WELCOME

MBA CSI takes pride in offering a comprehensive and competitive benefits package to all full and part-time employees working 32 hours or more per week. Benefits are effective on the first day of the month following the first day of employment.

It is important that you take the time to review all of the plan options available to you. Consider each benefit and the associated cost carefully and choose the benefits package that will best meet you and your family’s needs throughout the year.

Options selected upon hire remain in place through the end of the plan year. The current plan year for MBA CSI is January 1, 2017 through December 31, 2017.

The Internal Revenue Service (*IRS*) states that eligible employees may only make elections to the plan once a year at open enrollment. This means that medical, dental, and vision benefit choices are binding until the next Open Enrollment period. The following circumstances are the **ONLY** reasons you may change your benefits during the year:

Marriage	Death of a Spouse
Divorce	Death of a Dependent
Birth & Adoption	Loss of Dependent Status
Medicare Eligible	Gain of Other Coverage
Loss of Spouse’s job where coverage is maintained through a spouse’s plan	

These special circumstances, often referred to as qualified events, or life status changes, will allow you to make plan changes at any time during the year in which they occur. For any allowable changes, you must inform the Human Resources Department within 30 days of the event to avoid lapse in coverage. All other changes are deferred to open enrollment.

This booklet contains an overview of the valuable benefits package available to you at MBA CSI. While every effort has been made to ensure that this booklet accurately reflects the provisions of the plans, only the official plan documents govern the operation of the plans and payment of benefits.

Medical Benefits

MBA CSI offers our employees and their dependents three comprehensive medical plans to choose from provided through Anthem BlueCross BlueShield with a nationwide network. Prescription drug benefits are also included through Express Scripts. To find a provider in your area, go to www.Anthem.com.

Dental Benefits

Good dental health is important to your overall well being. MBA CSi has partnered with MetLife to offer their employees access to a Dental PPO plan. The plan provides affordable coverage based on the type of services obtained - **preventive, basic or major** - and offers flexibility by including coverage for both in-network and out-of-network providers. If you utilize a network dentist, you will see greater cost-savings than if you were to go out-of-network. Please see the chart below for a more detailed description of benefits.

To locate a provider, visit www.metlife.com

When you select your network make sure you select “PDP Plus”

Basic Life/Accidental Death & Dismemberment

Employees are automatically enrolled in our Basic Life and AD&D insurance program. This benefit provides the equivalent of 1 x employee's annual salary up to \$150,000 per benefit. This is provided at not cost to the employee.

Voluntary Supplemental Life Insurance

Supplemental life insurance up to 5 x salary in increments of \$10,000 (not to exceed \$500,000) is available to employees and their eligible spouses and eligible dependent child(ren) 14 days old up to age 26. Guaranteed issue (does not require medical underwriting) up to \$150,000 for Employee, \$35,000 for Spouse and \$10,000 for Dependent Children. Life and ADD amounts will automatically match. Dependent children can be enrolled in the increments of \$1,000 for a minimum amount of \$2,000 and a maximum of \$10,000.

The CBAS enrollment site automatically calculates your rate from your age at enrollment.

Disability

Your disability benefits provide you with a source of income in the event that you are not able to work due to an accident, illness or injury. Short-term and long-term disability benefits are provided to you by MBA CSI.

Short-Term Disability (STD): Benefits begin on the 8th day after an absence from work due to an illness or injury. Payments are calculated as 60% of your base salary up to \$1,500 a week and can continue for up to 12 weeks.

Long-Term Disability (LTD): Benefits are payable after STD benefits have been exhausted. Employees must satisfy a 90-day elimination period before LTD benefits begin. This program will replace 60% of your monthly, pre-disability earnings to a maximum of \$10,000 per month.

Flexible Spending Accounts (FSA)

MBA CSi offers employees a **Flexible Spending Account** administered by CBIZ.

A flexible spending account (FSA) saves you money by reducing your income taxes. The contributions you make to a FSA are deducted from your pay **BEFORE** your Federal, State, or Social Security Taxes are calculated and are never reported to the IRS. The end result is that you decrease your taxable income and increase your spendable income. You can save hundreds or even thousands of dollars a year. The annual limit for the healthcare FSA is \$2,600 and the annual limit for Dependent Care FSA is \$5,000 which allows for reimbursement of childcare and day camps for children under the age of 13, as well as adult daycare. Minimum participation requirement is \$100. Easy to use, when you enroll in an FSA through your employer, you will be issued a debit card to use for all eligible expenses. When you enroll in the FSA, you will designate how much you wish to have deducted from your paycheck in equal amounts each pay period. Allowable Flex Spending reimbursement expenses are governed by IRS guidelines.

You may open an FSA to cover qualified health care expenses for yourself, your spouse and any dependent you claim on your federal income tax return (even if that person is not covered under a company sponsored health plan), as well as a child you cover under a qualified medical child support order (QMCSO).

