The Internal Revenue Service (*IRS*) states that eligible employees may only make elections to the plan once a year at open enrollment. Marriage	Death of a Spouse
Divorce	Death of a Dependent
Birth & Adoption	Loss of Dependent Status
Loss of Spouse's job where coverage is maintained through a spouse's plan	

These special circumstances, often referred to as life event changes, will allow you to make plan changes at any time during the year in which they occur. For any allowable change, you must inform the Human Resources contact within 30 days of the life event change. All other changes would be deferred until open enrollment.

Dental Plan

Good dental health is important to your overall well being. At the same time, individuals need different levels of dental treatment. The Aetna dental plan provides affordable coverage based on the type of services obtained – **Preventive, Basic or Major** – whether or not you obtain services from an in-network or out-of-network provider.

However, If you use dentists or dental specialists that are

part of Aetna’s network (In-Network Dental Provider) you will have lower out-of-pocket expenses. Out-of-network reimbursements are based on Aetna maximum allowable charge, therefore you may be balanced billed for services

A complete provider directory can be accessed online at www.aetna.com. For the DMO dental plan select DMO providers and for the PPO plan select PPO providers.

DISCLOSURE GUIDE

HIPAA SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself and/or your eligible dependent(s) because of other health/dental/vision insurance coverage and if you lose that coverage, you may in the future be able to enroll yourself and/or your eligible dependent(s) in this plan, provided that you request enrollment with 30 days after your other coverage ends. If you are declining coverage for yourself and/or your eligible dependent(s) for any other reason, you cannot join the plan later unless you have a new dependent as a result of marriage, birth, adoption, placement for adoption, loss of Medicaid or SCHIP coverage, eligibility for Medicaid or SCHIP coverage, or during an open enrollment period, if applicable. You may then be able to enroll yourself and your eligible dependent(s), provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption, or within 60 days of Medicaid and SCHIP.

If you decline coverage for yourself and/or your eligible dependent(s) because of other health/dental/vision coverage or if you fail to request plan enrollment within 30 days after your (and/or your eligible dependent's) other coverage ends, you will not be eligible to enroll yourself, or your eligible dependent(s) during the special enrollment period discussed above and you will need to wait until the next open enrollment period to enroll in the plan's health/dental/vision coverage.

NON-MEDICAL

If you are voluntarily declining non-medical coverage provided by your employer, you may choose to enroll at a later date depending upon the coverage now being waived. With the late enrollment your cost may be higher, a health questionnaire may be required and the effective date of your coverage may be delayed or denied. If coverage is non-contributory (employer pays entire cost) waivers are not permitted.

Note: Under Section 125, you may make changes to your pre-tax benefit plans only if you experience a qualified event. The change you request must be consistent with the event. The following are the IRS minimum Qualified Events:

1. Marriage, divorce, or legal separation;
2. Birth or adoption of a child;
3. Death of a spouse or child;
4. Change in residence or work location that affects benefits eligibility for you or your covered dependent(s);
5. Your child(ren) meets (or fails to meet) the plan's eligibility rules (for example, student status changes);
6. You or one of your covered dependents gain or lose other benefits coverage due to a change in employment status (for example, beginning or ending a job);
7. Loss or eligibility for Medicaid or CHIP.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT NOTICE

Group health plans and health insurance issuers may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following vaginal delivery or less than 96 hours following a cesarean section.

However, federal law generally does not prohibit the mother's or the newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours, or 96 hours as applicable. In any case, plans and insurers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours/96 hours.

IMPORTANT NOTICE FROM DYNAMIC ENERGY ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Dynamic Energy and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Dynamic Energy has determined that the prescription drug coverage offered under our fully-insured plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Dynamic Energy coverage may be affected. You may keep this coverage if you elect Part D and this plan will coordinate with Part D coverage. See pages 7-9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>) which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current Dynamic Energy coverage, be aware that you and your dependents may be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Dynamic Energy and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that

coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact your plan administrator.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Dynamic Energy changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICE

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2017. Contact your State for more information on eligibility –
