

Why Choose SunnyWood: Quality Drawer Construction

You can see the difference in SunnyWood quality!

With more than 25 years experience building quality cabinetry collections. SunnyWood stands apart from the competition in our attention to the details. Our drawer construction is a hallmark of the attention to detail that is evident in each SunnyWood collection. See our select drawer features below:

RTA Premium Dovetail Drawer

1. Constructed using select hardwood solids and veneers.
2. Assembled using premium, precision fitted dovetail joinery.
3. Expertly finished and sanded to provide consistent appearance and smooth operation.
4. 5/8 in. thick drawer sides and 3/16 in. drawer bottom.
5. Full-depth drawers provide ample storage space.
6. Under-mount soft close drawer glides.

Collection Availability:

Standard: Healdsburg, Ellisen, Shaker Hill

Optional Upgrade: Sanibel, Branden

Grand Haven, Palmetto

Special Ordering Informaton on Reverse

Standard Quality Euro Drawer

1. Constructed using select hardwood solids and veneers.
2. Assembled using Euro-style cam-locks and dowel joinery.
3. Expertly finished and sanded to provide consistent appearance and smooth operation.
4. 5/8 in. thick drawer sides and 3/16 in. drawer bottom.
5. Full-depth drawers provide ample storage space.

Collection Availability:

Standard: Sanibel, Palmetto, Grand Haven

SunnyWood - The difference is in the details.