The Dependent Care FSA accounts allows for reimbursement of childcare and camps for children under the age of 13, as well as adult daycare. You can use this account to pay for eligible dependent care expenses with pre-tax dollars up to \$5,000 per family per year. Dependent care benefits elected under a cafeteria plan offset the federal tax credit for dependent care allowable on their federal tax return. Both spouses must work or attend school full time to take advantage of this benefit.

The only time you can change your election during the year is if you have a Qualifying Event.

Run-out period

MBA CSi's Healthcare and Dependent Care FSA plan allows for a 2.5 month extension at the end of the plan year to incur an FSA eligible expense. Therefore, you will have until March 15th to use your FSA funds from the previous year; however, all claims must be submitted no later than March 31st for reimbursement. Please be aware that any unused money cannot be refunded.

Please note: If you opt to enroll in the FSA, enrollment is required on a yearly basis. Elections will not carryover from the prior year.

Employee Assistance Program

MBA CSi has partnered with Resource Advisor through Anthem Life to provide an Employee Assistance Program (EAP) to all employees free of charge. We recognize that personal issues can sometimes affect your performance. The EAP is available to employees and their families to provide confidential help with a wide variety of personal problems, issues and concerns such as emotional well-being, family and relationships, legal and financial, healthy life styles and work and life transitions.

Call your EAP professional at 1 (888) 209-7840, 24 hours a day, 7 days a week or feel free to visit the website at www.ResourceAdvisor.Anthem.com and log in with the program name "AnthemResourceAdvisor".

Services Include:

- 24-hour toll-free phone access to EAP professionals 7 days a week
- Telephone assistance and referral
- Service for immediate and dependent family members.

Additional Benefits from MBA CSi

Employee Referral Program

MBA CSi firmly believes in rewarding its staff members for their assistance in the hiring process. For directing talented applicants to our organization, the company offers an employee referral bonus program to encourage and recognize employees who refer qualified candidates for vacant positions.

Education, Training, and Certification Reimbursement Program

Benefit eligible employees who have been employed for at least 180 days, may apply for education, training or certification assistance. Requested courses must be job related and relevant to employee's current position and duties, or advancement thereof. The maximum annual reimbursement amount is \$2,500 per calendar year. Please refer to MBA CSi's Employee Handbook for further program details.

Transit

Use transit benefits to save money on all types of commuting; subway, bus, train, ferry, vanpool, bicycle and parking. Commuters can use pre-tax dollars to pay for commuting (up to \$255/month for transit and up to \$255/month for qualified parking) and save on taxes.

401(k) Retirement Plan

All Employees can contribute, on a pre-tax basis, to the company's 401(k) plan. There will be a 3% non-elective Safe Harbor employer contribution for eligible employees regardless of employee participation. Please refer to summary plan description for further details.

Disclosure Guide

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents (including spouse) for up to 24 months while in the military. Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions for pre-existing conditions except for service-connected injuries or illnesses.

NEWBORN'S ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

QMCSO

QMCSO is a medical child support order issued under State law that creates or recognizes the existence of an "alternate recipient's" right to receive benefits for which a participant or beneficiary is eligible under a group health plan. An "alternate recipient" is any child of a participant (including a child adopted by or placed for adoption with a participant in a group health plan) who is recognized under a medical child support order as having a right to enrollment under a group health plan with respect to such participant. Upon receipt, the administrator of a group health plan is required to determine, within a reasonable period of time, whether a medical child support order is qualified. In the event you are served with a notice to provide medical coverage for a dependent child as the result of a legal determination, you may obtain information from your employer on the rules for seeking to enact such coverage. These rules are provided at no cost to you and may be requested from your employer at any time.

JANET'S LAW

On October 21, 1998, Congress enacted the Women's Health and Cancer Rights Act (WHCRA) of 1998. As required by this law, annual notice of the mandated post-mastectomy benefits must be provided to all covered persons.

The Women's Health and Cancer Rights Act of 1998 requires that all group health plans that provide medical and surgical benefits for a mastectomy also must provide coverage for:

- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses and coverage for any complications in all stages of mastectomy, including lymphedema.

The Act prohibits any group health plan from:

- Denying a participant or a beneficiary eligibility to enroll or renew coverage under the plan in order to avoid the requirements of the Act;
- Penalizing, reducing, or limiting reimbursement to the attending provider (e.g. physician, clinic or hospital) to induce the provider to provide care inconsistent with the Act; and
- Providing monetary or other incentives to an attending provider to induce the provider to provide care inconsistent with the Act.

EMPLOYEE RETIREMENT INCOME SECURITY ACT (ERISA)

Federal law imposes certain requirements on employee benefit plans voluntarily established and maintained by employers. [29 USC § 1003 et seq.; 29 CFR 2509 et. Seq.] ERISA covers two general types of plans: retirement plans, and welfare benefit plans designed to provide health benefits, scholarship funds, and other employee benefits.

