From the Editor...

This month's cover proves the old adage, "A Picture is worth a Thousand Words." Featured are our 3 New Jersey grandchildren; twins Kate and Aiden (6) and Will (4). The thought bubbles show some of the day's memories that may be floating around in there. They didn't make it half way up Anchor Bay Drive after their "Two Boat Rides in One Day!!" returning on the Fin after an afternoon on "Papa and Gramma's Island." It was games indoors and playground outdoors as we dodged thunderstorms all afternoon. They were out like lights before we passed Darryl and Josette's house when Jeri caught this moment in time which I think says it all.

From the first time we came to the Island we've always heard about the North Channel Yacht Club Family. It didn't take long to realize it's one of life's intangible goodies, and it's very real. So many of you have raised your kids here for generations and even though Jeri and I found this place too late for our kids, it's quite a good feeling to know we're building memories in our grandkids for their lifetimes. Nearly a month later, on Facetime tonight, the first thing out of their mouths was when they're coming back to our island.

What a wonderful segue to my official topic; Welcoming all the New Members we've received in the last few months, we even have a page for Newest of New Members, check it out. Now we have some new families to show around, so lets' help them build memories too. I want to offer a "Shout Out" to Kim Miedema our Membership Director who has worked so hard and tirelessly and most importantly she's worked passionately to bring new members to our island paradise. If I could, I'd nominate her for an Anchor but I guess there's a taboo about Directors and Anchors. Being new myself, I'm still learning these things. Soooo, If you see her, a hearty "Thank You" is in order. Additionally, Tom Stackpoole went to town in the days leading up to the Membership Drive party, he had our Clubhouse & Island looking as good as she ever has, and all after a windstorm that littered the whole island with tree limbs and debris the day before the party. Thank You Tom!!

Some of the event flyers have been updated so be sure have a look.

It's Board and Flag Nominating Season, and now SPOUSES ARE ELIGIBLE!!

As you may have heard we now have club reciprocity with the Old Club. Their policies regarding dress code, docking, guest registration, fees, and guest availability are substantially different than ours. Please see and review the agreement and policies on pages 47-51 before visiting the Old Club.

Commodores Comments...

Where did the month of July go? With all of the events that took place in July, the month flew by. Eighteen boats and 50 brave souls endured fog, wind and waves to reach Mackinac Island and back on the Commodore's Cruise. This shows that it takes more than Mother Nature can dish out to stop an NCYC party. I would like to thank all of you who came to Mackinac, we had a great time. Unfortunately we did not make it back for the Recruitment Party but it was a success as it has brought 4 new members to the club. Please make sure to welcome our new members and make them feel at home.

The Christmas in July NCYC Island Rendezvous and the Float Down were well attended and enjoyed by all in attendance.

August is another busy month with our Wounded Warrior benefit, Spaghetti dinner and Karaoke night on August 5th followed by the Ancient Mariners Taco Night and Meat Mania on the 12th. August 18th, 19th and 20th is our rendezvous at Mac Ray Harbor rendezvous along with the Selfridge Airshow. The Pagel/Swan Potluck dinner rounds out the month's events.

We are entering the second half of this year's season so please take the time to participate in these events. You won't regret it.

Vice Commodores Comments...

The Commodore's Cruise to Mackinac Island was a great time. We had approximately 18 NCYC boats arriving at different times to the island. The Mackinac Harbor was a little bit of a challenge for a couple of days with the wind coming out of the East. Still, we enjoyed good food, drinks and camaraderie.

It's hard to believe we are in August already with only 9 weekends left in the 2017 Boating season at the Club. This past weekend we enjoyed the Karaoke weekend at the Club. Linda and I didn't realize how much singing talent we had in our Club. It was more like a concert than Karaoke. Many thanks to Frank Corcoran's brother, John, for providing us with the patio music Saturday afternoon and MC of the music performers on Saturday night.

Rear Commodore Ian and his bride Marie provided everyone with a great spaghetti dinner Saturday night with the proceeds going to the Wounded Warriors of whom John Corcoran sponsored this past weekend.

Please continue to support your club and look for new opportunities to invite perspective new members and encourage current members to come out and enjoy our club.

Rear Commodores Comments...

What's up with the wind? I think this year is going down as the windiest boating season on the Great Lakes!!!!

Speaking of wind, the Commodores Cruise had its fair share! Rumor has it that lines snapped and broke away from the docks. Fortunately no harm was done and everyone was safe and had fun.

The recruitment party was amazing and fun! The event was extremely well attended and a lot of talk was heard all weekend of potential new members joining the club. I want to thank Kim and Larry Miedema along with their team for hosting such a well attended and well planned weekend.

