicle clutches from LuK. Keeping your fleet on the road and out of the workshop.