ERISA facilitates portability and continuity of health insurance coverage as a result of added provisions under the Health Insurance Portability and Accountability Act (HIPAA). It also covers continued health care coverage rules mandated under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA)

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires employers who provide medical coverage to their employees to offer such coverage to employees and covered family members on a temporary basis when there has been a change in circumstances that would otherwise result in a loss of such coverage [26 USC § 4980B]. This benefit, known as "continuation coverage", applies if, for example, dependent children become independent, spouses get divorced, or employees leave the employer.

HIPAA INFORMATION NOTICE OF PRIVACY PRACTICES

In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), your employer recognizes your right to privacy in matters related to the disclosure of health-related information. The Notice of Privacy Practices (provided to you upon your enrollment in the health plan) details the steps your employer has taken to assure your privacy is protected. The Notice also explains your rights under HIPAA. A copy of this Notice is available to you at any time, free of charge, by request through your local Human Resources Department.

SPECIAL ENROLLMENT RIGHTS

If you have previously declined enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement of adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Additionally, CHIPRA allows a special enrollment period of 60 days for employees when (i) an employee/dependent loses eligibility under Medicaid or CHIP; or (ii) an employee/dependent becomes newly eligible for premium assistance through Medicaid or CHIP.

PRE-EXISTING CONDITION NOTIFICATION (HIPAA)

A group health plan may not impose a pre-existing condition exclusion with respect to a participant or dependent before notifying the participant, in writing, of:

- The existence and terms of any pre-existing condition exclusion under the plan;
- The rights of individuals to demonstrate creditable coverage (and any applicable waiting periods);
- The right of the individual to request a certificate from a prior plan or issuer, if necessary; and,
- That the current plan (or issuer) will assist in obtaining a certificate from any prior plan or issuer, if necessary.

MICHELLE'S LAW

Effective October 9, 2009, Michelle's Law allows college students to take up to 12 months medical leave. During this time, students covered under their parents health insurance plans would not lose coverage. Medical leave can signify that the student is absent from school or reduces course load to part time.

THE GENETIC NONDISCRIMINATION ACT OF 2008 (GINA)

GINA prohibits a group health plan from adjusting group premium or contribution amounts for a group of similarly situated individuals based on the genetic information of members of the group. GINA prohibits a group health plan from requesting or requiring an individual or a family member of an individual to undergo genetic tests. Genetic information means information about an individual's genetic tests, the genetic tests of family members of the individual, the manifestation of a disease or disorder in family members of the individual or any request for or receipt of genetic services, or participation in clinical research that includes genetic services by the individual or a family member of the individual. The term genetic information includes, with respect to a pregnant woman (or a family member of a pregnant woman) genetic information about the fetus and with respect to an individual using assisted reproductive technology, genetic information about the embryo. Genetic information does not include information about the sex or age of any individual.

COMPLIANCE WITH APPLICABLE LAWS

The Plan Sponsor will administer the Benefit Plans in compliance with federal and state laws. Any interpretation of this document or the Benefit Plan Description incorporated by reference that is prohibited by federal or state law is void and will not be relied on for the administration of this Plan. The Plan Sponsor will administer the Benefit Plans in compliance with:

- (1) The Mental Health Parity Act (MHPA) and The Mental Health Parity and Addiction Equity Act (MHPAEA) ERISA § 712, requiring parity in certain mental health and substance use disorder benefits;
- (2) The Women's Health and Cancer Rights Act of 1998 (WHCRA) ERISA § 713(a), imposing requirements for coverage of reconstructive surgery and other complications in connection with mastectomy;
- (3) ERISA § 609(c) coverage for adopted children;
- (4) ERISA § 609(d) coverage of costs of pediatric vaccines;
- (5) The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA);
- (6) The Health Insurance Portability and Accountability Act of 1996 (HIPAA) (applies to any group health plan sponsored by the Plan Sponsor);
- (7) The Newborns' and Mothers' Health Protection Act of 1996 (NMHPA);
- (8) The Genetic Information Nondiscrimination Act (GINA);
- (9) The Health Information Technology for Economic and Clinical Health Act (HITECH);
- (10) Michelle's Law; and,
- (11) The Family and Medical Leave Act of 1993 (FMLA).

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2015. Contact your State for more information on eligibility –

This benefits summary describes the highlights of our benefits in non-technical language. Your specific rights to benefits under the plan are governed solely, and in every respect, by the official documents and not the information in this summary. If there is any discrepancy between the descriptions of the programs as contained in this brochure and the official plan documents, the language of the official plan document shall prevail as accurate. Please refer to the plan-specific documents for detailed plan information. Any plan benefits may be modified in the future to meet Internal Revenue Service rules or otherwise as decided by MBA CSI.