Christmas in July was filled with everything that you would expect including a visit from Jolly Old Saint Nicholas. The feast on Saturday was excellent and the holiday decorations put you in a merry mood. Thank you P/C Tom & Judy McHugh along with everyone that helped pull off this Rendezvous.

The annual Float Down started early in the morning with everyone blowing up the rafts, tubes and Flamingo's in preparing for a day on the water. Just before shove off, you enjoyed your bon voyage cocktail; a very strong, but refreshing summer beverage. During the float, dare I say 'three hour tour' there was a lot of camaraderie, laughter and strong libations; not to mention jello and pudding shots shared amongst friends. All in all, a good time was had by all. Next year I think I will use sunscreen as I am still nursing a sunburn. Oh, did I mention we had strong drinks being served all afternoon? Thanks P/C John Dickson, Bob Carnaghi and their team.

Upcoming activities are Karaoke, Meat Mania, MacRay Rendezvous, Pot Luck and Labor Day. Come on out and join the fun!

We are now entering the season where the Nominating Committee is hard at work. I for one can attest that it is a rewarding experience to be part of the Board.

If you would like to get involved with the management of the club be sure to talk to a committee member. The committee is comprised of P/C Brian McEvoy (Chairman), P/C Scott Bell, P/C Bill Hendricks, P/C Rick Romatz, Diane French and Frank Corcoran.

A Message From Chaplain Art Brooks...

Notes from the Chaplain, Art Brooks

First of all, I would like to extend a big thank you to the NCYC Publications Director Ron Draper for allowing me to take a month off from writing my article. Sue and I are very grateful for the kind words and the thoughts that you expressed in the article. Thank you again. I have some catching up to do.

On May 23, I was advised that longtime member Tom Karasinski had surgery. He was sent to a rehab center in hopes of gaining strength enabling him to return home.

Colleen Hay's mother, Shirley Calcaterra passed away on June 3. She will join her husband who preceded her in death.

Sue and I lost our son, Kevin Brooks, age 54. Married to Lori, father of Ryan (Mallory) and Zachary. Sue and I wish to thank the many people from the club who paid their respects at the memorial on June 17.

On June 25, Michael Strozeski, age 46 passed away suddenly. He was the husband of Shelly, father of Noah and Kylee, son-in-law of Patty and Archie Archibald, brother-in-law of PC Rick and Jill Romatz.

The following thoughts and prayer was written Phil Ware

From Peter, Chapter 1, Verses 5:6-7

**'Humble yourselves, therefore, under God's almighty hand,
that he may lift you up in due time.**

Cast all your anxiety on him because he cares for you.

Thoughts on Today's Verse....You've probably had a similar experience to this one. Someone asks you how you are doing. At first, they seem interested, but as you begin to share the burdens of your heart, you begin to realize that they aren't really listening and aren't really interested; they're just being polite. Most people have so many burdens, they simply don't know what to do with more. Our Father in Heaven, however, says, "Cast all of your anxieties on me. You can share all of them with me because I generally care for you.

My prayer,

Father, I have been blessed in so many ways. Thank you so very much. I do have some really burdensome things, however, that trouble me. Please do with the following concerns what is best for each of the people involved and what brings you the most glory. (Please share your burdens and concerns with the Lord). I thank you for listening to my words and my heart. In Jesus' name. Amen

FIRST MATES MENTION AUGUST 2017

Hi Ladies:

In front of the fireplace Sandi Stroh has boxes for our summer fun raiser with a list of items that are needed. Please help make the ALGONAC Food Pantry donations a big success.

Labor Day Dinner is Sunday, September 3rd. It will be managed by Debbie Siwek who will be in charge of the main dish, and the Board members have signed up to provide side dishes. Join us for a great dinner.

Past President Mary Marini will head the Nominating Committee. Someone from her committee may approach you and ask you to be on the Board. Please consider these positions.

Our Christmas Party is at Avante in Clinton Township on Tuesday, December 5th, with Sue Brooks in charge of this event. Anyone interested in donating anything for her raffles, please let her know. There will also be a charitable fund raiser that night. More details to follow.

Don't forget to shop and browse our Boatique. Jill has restocked it due to an abundance of sales.

Hope to see you around the club this summer.

Respectfully,
Colleen Braun
2017 First Mates Publicity Director

Dear First Mates of North Channel Yacht Club,

July is the time for fireworks, commodore cruises and members of the first mates to think about kicking it up a notch and consider becoming a 2018 member of the board of directors.

The ladies that previously served in a position on the board, know that you are probably thinking that it's a lot of work, don't have time or feel intimidated by it.

They would also tell you that in reality, the benefits are incredibly rewarding, super fun and a great way to make a difference!

We are all very passionate and have a great love for NCYC. The members are like our own family. We share a common goal- our objective-".fostering harmony and friendship among members, promote activities for the benefit of the organization and The North Channel Yacht Club."

Have you ever noticed that when there is a task at hand or an activity to prepare for, how many people are there to help?

It is no different when you sit on the board of directors. We all help and support each other. People volunteer for countless reasons, but mainly because we want to share experiences, feel more connected, and enjoy the fruits of our labor. It feels good to know that contributing only a few hours a year, you can make a great difference to our beloved organization.

Without the board of director volunteers, the First Mates wouldn't exist. We are so happy and proud that we can give so much back to the club.

On behalf of The First Mates, the nominating committee is seeking members to fill several positions for the 2018 year.

Please contact Mary Marini, Renee McEvoy, Cathy Criner or Anne Malik should you have any questions or if we can help guide you to a very fulfilling experience.

Cheers,
Mary Marini
Nominating Chairperson

Some Newest of the New Member Info; Please Welcome:

Kim & Tony Scicluna - We have seen Kim & Tony at the club through the years visiting as a Board member of the ABYA and with JYC. She came to ladies week as a guest of Irene Martin. Kim retired from Blue Cross and Tony works in Artificial intelligence (cool stuff-soon to retire too!) They live on a canal in St. Clair Shores. The boat is Big Fun - a 31 Rinker. They spend lots of time with their grandkids too!

Janis & Dominic Degregory- This couple loved the Steak and Lobster dinner so much they joined! Thanks to our new member Kathy Hickey for bringing them over as a guest. They live on Park Lane in the Algonac canal area. They have a 32 Sunsation Dominator that they might be trading in soon for a cruiser. Janis is a local Real Estate Broker and Dominic works in infrastructure construction for Consumers Energy. Their daughter Samantha also joined as a Junior member!

Russ & Jenn Greenfelder - The name may be familiar - he is our Club House Director's nephew. They enjoyed our Open House and decided to join us. They are looking forward to starting the trend to have young kids enjoying the club. They have a beautiful 5 year old daughter Ryleigh. Russ is in the HVAC business. Jenn is also busy - taking on a new job. They live in Harrison Twp and have a 32 Carver.

Pat & Brigida (pronounced like the actress Gina Lollobrigida) **Sullivan** - Our newest members as of this morning. Pat retired from General Dynamics and Brigida from teaching. They got to experience living in Madrid Spain for Pat's last assignment. They have a beautiful home on Harsens Island, but their primary address is in Cape Coral Florida. We warned them that there are a lot of us wintering in Florida.. they may make year-round friendships by joining this club. They also get to "join" the Tiara club as they boat in a 34 Tiara Pursuit. They have 4 kids and 8 grandchildren and see the family often.

Commodore's Comments

Commodore, Pat Carroll

The club's been open for two weeks and everything is going smooth. Tonight, we're going to get into revisions of policy and talk about a few bylaws. After we close the meeting, we'll go over the Fan-Out instructions.

Vice-Commodore's Comments

Vice Commodore, Randy Pagel

It was another moving experience to be involved with the Flag Raising ceremony this year at NCYC. Many thanks to P/C Scott Bell for continuing to bring his organizational skills to make this a very professional

and emotional event. I would also like to thank Bill Calihan for helping P/C Scott Bell arrange for the Pride of Michigan to participate along with the Sea Cadets.

The ABYA dinner was very well attended this year with around 188 people enjoying the dinner and entertainment on Saturday night.

Please continue to support the club and look for new opportunities to invite perspective new members to come out and visit our club.

Rear-Commodore's Comments

Rear Commodore, Ian Blackburn

Welcome to the June board meeting; we are quickly approaching the second half of the year. When I complimented the board during the Memorial Day meeting, I meant it. Thank you for your efforts and dedication.

We now need to focus on running the club for the next 4 months, along with the business of bylaw and policy change proposals. Let's stay focused and make sure we are doing what's right for the entire membership.

Financial Report

Treasurer, Brian Fringer

The financial report was distributed via e-mail prior to the meeting and summarized.

May 2017 revenues were just over \$43,000, and the net gain was just under \$20,000. We are still trailing 2016 by approximately \$11,000. This is partially due to timing with the bar revenue reporting and membership. The board discussed that it is still too early to consider changes to spending since the club has only been opened for two weeks.

MOTION: Moved by Bill Calihan and seconded by Darryl Campbell to approve the Financial Report.

Motion Carried

ABYA Report

P/C Chuck Stroh

There was no ABYA meeting this month. Thanks to the NCYC members who supported the ABYA Dinner Dance. The club had just under \$6000 gross in dockage and bar sales for the event.

Correspondence

All

Ford Yacht Club invited the NCYC Flag and membership to enjoy the facilities of their club for the 2017 boating season.

Port Dover Yacht Club and Long Point Bay Yacht Clubs offered NCYC members one night of free dockage as "true" reciprocation and requested that NCYC do the same to their members. The board considered the request, and there was no support to reciprocate to those clubs since they are in eastern Lake Erie on the Canadian side.

Mike Linden asked that he could bring several of his friends with 4 or 5 boats from Mac Ray Harbor to the club. Since Mike is a member, he is allowed to bring guests to the club so there is no need to consider it a rendezvous. They may be interested in joining NCYC, so they will be offered a free night's dockage after paying for the first night.

I. CURRENT BUSINESS

Activities – Tom Martin

The fitting out party made about \$150. Tom needs to get the copies of the activities reconciliation forms from the Treasurer.

Club House – Scott Greenfelder

The new door arrived and should be installed this coming weekend. Light bulbs will be changed out. The first-floor exterior of the clubhouse still needs to be power washed; that will be done in the next couple weeks. The trim on the bar will also be completed next week.

Harbor & Grounds – Bill Calihan

Running water to a several wells still needs to be completed. It was recommended that a list of tasks that need to be completed be prepared so that any week managers that have free time and want to take the initiative can complete some jobs. A new shop-vac, bench grinder and two barbecues were purchased.

The cement pad near the guest wells still needs to be completed. Brett Kahl will be coming to the island to provide a quote on ice clusters; Bill will see if he can get Brett to bring the cement over.

The board discussed the unique service that Brett and Ron Kahl have provided over the years, and it was suggested that Brett and his wife would still like to be members of NCYC but they have a difficult time doing their work hours because of their marine business. In the past the club had received service rates that offset the value of their work hours. Since the club relies heavily on that unique service, the Commodore will discuss the potential of a continued relationship (work-or-pay offset as a documented service cost reduction) with Brett and his wife as members.

Membership – Kim Miedema

An online application was sent in and another application was received. The board discussed whether or not a new member should be brought after Opening Weekend during boating season. The potential of a mentor program and/or introductions at any General Membership Meeting for members that join mid-season were brought up to ensure those new members feel welcomed.

MOTION: Moved by Scott Greenfelder and seconded by Bill Calihan to allow new members to be voted in and join the club mid-season in 2017. **Motion Carried**

Clarification was provided that P/C Gary Barnard was granted permanent relief of work hours in the January 2017 Board of Directors Meeting.

Publications – Ron Draper

Approximately 65% of the Rosters have been distributed. In 3 or 4 weeks, Rosters will be mailed to any members that haven't picked them up.

A class on how to do a Fan-Out will be held after this meeting.

Secretary – Glenn Nixon

There have been minor shifts in the work weekend schedule, primarily favoring Labor Day coverage. There are still a few members who haven't responded on their work weekend placement. Work weekend coverage is in fairly good shape.

Supplies – Dale Hall

There are new breakfast and lunch items available for purchase behind the bar.

We are building a good relationship with our wine distributors, so we will continue the wine by the bottle selections that we have been offering. We're prepared with the spirits for the scotch and wine tasting event this coming weekend.

The POS system will be adjusted to include the new products. Brackets and locks have been acquired for the refrigerators and freezers.

Transportation – Darryl Campbell

Fin 1 is in service and the engine is "broken in" but still could use a steering adjustment.

Fin 2 (Mackie) has received an oil, oil filter, and gas filter change along with a water inlet hose and coolant hose replacement.

Fin 3 thruster still has not been returned by the manufacturer, and a commitment date is being pursued. A LED floodlight has been installed on the bow and is currently being "tweaked" for effectiveness without being obtrusive to neighbors or boats along its route.

Fleet Captain – P/C Tom McHugh

Thirteen boats have been confirmed for the first rendezvous at Algonac Harbor Club.

P/C Rick and Jill Romatz have agreed to decorate the club house for the Christmas in July rendezvous. A band is being scheduled for that weekend.

The Mac Ray Rendezvous is the same weekend as the 100th Anniversary of Selfridge ANG and the Air Show.

II. OLD BUSINESS

Incoming Rendezvous:

Doug Wilson of Middle Bass Island Yacht Club has requested to hold a rendezvous at NCYC with 6-7 boats the week of 10 July 2017.

MOTION: Moved by Kim Miedema and seconded by Bill Calihan to allow Middle Bass Island Yacht Club to hold a rendezvous at NCYC with 6-7 boats the week of 10 July 2017. **Motion Carried**

III. NEW BUSINESS

Mainland Well Policy Revision:

Darryl Campbell passed out a Mainland Well Seniority policy change that was been reviewed and recommended by the Policy Committee. The current policy,

"Upon a well opening, the lessee in the next well number higher than the well number that is open will have first choice at that well. The order will continue through well #20. For example, if well #12 becomes available the person leasing well #13 will get first choice at well #12. If the person leasing well #13 does not want to move, then the person leasing well #14 will have the opportunity to take well #12."

would be revised to read,

“Upon a well opening, the choice of that well will be based upon seniority of current lessees in descending order. The seniority list of current lessees will be kept on record along with the Mainland Well waiting list by the member in charge of mainland well leases.”

MOTION: Moved by V/C Randy Pagel and seconded by Bill Calihan to accept the Mainland Well Seniority policy change. **Motion Carried**

By-Law Revisions:

Commodore, Pat Carrol, stated that its time to begin scheduling meetings with the By-Law Committee. Recommendations from the Traditions Committee, Board Members or other committees need to be put forward to the By-Law Committee.

Secretary, Glenn Nixon, requested that input be submitted to him so that he can convene the meetings to begin discussion.

R/C Ian Blackburn asked the By-Law Committee review two concepts:

- Create a mechanism to funnel money into a “seawall replacement fund.”
- Have the Commodore bound to choose a project from the Forward Planning Committee’s approved plan.

Kim Miedema requested a review of Article III, Section 2A requiring that sponsors of a new member be members in good standing for at least one year.

Fanout Instructions:

Instructions were presented by Ron Draper following the Board of Directors Meeting.

Member of the Month

MOTION: Moved by Scott Greenfelder and seconded by V/C Randy Pagel for Bob Marin to be named Member of the Month. **Motion Carried**

Good of the Order

V/C Randy Pagel stated that a Week Manager is still needed for 25-30 June.

V/C Randy Pagel and Bill Calihan stated that they have a plan to number the wells with stencils. The board discussed that there are errors in the Roster numbering that needs to be corrected.

Glenn Nixon stated a concern regarding well assignment for the Christmas in July rendezvous. The board discussed how assignments would be handled for members that are not participating in the rendezvous.

R/C Ian Blackburn received a request from Put-In-Bay Yacht Club to have a rendezvous at NCYC with 8 large boats on 1-3 July 2017.

MOTION: Moved by Darryl Campbell and seconded by Dale Hall to allow Put-In-Bay Yacht Club to visit NCYC with 8 large boats on 1-3 July 2017. **Motion Carried**

Bill Calihan stated a concern regarding the policy for scheduling Junior Members as paid bartenders to ensure there isn’t confusion. It was stated that scheduling of Junior Members as paid bartenders is the responsibility of the Activities Director. Tom Martin will post the list of paid bartender assignments.

Kim Miedema recommended that a Member Recruitment Party be held on 15-July-2017 since no events are planned. She recommended that funding be earmarked to provide entertainment and food to entice prospective members to visit and join the club.

MOTION: Moved by Dale Hall and seconded by Glenn Nixon to fund a maximum of \$600 for a weekend membership drive. **Motion Carried**

Commodore, Pat Carrol, received a request from the Kid's Day Weekend OD to fund a band in the clubhouse.

MOTION: Moved by R/C Ian Blackburn and seconded by Scott Greenfelder to deny the request for a band in the clubhouse on Kid's Day. **Motion Carried**

P/C Chuck Stroh suggested that members that have significant exposure to new boaters could be incentivized to promote the club. The board discussed the concept and other alternatives that would apply to all members.

MOTION: Moved by Brian Fringer and seconded by Bill Calihan to provide a \$50 NCYC gift card (to spend at the bar) to any member (the referrer) that brings in (approved and paid) a new member. **Motion Carried**

Scott Greenfelder will attend the Celebrate the Lake event at Mac Ray Harbor promoting the club.

Adjournment

MOTION: Moved by Darryl Campbell and seconded by Bill Calihan to adjourn the meeting. **Motion Carried**

The meeting adjourned at 9:26 p.m.

June 2017 Member of the Month - Bob & Pam Marin

I would like to nominate Bob Marin for the June member of the month. His help with the installation of the new electrical panel was crucial to the implementation of the second floor air-conditioning. Bob is a great example of how hard-working members keep our momentum moving forward and for that I believe he deserves to be recognized.
